Explanation of Responses:

1. The reported shares were acquired as a result of the post-closing adjustment contained in a merger agreement. No additional consideration was paid for such shares. The merger agreement provided that the shares would be issued based on a formula that assumed a market price per share of \$5.803, the price on the date of the merger. The right to receive additional shares became fixed and irrevocable on December 26, 2006, the date of the merger.
