### **The Company**

Great Lakes Dredge & Dock Corporation ("Great Lakes" or the "Company") is the largest provider of dredging services in the United States. In addition, the Company has a long history of performing significant international projects. The Company employs experienced civil, ocean and mechanical engineering staff in its estimating, production and project management functions. In its over 130-year history, the Company has never failed to complete a marine project. Great Lakes owns and operates the largest and most diverse fleet in the U.S. dredging industry, comprised of over 200 specialized vessels. Great Lakes has a disciplined training program for engineers that ensures experienced-based performance as they advance through Company operations. The Company's Incident-and Injury-Free® (IIF®) safety management program is integrated into all aspects of the Company's culture. The Company's commitment to the IIF® culture promotes a work environment where employee safety is paramount.

### **Noble Capital Markets, Inc.**

Noble Capital Markets ("Noble") is a research driven boutique investment bank that has supported small & microcap companies since 1984. As a FINRA and SEC licensed and registered broker-dealer Noble provides institutional-quality equity research, merchant and investment banking, wealth management and order execution services. In 2005, Noble established NobleCon, an investor conference that has grown substantially over the last decade+. In 2018 Noble launched [www.channelchek.com](http://www.channelchek.com) – an investment community dedicated exclusively to small and micro-cap companies and their industries. Channelchek is tailored to meet the needs of self-directed investors and financial professionals and is the first service to offer institutional-quality research to the public, for FREE at every level without a subscription. More than 6,000 emerging growth companies are listed on the site, with growing content including webcasts, industry sector reports, advanced market data and balanced news.
