Scott Kornblau, Great Lakes' Senior Vice President, Chief Financial Officer, and Treasurer commented, "The second-lien financing shores up our balance sheet and provides additional liquidity to complete our new build program. The delayed draw feature allows Great Lakes to lock in a commitment for additional long-term capital while giving us the flexibility to pursue financing alternatives, including Title XI. We are confident in our long-term strategy and remain committed to delivering value to our shareholders and maintaining a strong balance sheet."

Lazard Frères & Co. LLC acted as placement agent and sole financial advisor to the Company in connection with the Second Lien Credit Agreement.
