GREAT LAKES DREDGE & DOCK CORPORATION AND SUBSIDIARIES

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

(Unaudited)

(dollar amounts in thousands, except per share amounts or as otherwise noted)

1. Basis of presentation

The unaudited condensed consolidated financial statements and notes herein should be read in conjunction with the audited consolidated financial statements of Great Lakes Dredge & Dock Corporation and Subsidiaries (the “Company” or “Great Lakes”) and the notes thereto, included in the Company’s Annual Report on Form 10-K for the year ended December 31, 2024. The condensed consolidated financial statements included herein have been prepared by the Company without audit, pursuant to the rules and regulations of the Securities and Exchange Commission (“SEC”). Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America (“GAAP”) have been condensed or omitted pursuant to the SEC’s rules and regulations. Management believes that the disclosures included herein are adequate and make the information presented not misleading. In the opinion of management, all adjustments, which are of a normal and recurring nature (except as otherwise noted), that are necessary to present fairly the Company’s financial position as of June 30, 2025 and December 31, 2024, and its results of operations for the three and six months ended June 30, 2025 and 2024 and cash flows for the six months ended June 30, 2025 and 2024 have been included.

The components of costs of contract revenues include labor, equipment (including depreciation, maintenance, insurance and long-term rentals), subcontracts, fuel, supplies, short-term rentals and project overhead. Hourly labor is generally hired on a project-by-project basis. Costs of contract revenues vary significantly depending on the type and location of work performed and assets utilized.

The Company has one operating segment which is also the Company’s reportable segment and reporting unit of which the Company tests goodwill for impairment. When conducting the annual impairment test for goodwill, the Company can choose to assess qualitative factors to determine whether it is more likely than not that the fair value of the reporting unit is below its carrying value. If a qualitative assessment determines an impairment is more likely than not, the Company is required to perform a quantitative impairment test. Otherwise, no further analysis is required. The Company also may elect to forego the qualitative and move directly to the quantitative impairment test. The Company performed its annual test of impairment as of July 1, 2024. The Company assessed qualitative factors for any indications of potential impairment of the reporting unit. Upon completing this assessment, it was determined that the fair value of the reporting unit is more likely than not greater than its carrying value as of the assessment date and, as a result, a quantitative test was not performed. The Company will continue to monitor for changes in facts or circumstances that may impact its estimates. The Company will perform its next scheduled annual impairment test of goodwill in the third quarter of 2025.

On March 14, 2025, the Company announced that its board of directors approved a share repurchase program, authorizing, but not obligating, the repurchase of up to an aggregate amount of \$50.0 million of its common stock from time to time through March 14, 2026. Of the approved amount under the share repurchase program, the Company repurchased 1,312,493 shares of common stock for approximately \$11.6 million of common stock during the six months ended June 30, 2025.

The condensed consolidated statements of operations and comprehensive income for the interim periods presented herein are not necessarily indicative of the results to be expected for the full year.

Recently Issued Accounting Pronouncements—In November 2024, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) 2024-03, Disaggregation of Income Statement Expenses (“DISE”). The ASU primarily requires companies to disclose additional information about specific expense categories in the notes to financial statements at interim and annual reporting periods. The guidance will be applied on a prospective basis with the option to apply the standard retrospectively. The new guidance will be effective for the Company’s year ending December 31, 2027 and interim periods during the year ended December 31, 2028. Management is currently evaluating the impact of this guidance.

In December 2023, the FASB issued ASU 2023-09, “Income Taxes (Topic 740)” (“ASU 2023-09”). The amendments in ASU 2023-09 address investor requests for more transparency about income tax information through improvements to income tax disclosures primarily related to the rate reconciliation and income taxes paid information. One of the amendments in ASU 2023-09 includes disclosure of, on an annual basis, a tabular rate reconciliation of (i) the reported income tax expense (or benefit) from continuing operations, to (ii) the product of the income (or loss) from continuing operations before income taxes and the applicable statutory federal income tax rate of the jurisdiction of domicile using specific categories, including separate disclosure for any reconciling items within certain categories that are equal to or greater than a specified quantitative threshold of 5%. ASU 2023-09 also requires disclosure of, on an annual basis, the year to date amount of income taxes paid (net of refunds received) disaggregated by federal,

state, and foreign jurisdictions, including additional disaggregated information on income taxes paid (net of refunds received) to an individual jurisdiction equal to or greater than 5% of total income taxes paid (net of refunds received). The amendments in ASU 2023-09 are effective for annual periods beginning after December 15, 2024, and should be applied prospectively. The adoption of ASU 2023-09 is not expected to have a material impact on the Company's consolidated financial statements and related disclosures.

2. Earnings per share

Basic earnings per share is computed by dividing net income attributable to common stockholders by the weighted-average number of common shares outstanding during the reporting period. Diluted earnings per share is computed similar to basic earnings per share except that it reflects the potential dilution that could occur if dilutive securities or other obligations to issue common stock were exercised or converted into common stock.

The computations for basic and diluted earnings per share are as follows:

	Three Months Ended June 30,		Six Months Ended June 30,	
	2025	2024	2025	2024
Net income	\$ 9,695	\$ 7,673	\$ 43,111	\$ 28,697
Weighted-average common shares outstanding — basic	66,698	67,118	67,037	66,924
Effect of stock options and restricted stock units	487	579	769	691
Weighted-average common shares outstanding — diluted	<u>67,185</u>	<u>67,697</u>	<u>67,806</u>	<u>67,615</u>
Basic earnings	\$ 0.15	\$ 0.11	\$ 0.64	\$ 0.43
Diluted earnings	\$ 0.14	\$ 0.11	\$ 0.64	\$ 0.42

For the three and six months ended June 30, 2025, respectively, there were 4 and 159 restricted stock units ("RSUs") excluded from the calculation of diluted earnings per share, based on the application of the treasury stock method, as such RSUs were determined to be anti-dilutive. For the three and six months ended June 30, 2024, respectively, there were 60 and 59 stock options ("NQSOs") and RSUs excluded from the calculation of diluted earnings per share, based on the application of the treasury stock method, as such NQSOs and RSUs were determined to be anti-dilutive.

For the three and six months ended June 30, 2025, respectively, there were 487 and 769 RSUs included in the diluted weighted average common shares outstanding. For the three and six months ended June 30, 2024, respectively, there were 579 and 691 NQSOs and RSUs included in the calculation of diluted earnings per share based on the application of the treasury stock method.

5. Long-term debt

Second lien credit agreement

On April 24, 2024, the Company, Great Lakes Dredge & Dock Company, LLC, NASDI Holdings, LLC, Great Lakes Environmental & Infrastructure Solutions, LLC, Great Lakes U.S. Fleet Management, LLC, and Drews Services LLC (collectively, the “Credit Parties”) entered into a \$150.0 million second lien credit agreement (as amended, supplemented or otherwise modified from time to time, the “Second Lien Credit Agreement”) with Guggenheim Corporate Funding, LLC, on behalf of one or more clients, as the lender, and Guggenheim Credit Services, LLC as Administrative Agent, Collateral Agent and Lead Arranger (“GCS”). The material terms of the Second Lien Credit Agreement are summarized below.

The Second Lien Credit Agreement provides for (i) a senior secured second-lien term loan facility in an aggregate principal amount of \$100.0 million, which was funded in full on the initial closing date (the “Closing Date”) and (ii) a senior secured second-lien delayed draw term loan facility in the aggregate principal amount up to \$50.0 million, which was available to the Company for a period of 12 months following the Closing Date, subject to the terms and conditions as set forth therein. Net proceeds to the Company, after payment of original discount on the initial loans, a closing fee on the delayed draw facility and other debt issuance costs, including those associated with the ABL Credit Agreement described below, were approximately \$88.7 million. On April 24, 2025, the senior secured second-lien delayed draw term loan facility of \$50.0 million provided for in the Company’s Second Lien Credit Agreement expired undrawn. In connection with the expiration, the Company recognized approximately \$0.6 million of interest expense related to previously recognized debt issuance costs in its consolidated balance sheets.

The Second Lien Credit Agreement contains customary representations, mandatory prepayments and affirmative and negative covenants, including a minimum liquidity covenant that requires the Credit Parties to maintain consolidated liquidity of (a) \$12.5 million at any time the fixed charge coverage ratio for the most recently ended four fiscal quarter period is less than 1.10 to 1.00 and (b) \$50.0 million at any time the fixed charge coverage ratio for the most recently ended four fiscal quarters is greater than or equal to 1.10 to 1.00. For the first 18 months following the Closing Date, the Company may prepay all or a part of the loans under the Second Lien Credit Agreement by paying the principal amount of the loans to be prepaid plus a customary “make-whole” premium, subject to a make-whole carveout of up to \$25.0 million (less the amount of any undrawn delayed draw term loan commitments at such time) at 103% with proceeds from a qualifying Maritime Administration (“MARAD”) financing. Thereafter, the Company may prepay all or a part of the loans under the Second Lien Credit Agreement by paying, (i) in months 19-30 following the Closing Date, 103% of the principal amount of the loans to be prepaid, plus accrued and unpaid interest and (ii) in months 31 to 42 after the Closing Date, 101% of the principal amount of loans to be prepaid, plus accrued and unpaid interest.

The Second Lien Credit Agreement also contains customary events of default (including non-payment of principal or interest on any material debt and breaches of covenants) as well as events of default relating to certain actions by the Company’s surety bonding providers. The obligations of the Credit Parties under the Second Lien Credit Agreement are unconditionally guaranteed, on a joint and several basis, by each borrower (other than the Company) and subsidiary guarantor under the ABL Credit Agreement (as defined below), each existing or future issuer or guarantor under the indenture governing the Company’s 5.25% Senior Notes due 2029, and each other existing and subsequently acquired or formed material direct or indirect wholly-owned domestic subsidiary of the Company.

The loans under the Second Lien Credit Agreement funded on the Closing Date were used to repay amounts outstanding under the ABL Credit Agreement, to pay fees and expenses associated with the transactions and for general corporate purposes, including to fund upcoming new build payments. The delayed draw portion of the term loans, if funded, will be used to fund future new build payments, ongoing working capital and for other general corporate purposes. The Second Lien Credit Agreement matures on the earlier of April 24, 2029 and the date that is ninety-one (91) days prior to the scheduled maturity date of the Company's 5.25% Senior Notes due 2029.

The obligations under the Second Lien Credit Agreement are secured on a second-priority basis by substantially all of the assets of the Credit Parties. The outstanding obligations thereunder shall be secured by a valid second priority perfected lien on substantially all of the U.S. flagged and located vessels of the Credit Parties and a valid perfected lien on all domestic accounts receivable and substantially all other assets of the Credit Parties, subject to the permitted liens and interests of other parties (including the Company's surety bonding providers). Pursuant to the terms of that certain Intercreditor Agreement dated as of April 24, 2024, (as amended, restated, supplemented, or otherwise modified from time to time, the "Intercreditor Agreement"), by and between PNC Bank, National Association, as first lien agent, and GCS, as second lien agent, the obligations under the Second Lien Credit Agreement are subordinated to the first-priority liens securing the obligations under the ABL Credit Agreement.

Interest on the term loan facility under the Second Lien Credit Agreement is equal to either a base rate option ("Base Rate Loan") or a Secured Overnight Financing Rate ("SOFR") option ("Term SOFR Loan") at the Company's election. In the case of a Base Rate Loan, interest on the unpaid principal amount shall equal (i) the greatest of (a) the "Prime Rate" in the United States as quoted from time to time by The Wall Street Journal or the highest per annum rate of interest published by the Federal Reserve Board, (b) the federal funds effective rate (but not less than zero) plus 0.50% and (c) Term SOFR for a one-month interest period on such day, plus 1.00%, plus (ii) 6.75%. In the case of a Term SOFR Loan, interest on the unpaid principal amount shall equal the Term SOFR Reference Rate on the day that is two business days prior to the first day of such applicable interest period, plus 7.75%. In addition, the Company is required to pay a quarterly fee of 1.00% per annum on the undrawn commitments in respect of the delayed draw term loan facility.

The Company had \$100.0 million in borrowings on the Second Lien Credit Agreement as of June 30, 2025 and December 31, 2024. The weighted average interest rate, excluding the effects of interest rate swaps, on the Second Lien Credit Agreement borrowings during the quarter ended June 30, 2025 is 12.07%.

Credit agreement

On April 24, 2024, the Credit Parties, PNC Bank, National Association ("PNC"), as agent for the lenders, and certain financial institutions party thereto entered into an amendment to the ABL Credit Agreement described below (the "ABL Amendment"). The ABL Amendment (w) eliminates the Company's ability to increase the commitments under the senior secured revolving credit facility (x) modifies the pricing of loans and undrawn commitments as summarized below, (y) adds a minimum liquidity covenant, for so long as the Second Lien Credit Agreement has not been prepaid and terminated, that requires the Credit Parties to maintain consolidated liquidity of (a) \$12.5 million at any time the fixed charge coverage ratio for the most recently ended four fiscal quarter period is less than 1.10 to 1.00 and (b) \$50.0 million at any time the fixed charge coverage ratio for the most recently ended four fiscal quarters is greater than or equal to 1.10 to 1.00 and (z) makes certain other customary changes in connection with the Credit Parties' entry into the Second Lien Credit Agreement. The Company has availability of up to \$200.0 million for the issuance of letters of credit under the ABL Amendment.

The ABL Amendment modifies the Applicable Margin for Advances as follows: (i) following the ABL Amendment closing date through and including the date immediately prior to the date on which the Borrowing Base Certificate is required to be delivered for most recently completed fiscal quarter (commencing with the fiscal quarter ending on September 30, 2024) (the "Adjustment Date"), (a) the Applicable Margin for Domestic Rate Loans Advances is 1.50% and (b) the Applicable Margins for Term SOFR Rate Loans Advances is 2.50%, (ii) beginning as of the Adjustment Date, to the extent the quarterly average undrawn availability for the prior fiscal quarter is (x) greater than 66.7% of the Maximum Revolving Advance Amount, (a) the Applicable Margin for Domestic Rate Loans Advances is 1.25% and (b) the Applicable Margins for Term SOFR Rate Loans Advances is 2.25%; (y) to the extent the quarterly average undrawn availability for the prior fiscal quarter is less than or equal to 66.7% of the Maximum Revolving Advance Amount but greater than 33.3%, (a) the Applicable Margin for Domestic Rate Loans Advances is 1.50% and (b) the Applicable Margins for Term SOFR Rate Loans Advances is 2.50%; and (z) to the extent the quarterly average undrawn availability for the prior fiscal quarter is less than or equal to 33.3% of the Maximum Revolving Advance Amount, (a) Applicable Margin for Domestic Rate Loans Advances is 1.75% and (b) the Applicable Margin for Term SOFR Rate Loans Advances is 2.75%. Additionally, the Company has an option to borrow at Green Loan Advance Rates, each of which will be 0.05% lower than the corresponding applicable rate if the Company certifies that it will use such proceeds to invest in renewable energy and clean transportation projects and it complies with green loan principles.

On May 2, 2025, the Credit Parties, PNC, as agent for the lenders, and certain financial institutions party thereto entered into an amendment to the ABL Credit Agreement (the “ABL Second Amendment”). The ABL Second Amendment increased the aggregate principal amount of the Company’s senior secured revolving credit facility from \$300.0 million to \$330.0 million, with all other material terms remaining unchanged. The Company incurred approximately \$0.6 million in debt issuance costs associated with entering into the ABL Second Amendment. These costs will be amortized over the remaining life of the facility.

On July 29, 2022, the Credit Parties entered into a second amended and restated revolving credit and security agreement (as amended by the ABL Amendment and as may be further amended, supplemented or otherwise modified from time to time, the “ABL Credit Agreement”) with certain financial institutions from time to time party thereto as lenders, PNC Bank, National Association, as Agent (the “Agent”), PNC Capital Markets, CIBC Bank USA, Bank of America, N.A. and Truist Securities, Inc., as Joint Lead Arrangers and Joint Bookrunners, CIBC Bank USA and Truist Bank as Co-Syndication Agents, Bank of America, N.A., as Documentation Agent and PNC Bank National Association, as Green Loan Coordinator. The ABL Credit Agreement amends and restates the prior ABL Credit Agreement dated as of May 3, 2019 by and among the financial institutions from time to time party thereto as lenders, the Agent and the Credit Parties party thereto such that the terms and conditions of the prior credit agreement have been subsumed and replaced in their entirety by the terms and conditions of the ABL Credit Agreement, including the amount available under the revolving credit facility. The terms of the ABL Credit Agreement are summarized below.

The ABL Credit Agreement provides for a senior secured revolving credit facility in an aggregate principal amount of up to \$300.0 million. The maximum borrowing capacity under the ABL Credit Agreement is determined by a formula and may fluctuate depending on the value of the collateral included in such formula at the time of determination.

The ABL Credit Agreement contains a green loan option where the Company can borrow at the lower interest rates described below so long as such funds are used to fund capital investments related to renewable energy and clean transportation projects and are consistent with green loan principles. The green loan option is subject to a \$35.0 million sublimit.

The ABL Credit Agreement contains customary representations and affirmative and negative covenants, including a springing financial covenant that requires the Credit Parties to maintain a fixed charge coverage ratio (ratio of earnings before income taxes, depreciation and amortization, net interest expenses, non-cash charges and losses and certain other non-recurring charges, minus capital expenditures, income and franchise taxes, to net cash interest expense plus scheduled cash principal payments with respect to debt plus restricted payments paid in cash) of not less than 1.10 to 1.00. The springing financial covenant is triggered when the undrawn availability of the ABL Credit Agreement is less than 12.5% of the maximum loan amount for five consecutive days. The ABL Credit Agreement also contains customary events of default (including non-payment of principal or interest on any material debt and breaches of covenants) as well as events of default relating to certain actions by the Company’s surety bonding providers. The obligations of the Credit Parties under the ABL Credit Agreement are unconditionally guaranteed, on a joint and several basis, by each existing and subsequently acquired or formed material direct and indirect domestic subsidiary of the Company. Borrowings under the ABL Credit Agreement will be used to pay fees and expenses related to the ABL Credit Agreement, finance acquisitions permitted under the ABL Credit Agreement, finance ongoing working capital, for other general corporate purposes, and with respect to any green loan, fund capital investments related to renewable energy and clean transportation projects. The ABL Credit Agreement matures on the earlier of July 29, 2027 or the date that is ninety-one (91) days prior to the scheduled maturity date of the Company’s unsecured senior notes, which is currently June 1, 2029, if the Company fails to refinance its unsecured senior notes prior to their scheduled maturity date but only if such scheduled maturity date is prior to the maturity date of the ABL Credit Agreement.

The obligations under the ABL Credit Agreement are secured by substantially all of the assets of the Credit Parties. The outstanding obligations thereunder shall be secured by a valid first priority perfected lien on substantially all of the U.S. flagged and located vessels of the Credit Parties and a valid perfected lien on all domestic accounts receivable and substantially all other assets of the Credit Parties, subject to the permitted liens and interests of other parties (including the Company’s surety bonding providers).

The Company had \$5.0 million and \$35.0 million borrowings on the revolver as of June 30, 2025 and December 31, 2024, respectively. There were \$56.3 million and \$43.5 million letters of credit outstanding as of June 30, 2025 and December 31, 2024, respectively. The Company had \$268.3 million and \$221.2 million of availability under the ABL Credit Agreement as of June 30, 2025 and December 31, 2024, respectively. Availability was suppressed by \$0.4 million and \$0.3 million as of June 30, 2025 and December 31, 2024, as a result of certain limitations of borrowing related to reserves and compliance with the Company’s obligations set forth in the ABL Credit Agreement.

Capitalized terms used but not defined herein in Note 5, Long-term debt, shall have the meanings ascribed to such terms in the Second Lien Credit Agreement and the ABL Amendment, as applicable.

Senior notes and subsidiary guarantors

In May 2021, the Company sold \$325.0 million of unsecured 5.25% Senior Notes (the “2029 Notes”) pursuant to a private offering. The 2029 Notes were priced to investors at par and will mature on June 1, 2029. The Company used the net proceeds from the offering, together with cash on hand, to redeem all \$325.0 million aggregate principal amount of its outstanding 8.00% Senior Notes due 2022.

The Company’s obligations under these 2029 Notes are guaranteed by each of the Company’s existing and future 100% owned domestic subsidiaries that are co-borrowers or guarantors under the ABL Credit Agreement. Such guarantees are full, unconditional and joint and several. The parent company issuer has no independent assets or operations and all non-guarantor subsidiaries have been determined to be minor.

The weighted average interest rates on the Company’s outstanding borrowings, after adjusting for the effects of interest rate swaps, were 6.80%, and 6.77% as of June 30, 2025 and December 31, 2024, respectively.

6. Fair value measurements

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. A fair value hierarchy has been established by GAAP that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The accounting guidance describes three levels of inputs that may be used to measure fair value:

Level 1—Quoted prices in active markets for identical assets or liabilities.

Level 2—Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3—Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The Company is exposed to counterparty credit risk associated with non-performance of its various derivative instruments. The Company’s risk would be limited to any unrealized gains on current positions. To help mitigate this risk, the Company transacts only with counterparties that are rated as investment grade or higher. In addition, all counterparties are monitored on a continuous basis.

The Company utilizes the market approach to measure fair value for its financial assets and liabilities. The market approach uses prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities. At times, the Company holds certain derivative contracts that it uses to manage commodity price risk, foreign currency risk or interest rate risk. The Company does not hold or issue derivatives for speculative or trading purposes. The fair values of these financial instruments are summarized as follows:

	Fair Value Hierarchy Levels	Fair Value at			
		June 30, 2025		December 31, 2024	
		Assets	Liabilities	Assets	Liabilities
Derivatives designated as cash flow hedging instruments:					
Fuel hedge contracts	2	\$ —	\$ 454	\$ —	\$ 1,065
Interest rate swaps	2	—	109	217	—
Total derivatives		\$ —	\$ 563	\$ 217	\$ 1,065

Fuel hedge contracts

The Company is exposed to certain market risks, primarily commodity price risk as it relates to diesel fuel purchase requirements, which occur in the normal course of business. The Company enters into heating oil commodity swap contracts to hedge the risk that fluctuations in diesel fuel prices could have an adverse impact on cash flows associated with its domestic dredging contracts. The Company’s goal is to hedge approximately 90% of the eligible fuel requirements for work in dredging backlog.

As of June 30, 2025, the Company was party to various swap arrangements to hedge the price of a portion of its diesel fuel purchase requirements for work in its backlog to be performed through December 2026. As of June 30, 2025, there were 15.8 million gallons remaining on these contracts representing forecasted domestic fuel purchases through December 2026. Under these swap agreements, the Company will pay fixed prices ranging from \$2.03 to \$2.66 per gallon.

At June 30, 2025 and December 31, 2024, the fair value liabilities of the fuel hedge contracts were estimated to be \$0.5 million and \$1.1 million, respectively, and are recorded in accrued expenses in the condensed consolidated balance sheets. For fuel hedge contracts considered to be highly effective, the losses reclassified to earnings from changes in fair value of derivatives, net of cash settlements and taxes, for the six months ended June 30, 2025 were \$0.6 million. The remaining gains and losses included in accumulated other comprehensive loss at June 30, 2025 will be reclassified into earnings over the next eighteen months, corresponding to the period during which the hedged fuel is expected to be utilized. Changes in the fair value of fuel hedge contracts not considered highly effective are recorded as cost of contract revenues in the condensed consolidated statements of operations. The fair values of fuel hedges are corroborated using inputs that are readily observable in public markets; therefore, the Company determines fair value of these fuel hedges using Level 2 inputs.

Foreign currency exchange hedge contracts

The Company is exposed to certain market risks, including foreign currency exchange rate risks related to the purchase of new vessel build materials in Europe. The Company sometimes enters into foreign currency exchange forward contracts to hedge the risk that fluctuations in the Euro in relation to the U.S. Dollar could have an adverse impact on cash flows associated with its equipment builds.

The Company did not have any foreign currency exchange hedge contracts as of June 30, 2025 or December 31, 2024. The Company was party to various foreign exchange forward contract arrangements to hedge the purchase of materials through November 2024. Under these hedge contracts, the Company paid fixed prices ranging from \$1.01 to \$1.13 per Euro.

For foreign currency exchange hedge contracts considered to be highly effective, the losses reclassified to earnings from changes in fair value of derivatives, net of cash settlements and taxes, for the six months ended June 30, 2024 were \$42. Changes in the fair value of foreign currency exchange hedge contracts not considered highly effective are recorded as other expenses in the condensed consolidated statements of operations. The fair values of foreign currency exchange hedges are corroborated using inputs that are readily observable in public markets; therefore, the Company determines the fair value of these foreign currency exchange hedges using Level 2 inputs.

Interest rate swaps

The Company is exposed to certain market risks, including interest rate risks related to the floating interest rates on its variable rate debt. The Company has entered into interest rate swaps to convert a portion of its variable rate debt into fixed-rate debt and hedge the risk that fluctuations in interest rates could have an adverse impact on net interest expense.

As of June 30, 2025, the Company was party to two interest rate swaps with a total notional value of \$75 million effective August 5, 2024 and a maturity date of August 24, 2026. Under these interest rate swaps, the Company will pay a weighted average fixed rate of 3.87% on the notional amount and receive payments from the counterparty based on the 30-day SOFR rate, effectively modifying the Company's exposure to interest rate risk by converting a portion of its floating-rate debt to a weighted average fixed interest rate of 11.62%.

As of June 30, 2025 the fair value liability of the Company's interest rate swaps was \$109 and is recorded in accrued expenses in the condensed consolidated balance sheets. For interest rate swaps considered to be highly effective, the gains reclassified to earnings from changes in fair value of derivatives, net of cash settlements and taxes, for the six months ended June 30, 2025 were \$132. The remaining gains and losses included in accumulated other comprehensive loss at June 30, 2025 will be reclassified into earnings over the next fourteen months, corresponding to the period during which the interest rate swap is expected to be utilized. Changes in the fair value of interest rate swaps not considered highly effective are recorded as interest expense in the condensed consolidated statements of operations. The fair values of interest rate swaps are corroborated using inputs that are readily observable in public markets; therefore, the Company determines the fair value of these interest rate swaps using Level 2 inputs.

Other financial instruments

The carrying value of financial instruments included in current assets and current liabilities approximates fair value due to the short-term maturities of these instruments. Based on timing of the cash flows and comparison to current market interest rates, the carrying values of the ABL Credit Agreement and Second Lien Credit Agreement approximate fair value at June 30, 2025. In May 2021, the Company sold \$325.0 million of the 2029 Notes, which were outstanding at June 30, 2025 (see Note 5, Long-term debt). The fair value of the 2029 Notes was \$312.3 million at June 30, 2025, which is a Level 1 fair value measurement as the senior notes' value was obtained using quoted prices in active markets. It is impracticable to determine the fair value of outstanding letters of credit or performance, bid and payment bonds due to uncertainties as to the amount and timing of future obligations, if any.

7. Share-based compensation

On May 8, 2025, the Company's stockholders approved the First Amendment to the Great Lakes Dredge & Dock Corporation 2021 Long-Term Incentive Plan (the "Plan Amendment"), which previously had been approved by the Company's board of directors subject to stockholder approval. The Plan Amendment revised the Incentive Plan (as defined below) to increase the number of shares available for issuance under the Incentive Plan by 3,000,000 shares.

On May 5, 2021, the Company's stockholders approved the Great Lakes Dredge & Dock Corporation 2021 Long-Term Incentive Plan (the "Incentive Plan"), which previously had been approved by the Company's board of directors subject to stockholder approval. The Incentive Plan replaced the 2017 Long-Term Incentive Plan (the "Prior Plan") and is largely based on the Prior Plan, but with updates to the available shares and other administrative changes. The Incentive Plan permits the granting of stock options, stock appreciation rights, restricted stock and restricted stock units to the Company's employees and directors for up to 1.5 million shares of common stock, plus the number of shares that remained available for future grant under the Prior Plan as of the effectiveness of the Incentive Plan.

The Prior Plan permitted the granting of stock options, stock appreciation rights, restricted stock and restricted stock units to the Company's employees and directors for up to 3.3 million shares of common stock, plus an additional 1.7 million shares underlying equity awards issued under the 2007 Long-Term Incentive Plan. The Company may also issue share-based compensation as inducement awards to new employees upon approval of the Company's board of directors and/or the applicable committee or committees thereof, as may be required.

During the six months ended June 30, 2025, the Company granted 538 thousand restricted stock units to certain employees. In addition, all non-employee directors on the Company's board of directors are paid a portion of their board-related compensation in stock grants or restricted stock units. Compensation cost charged to expense related to share-based compensation arrangements was \$3.4 million and \$1.8 million for the three months ended June 30, 2025 and 2024, respectively. Compensation cost charged to expense related to share-based compensation arrangements was \$5.3 million and \$2.6 million for the six months ended June 30, 2025 and 2024, respectively.

8. Revenue

At June 30, 2025, the Company had \$960.4 million of remaining performance obligations on dredging contracts, which the Company refers to as total dredging backlog. Total dredging backlog does not include \$215.4 million of domestic low bids pending formal award and additional phases ("options") pending on projects currently in dredging backlog at June 30, 2025. Additionally, the Company had \$52.4 million of remaining performance obligations and \$14.5 million of contracts and options pending award related to offshore energy contracts. Approximately 40% of the Company's dredging backlog at June 30, 2025 is expected to be completed during the remainder of 2025, with the remaining balance expected to be mostly completed in 2026.

Revenue by category

The following series of tables presents the Company's revenue disaggregated by several categories.

Domestically, the Company's work generally is performed in coastal waterways and deep-water ports. The U.S. dredging market consists of three primary types of work: capital, coastal protection and maintenance. Foreign projects typically involve capital work.

At June 30, 2025 and December 31, 2024, costs to fulfill contracts with customers recognized as other noncurrent assets were \$1.9 million and \$7.6 million, respectively. These costs relate to pre-contract and pre-construction activities. During the three and six months ended June 30, 2025, the Company amortized \$5.8 million and \$9.2 million of pre-construction costs, respectively. During the three and six months ended June 30, 2024, the Company amortized \$4.0 million and \$8.4 million of pre-construction costs, respectively.

9. Commitments and contingencies

Commercial commitments

Performance and bid bonds are customarily required for dredging and marine construction projects. The Company has bonding agreements with Liberty Mutual Insurance Company, Philadelphia Indemnity Insurance Company, Ascot Insurance Companies and AXIS Insurance Company under which the Company can obtain performance, bid and payment bonds. The Company also currently has outstanding bonds with ACE Holdings, Travelers Casualty and Surety Company of America, Berkley Insurance Company and Zurich American Insurance Company. Bid bonds are generally obtained for a percentage of bid value and amounts outstanding typically range from \$1.0 million to \$10.0 million. At June 30, 2025, the Company had outstanding performance bonds with a notional amount of approximately \$1.3 billion. The revenue value remaining in dredging backlog related to the outstanding performance bonds totaled approximately \$651.9 million.

Certain foreign projects performed by the Company have warranty periods, typically spanning between one to three years beyond project completion, whereby the Company retains responsibility to maintain the project site to certain specifications during the warranty period. Generally, any potential liability of the Company is mitigated by insurance, shared responsibilities with consortium partners, and/or recourse to owner-provided specifications.

Legal proceedings and other contingencies

As is customary with negotiated contracts and modifications or claims to competitively bid contracts with the federal government, the government has the right to audit the books and records of the Company to ensure compliance with such contracts, modifications, or claims, and the applicable federal laws. The government has the ability to seek a price adjustment based on the results of such audit. Any such audits have not had, and are not expected to have, a material impact on the financial position, operations, or cash flows of the Company.

Various legal actions, claims, assessments and other contingencies arising in the ordinary course of business are pending against the Company and certain of its subsidiaries. The Company will defend itself vigorously on all matters. These matters are subject to many uncertainties, and it is possible that some of these matters could ultimately be decided, resolved, or settled adversely to the Company. Although the Company is subject to various claims and legal actions that arise in the ordinary course of business, the Company is not currently a party to any material legal proceedings or environmental claims. The Company records an accrual when it is probable a liability has been incurred and the amount of loss can be reasonably estimated. The Company does not believe any of its proceedings, individually or in the aggregate, would be expected to have a material effect on results of operations, cash flows or financial condition.

Lease obligations

The Company leases certain operating equipment and office facilities under long-term operating and financing leases expiring at various dates through 2030. The equipment leases contain renewal or purchase options that specify prices at the then fair value upon the expiration of the lease terms. The leases also contain default provisions that are triggered by an acceleration of debt maturity under the terms of the ABL Credit Agreement, or, in certain instances, cross default to other equipment leases and certain lease arrangements require that the Company maintain certain financial ratios comparable to those required by the ABL Credit Agreement. Additionally, the leases typically contain provisions whereby the Company indemnifies the lessors for the tax treatment attributable to such leases based on the tax rules in place at lease inception. The tax indemnifications do not have a contractual dollar limit. To date, no lessors have asserted any claims against the Company under these tax indemnification provisions.

10. Segment information

The Company reports segment information based on the management approach which designates the internal reporting used by the Chief Operating Decision Maker (“CODM”), which is the Company’s Chief Executive Officer, for making decisions and assessing performance as the source of the Company’s reportable segments. The Company has determined it has one reportable segment: dredging.

As the Company operates in one reportable segment, the CODM is provided financial reports which include (i) a consolidated statement of operations, (ii) plant expenses (as described below), (iii) a summary of contract revenues by work type and backlog by customer type, (iv) a consolidated balance sheet and (v) a contract analysis of revenues and margins by project. These financial reports assist the CODM in assessing the Company’s financial performance and in allocating resources appropriately.

The dredging segment provides dredging services, which generally involves the enhancement or preservation of the navigability of waterways or the protection of shorelines through the removal or replenishment of soil, sand or rock. The Company derives its revenue primarily in the United States and manages its business activities on a consolidated basis. The accounting policies of the dredging segment are the same as those described in the summary of significant accounting policies. The measure of segment assets is reported on the consolidated balance sheet as total consolidated assets. The CODM uses net income and Adjusted EBITDA to evaluate income generated from segment assets in deciding whether to reinvest profits into the operating segment or into other parts of the entity. Net income and Adjusted EBITDA are used to monitor budgeted versus actual results and to assess performance of the segment.

Net income from the Company's reportable segment is as follows:

	Three Months Ended June 30,		Six Months Ended June 30,	
	2025	2024	2025	2024

General

Great Lakes is the largest provider of dredging services in the United States which is complemented with a long history of performing significant international projects. The Company is also fully engaged in expanding its core business into the offshore energy industry. The Company operates in one operating segment, which is also the Company’s one reportable segment and reporting unit.

Dredging generally involves the enhancement or preservation of the navigability of waterways or the protection of shorelines through the removal or replenishment of soil, sand or rock. Domestically, the Company’s work generally is performed in coastal waterways and deep water ports. The U.S. dredging market consists of three primary types of work: capital, coastal protection and maintenance.

Due to its lower materiality relative to the Company’s overall operations, projects previously presented as rivers & lakes are now included in maintenance dredging throughout. Prior periods presented herein have been updated to conform to the current presentation. These projects typically consist of lake and river dredging, inland levee and construction dredging, environmental restoration and habitat improvement and other marine construction projects.

The Company’s bid market is defined as the aggregate dollar value of domestic dredging projects on which the Company bid or could have bid if not for capacity constraints or other considerations (“bid market”). The Company experienced an average combined bid market share in the U.S. of 31% over the three-year period ended December 31, 2024, including 28%, 59% and 19% of the capital, coastal protection and maintenance sectors, respectively, exclusive of liquefied natural gas (“LNG”) projects.

The Company’s largest domestic customer is the U.S. Army Corps of Engineers (the “Corps”), which has responsibility for federally funded projects related to navigation and flood control of U.S. waterways. In the first six months of 2025, the Company’s revenues earned from contracts with federal government agencies, including the Corps as well as other federal entities such as the U.S. Coast Guard and the U.S. Navy, were approximately 52% of revenues, which is below the average of the three-year period ended December 31, 2024 of 65%. The decrease in the federal government revenue percentage is a result of additional revenues from private customers in the first six months of 2025.

The Company's vessels are subject to periodic regulatory dry dock inspections to verify that the vessels have been maintained in accordance with the rules of the U.S. Coast Guard and the American Bureau of Shipping ("ABS") and that recommended repairs have been satisfactorily completed. Regulatory dry dock frequency is a statutory requirement mandated by the U.S. Coast Guard and the ABS. The Company's vessels undergo regulatory dry-docks every two to three years or every five years, depending on the vessel type and may also go into dry dock on an as-needed basis for upgrades, maintenance and repairs. During the second quarter of 2025, the Company commenced regulatory dry dock inspections on two dredges, and completed the regulatory dry dock inspections that commenced on two dredges during the first quarter of 2025. By comparison, during the second quarter of 2024 the Company commenced and completed regulatory dry dock inspections on two dredges, and completed the regulatory dry dock inspection that commenced during the first quarter of 2024. The Company has regulatory dry dock inspections planned for a total of seven dredges during 2025. As of the end of the second quarter of 2025, the Company began marketing the previously cold stacked dredge for sale and reclassified it to other current assets in the condensed consolidated balance sheets as of June 30, 2025.

While the Company continues to reinvest in our core dredging business and renew our dredging fleet, we remain steadfast in our commitment to executing a long-term strategy that maximizes growth opportunities for the Company.

We believe that Great Lakes has established a unique business position with our subsea rock installation ("SRI") vessel, the *Acadia*, the first and only Jones Act SRI vessel being constructed in the United States, targeting the offshore wind, oil and gas and power and telecommunication industries, both domestically and internationally. In July 2025 the *Acadia* was launched and is expected to be delivered and operational in 2026. The *Acadia* has secured offshore wind rock placement contracts for Equinor's Empire Wind 1 and Ørsted's Sunrise Wind projects to protect foundations and cables. In addition, during the fourth quarter of 2024, we signed a vessel reservation agreement for the *Acadia* for another wind project in the United States.

On April 16, 2025, the Bureau of Ocean Energy Management issued a temporary pause for Equinor's Empire Wind 1 project. The pause was resolved shortly thereafter and the project has resumed in accordance with its schedule, which is part of our Offshore Energy backlog. We have secured full utilization of the *Acadia* for 2026 and are currently bidding work for the *Acadia* for 2027 and beyond.

We believe offshore wind remains an important part of the array of technologies required for the U.S. to meet the increasing demand for energy of the U.S. electrical grid. However, in anticipation of delays in U.S. offshore wind projects, we proactively expanded the *Acadia*'s strategic target markets to include oil and gas pipeline protection, power and telecommunications cable protection, and international offshore wind. This diversification has enabled the evolution of our offshore wind division into a broader Offshore Energy platform. Our strategy is supported by a global shortage of rock placement vessels, and we are actively pursuing opportunities across these sectors to ensure strong and sustained utilization of the *Acadia* well into the future.

On July 4, 2025, the One Big Beautiful Bill Act (OBBBA) was signed into law, which, among other things, accelerated the phaseout or termination of certain energy tax credits added by the Inflation Reduction Act of 2022. These changes could lead to delayed or reduced investment by developers in the U.S. offshore wind industry. As previously stated, the Company had anticipated potential headwinds to domestic offshore wind development and proactively looked to diversify both the sectors and geographical regions which the *Acadia* can serve.

We expect to continue to build our offshore energy capabilities, bid on SRI projects and position the Company for growth in the offshore energy markets, as many of our European competitors have done in the international offshore energy markets.

Results of operations

The following table sets forth the components of net income and Adjusted EBITDA, as defined below, as a percentage of contract revenues for the three and six months ended June 30, 2025 and 2024. The selected financial data presented below have been derived from the Company's condensed consolidated financial statements; items may not sum due to rounding.

Net income	4.9	4.4	9.8	7.7
Adjusted EBITDA	14.4%	15.2%	20.2 %	18.6 %

Adjusted EBITDA, as provided herein, represents net income from continuing operations, adjusted for net interest expense, income taxes, depreciation and amortization expense, debt extinguishment, accelerated maintenance expense for new international deployments, goodwill or asset impairments and gains on bargain purchase acquisitions. Adjusted EBITDA from continuing operations is not a measure derived in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The Company presents Adjusted EBITDA as an additional measure by which to evaluate the Company's operating trends. The Company believes that Adjusted EBITDA is a measure frequently used to evaluate performance of companies with substantial leverage and that the Company's primary stakeholders (i.e., its stockholders, bondholders and banks) use Adjusted EBITDA to evaluate the Company's period to period performance. Additionally, management believes that Adjusted EBITDA provides a transparent measure of the Company's recurring operating performance and allows management to readily view operating trends, perform analytical comparisons and identify strategies to improve operating performance. For this reason, the Company uses a measure based upon Adjusted EBITDA to assess performance for purposes of determining compensation under the Company's incentive plan. Adjusted EBITDA should not be considered an alternative to, or more meaningful than, amounts determined in accordance with GAAP including: (a) operating income as an indicator of operating performance; or (b) cash flows from operations as a measure of liquidity. As such, the Company's use of Adjusted EBITDA, instead of a GAAP measure, has limitations as an analytical tool, including the inability to determine profitability or liquidity due to the exclusion of accelerated maintenance expense for new international deployments, goodwill or asset impairments, gains on bargain purchase acquisitions, net interest expense and income tax expense and the associated significant cash requirements and the exclusion of depreciation and amortization, which represent significant and unavoidable operating costs given the level of indebtedness and capital expenditures needed to maintain the Company's business. For these reasons, the Company uses net income to measure the Company's operating performance and uses Adjusted EBITDA only as a supplement. For the three and six months ended June 30, 2025 and 2024, the Company did not have any adjustments to EBITDA as defined herein. As such, the amounts presented as Adjusted EBITDA herein also represent EBITDA for the periods presented. The following is a reconciliation of Adjusted EBITDA to net income from continuing operations of the Company:

(in thousands)	Three Months Ended June 30,		Six Months Ended June 30,	
	2025	2024	2025	2024
Net income	\$ 9,695	\$ 7,673	\$ 43,111	\$ 28,697
Adjusted for:

Depreciation and amortization	10,644	11,108	21,175	22,128
Adjusted EBITDA	\$ 27,977	\$ 25,821	\$ 88,085	\$ 68,745

The Company's contract revenues by type of work, for the periods indicated, were as follows:

Revenues (in thousands)	Three Months Ended June 30,			Six Months Ended June 30,		
	2025	2024	Change	2025	2024	Change
Capital	\$ 105,674	\$ 70,747	49.4%	\$ 196,492	\$ 140,647	39.7%
Coastal protection	65,227	70,195	(7.1)%	185,831	134,121	38.6%
Maintenance	22,854	29,144	(21.6)%	54,297	93,978	(42.2)%
Total revenues	\$ 193,755	\$ 170,086	13.9%	\$ 436,620	\$ 368,746	18.4%

Total revenue was \$193.8 million for the three months ended June 30, 2025, up \$23.7 million, or 14%, from \$170.1 million for the same period in the prior year. For the six months ended June 30, 2025, total revenue was \$436.6 million, up \$67.9 million, or 18%, from \$368.7 million for the same period in the prior year. For the three and six months ended June 30, 2025, the Company experienced a significant increase in capital revenues as compared to the same period in the prior year, driven by strong project performance combined with high utilization, despite having five dredges undergoing regulatory drydockings at various times during the current year period. For the six months ended June 30, 2025, the Company experienced an increase in coastal protection revenues when compared to the prior year period. These increases were partially offset by a decrease in maintenance revenues during the three and six months ended June 30, 2025 and a decrease in coastal protection revenues during the three months ended June 30, 2025.

Capital dredging consists primarily of port expansion projects, which involve the deepening of channels and berthing basins to allow access by larger, deeper draft ships and the provision of land fill used to expand port facilities. This work also includes projects to prepare ports and channels for access by larger vessels into LNG terminals. In addition to port and LNG work, capital projects also include coastal restoration and land reclamations, trench digging for pipelines, tunnels and cables, and other dredging related to the construction of breakwaters, jetties, canals and other marine structures. For the three months ended June 30, 2025, capital dredging revenue was \$105.7 million, up \$35.0 million, or 49%, compared to \$70.7 million for the same period in 2024. For the six months ended June 30, 2025, capital dredging revenue was \$196.5 million, up \$55.9 million, or 40%, compared to \$140.6 million for the same period in 2024. The increase in capital dredging revenues for the three and six months ended June 30, 2025 was mostly due to a higher amount of revenue earned on projects in Texas and Alabama in the current year periods when compared to the same periods in the prior year. This increase is partially offset by a decrease in revenue earned on projects in Virginia in the current year.

Coastal protection projects involve moving sand from the ocean floor to shoreline locations where erosion threatens shoreline assets. Coastal protection revenue for the quarter ended June 30, 2025 was \$65.2 million, a decrease of \$5.0 million, or 7%, compared to \$70.2 million in the prior year period. The decrease in coastal protection revenue for the three months ended June 30, 2025 was attributable to a decrease in the amount of revenue earned on projects in Alabama and Florida in the current year when compared to the prior year period. This decrease was partially offset by higher revenue earned on projects in New York, New Jersey, Louisiana and Massachusetts in the current quarter. For the six months ended June 30, 2025, coastal protection revenue was \$185.8 million, and increase of \$51.7 million, or 39%, compared to \$134.1 million for the same period in 2024. The increase is attributable to an increase in the amount of revenue earned on projects in New York, New Jersey, Louisiana and Massachusetts in the current year when compared to the prior year period. This increase was partially offset by lower revenue earned on projects in Alabama and Florida in the current year.

Maintenance dredging consists of the re-dredging of previously deepened waterways and harbors to remove silt, sand and other accumulated sediments. Due to natural sedimentation, most channels generally require maintenance dredging every one to three years, thus creating a recurring source of dredging work that is typically non-deferrable if optimal navigability is to be maintained. In addition, severe weather such as hurricanes, flooding and droughts can also cause the accumulation of sediments and drive the need for maintenance dredging. Maintenance revenue for the second quarter of 2025 was \$22.9 million, down \$6.2 million, or 22%, from \$29.1 million in the same period of 2024. The decrease in maintenance revenues for the three months ended June 30, 2025 was mostly attributable to a decrease in revenue earned on projects in Florida, Texas, Puerto Rico and Mississippi when compared with prior year periods. This decrease was partially offset by an increase in revenue earned on projects in Virginia, South Carolina and Louisiana in the current year period. For the six months ended June 30, 2025, maintenance revenue was \$54.3 million, down \$39.7 million, or 42%, from \$94.0 million in the same period of 2024. The decrease in maintenance revenues for the six months ended June 30, 2025 was mostly attributable to decrease in revenue earned on projects in Florida, Louisiana, Texas, Puerto Rico and Mississippi when compared with prior year period. This decrease was partially offset by an increase in revenue earned on projects in Virginia and South Carolina in the current year period.

Consolidated gross profit for the three months ended June 30, 2025 was \$36.6 million, up \$6.8 million, or 23%, compared to \$29.8 million in same period of 2024. Gross profit margin for the three months ended June 30, 2025 increased to 18.9% from 17.5% in the same period in the prior year. Consolidated gross profit for the six months ended June 30, 2025 was \$106.1 million, up \$30.7 million, or 41%, compared to \$75.4 million in same period of 2024. Gross profit margin for the six months ended June 30, 2025 increased to 24.3% from 20.5% in the same period in the prior year. The higher gross profit and profit margins experienced for the three and six months ended June 30, 2025 were driven by increased revenues as well as improved utilization and project performance. Additionally, the project mix during the current year period includes a larger proportion of higher margin capital and coastal protection projects than the same period in the prior year.

During the three and six months ended June 30, 2025, general and administrative expenses were \$19.5 million and \$39.5 million, respectively, compared to \$16.2 million and \$32.3 million, respectively, for the same period in the prior year. General and administrative expenses for the three and six months ended June 30, 2025 include higher incentive compensation and employee benefit expenses as compared to the same periods in the prior year.

Operating income for the second quarter of 2025 was \$17.1 million, up \$2.5 million from \$14.6 million in the same period of the prior year. Operating income for the six months ended June 30, 2025 was \$67.0 million, up \$20.9 million from \$46.1 million in the same period of the prior year. The increase in operating income for the three and six months ended June 30, 2025 was a result of higher gross profit in the current year periods when compared to the same periods in the prior year, partially offset by higher general and administrative expenses in the current year periods when compared to the same periods in the prior year. The increase in operating income during the six months ended June 30, 2025 was partially offset by a decrease in gains on the sale of assets in the current year period as compared to the prior year period.

For the three months ended June 30, 2025, net interest expense was \$4.2 million, unchanged compared to \$4.2 million for the same period in the prior year. Net interest expense for the six months ended June 30, 2025 was \$8.7 million, \$0.6 million higher than \$8.1 million in the prior year period. The increase in net interest expense for the three and six months ended June 30, 2025 was primarily due to interest on borrowings under the Second Lien Credit Agreement, executed during the second quarter of 2024, partially offset by a decrease in borrowings under the ABL Credit Agreement during the current year period.

Income tax provision for the three months ended June 30, 2025 was \$3.4 million compared to \$2.8 million for the same period in the prior year. For the six months ended June 30, 2025, income tax provision was \$15.1 million compared to \$9.8 million in the prior year period. The effective tax rate for the six months ended June 30, 2025 was 26.0%, while the effective tax rate for the same period of 2024 was 25.5%.

On July 4, 2025, the OBBBA was signed into law, which, among other things, includes a broad range of tax reform provisions that may affect the Company's financial results. The OBBBA allows an elective deduction for domestic research and development, permanent reinstatement of bonus depreciation on qualified property and modifications to the calculation for excess business interest expense limitation under §163(j) to the current tax estimate, among other provisions. The Company is currently evaluating the impact of these provisions. A quantitative estimate of the specific financial effects cannot be reasonably determined at this time due to the complexity of the changes in the tax reform. The impact of those tax provisions in the OBBBA will depend on our facts in each year and anticipated guidance from the U.S. Department of the Treasury.

Net income for the three months ended June 30, 2025 was \$9.7 million, up \$2.0 million from \$7.7 million in the same period in the prior year. Diluted earnings per share was \$0.14 per share for the three months ended June 30, 2025, compared to \$0.11 per share for the three months ended June 30, 2024. Net income for the six months ended June 30, 2025 was \$43.1 million, up \$14.4 million from \$28.7 million in the same period in the prior year. Diluted earnings per share was \$0.64 per share for the six months ended June 30, 2025, compared to \$0.42 per share for the six months ended June 30, 2024. The increase in net income for the three and six months ended June 30, 2025 was primarily driven by the substantial improvement to operating income in the current year period when compared to the same period in the prior year, partially offset by increases in net interest expense and the income tax provision in the current year period when compared to the same period in the prior year.

Adjusted EBITDA (as defined on page 23) for the three months ended June 30, 2025 was \$28.0 million, up \$2.2 million, from \$25.8 million in the same quarter in the prior year. For the six months ended June 30, 2025 Adjusted EBITDA was \$88.1 million, up \$19.4 million, from \$68.7 million in the same period in the prior year. The increase in Adjusted EBITDA during the three and six months ended June 30, 2025 was driven by the increase in gross profit, excluding depreciation partially offset by an increase in general and administrative expense.

Offshore energy	52,431	44,945	44,604
Total backlog	\$ 1,012,844	\$ 1,239,144	\$ 852,478

Total backlog does not include \$215.4 million of domestic low bids pending formal award and additional phases ("options") pending on projects currently in dredging backlog at June 30, 2025 or \$14.5 million of contracts and options pending award related to offshore energy contracts. The Company expects to perform on its offshore wind contracts using the *Acadia*, which was launched in July 2025 and is expected to be delivered and operational in 2026.

The Company's contract backlog represents our estimate of the revenues that will be realized under the portion of the contracts remaining to be performed. These estimates are based primarily upon the time and costs required to mobilize the necessary assets to and from the project site, the amount and type of material to be dredged and the expected production capabilities of the equipment performing the work. However, these estimates are necessarily subject to variances based upon actual circumstances. Because of these factors, as well as factors affecting the time required to complete each job, backlog is not always indicative of future revenues or profitability. Additionally, 50% of our June 30, 2025 dredging backlog relates to federal government contracts, which can be canceled at any time without penalty to the government, subject to our contractual right to recover our actual committed costs and profit on work performed up to the date of cancellation. Our backlog may fluctuate significantly from quarter to quarter based upon the type and size of the projects we are awarded from the bid market. A quarterly increase or decrease of our backlog does not necessarily result in an improvement or a deterioration of our business. Our backlog includes only those projects for which we have obtained a signed contract with the customer.

The Corps is operating in 2025 under a continuing resolution, enacted on March 15, 2025, which sustains the funding levels established in the prior fiscal year. Additionally, in 2023, the Disaster Relief Supplemental Appropriations Act included \$1.5 billion for the Corps to make necessary repairs to infrastructure impacted by hurricanes and other natural disasters, and to initiate beach renourishment projects that will increase coastal resiliency.

The Water Resources Development Act ("WRDA") is on a two-year renewal cycle and includes legislation that authorizes the financing of Corps' projects for studies, flood and hurricane protection, dredging, ecosystem restoration and other construction projects aimed at improving rivers and harbors in the United States. Previously WRDA of 2022 authorized deepening shipping channels in New York and New Jersey to 55 feet and advanced the Coastal Texas Protection and Restoration Program. In addition to the planned New York and New Jersey deepening, additional large-scale projects are expected to commence in the next two to three years in Tampa Bay, New Haven and Baltimore.

The domestic dredging bid market for the quarter ended June 30, 2025 was \$197.5 million, a \$583.5 million decrease compared to the same period in the prior year. The total domestic dredging bid market for the current year period included awards for four coastal protection projects and eight maintenance projects. The Company won 14% of the domestic dredging bids during the second quarter of 2025, which is below the Company's average of 31% for the three-year period ended December 31, 2024. The second quarter domestic dredging bid market total does not include LNG or offshore energy projects. Variability in contract wins from quarter to quarter is not unusual and one quarter's win rate is generally not indicative of the win rate the Company is likely to achieve for a full year.

The Company's contracted dredging backlog was \$1.0 billion at June 30, 2025 compared to \$1.2 billion of dredging backlog at December 31, 2024. Total dredging backlog does not include \$215.4 million of domestic low bids pending formal award and options pending on projects currently in dredging backlog at June 30, 2025. Additionally, it does not include \$14.5 million of options pending award related to offshore energy contracts. At December 31, 2024, the total dredging backlog does not include \$282.1 million of domestic low bids pending formal award and options pending on projects in dredging backlog or \$12.7 million of options pending award related to offshore energy contracts as of that date. Included in the Company's backlog at June 30, 2025 are three LNG projects, including the Brownsville Ship Channel project for Next Decade Corporation's Rio Grande LNG project, which is the largest project

undertaken in the Company's history, the Port Arthur LNG Phase 1 project for Marine Dredging and Disposal and the Woodside Louisiana LNG project. Dredging operations are expected to commence on the Woodside Louisiana LNG project in early 2026.

Capital dredging backlog at June 30, 2025 was \$751.4 million, a decrease of \$48.2 million from December 31, 2024. During the six months ended June 30, 2025, the Company continued to earn revenue on deepening projects in Texas and Alabama. These deepenings continue the trend of ensuring all East Coast and Gulf of America ports will be able to accommodate the deeper draft vessels currently used on several trade routes. The nation's governors continue to show commitment to their respective ports through engagement and funding. Finally, Congress has also shown a commitment to ports and waterways, providing record annual budgets for the Corps for port deepening and channel maintenance. In addition to this port work, a greater amount of coastal restoration and rehabilitation projects are being funded in the Gulf Coast region as the states utilize available monies for ecosystem priorities, a portion of which is allocated to dredging.

Coastal protection dredging backlog at June 30, 2025 was \$140.0 million, a decrease of \$188.1 million from December 31, 2024. During the six months ended June 30, 2025, the Company was awarded one coastal protection project for \$9.1 million in Florida. During the six months ended June 30, 2025, the Company continued to earn revenue on coastal protection projects in New York, New Jersey and Florida, which were in dredging backlog at December 31, 2024. Coastal protection and storm impacts continue to provide the major impetus for coastal project investment at federal and state levels. Strong hurricane and storm seasons have resulted in an increase in beach erosion and other damage which adds to the recurring nature of our business and the need for more frequent coastal protection and port maintenance projects.

Maintenance dredging backlog at June 30, 2025 was \$69.1 million, a decrease of \$2.5 million from December 31, 2024. During the six months ended June 30, 2025, the Company was awarded maintenance projects for \$53.8 million in Texas and Louisiana. During the six months ended June 30, 2025, the Company continued to earn revenue on projects in Virginia, South Carolina, Mississippi, Arkansas and Puerto Rico that were in dredging backlog or classified as low bids pending formal award and options pending at December 31, 2024.

Liquidity and capital resources

The Company continues to actively manage its liquidity. The Company's principal sources of liquidity are net cash flows provided by operating activities, proceeds from previous issuances of long-term debt, and draws on our revolver. The Company's principal uses of cash are to meet debt service requirements, finance capital expenditures, provide working capital and other general corporate purposes.

The Company's net cash provided by operating activities for the six months ended June 30, 2025 and 2024 was \$117.8 million and \$56.8 million, respectively. Normal increases or decreases in the level of working capital relative to the level of operational activity impact cash flow from operating activities. The increase in cash provided by operating activities during the six months ended June 30, 2025, relates primarily to higher current period earnings and an increase in billings in excess of contract revenues, partially offset by the increases in contract revenues in excess of billings, decreases in accounts payable and accrued expenses and other changes in working capital compared to the same period in the prior year.

The Company's net cash flows used in investing activities for the six months ended June 30, 2025 and 2024 were \$81.3 million and \$55.2 million, respectively. Investing activities primarily relate to investments in our new build program, normal course upgrades and capital maintenance of the Company's dredging fleet. During the six months ended June 30, 2025, the Company invested \$21.9 million in the *Amelia Island* and \$32.6 million in the *Acadia*, as well as maintenance capital expenditures. Additionally, we paid \$5.9 million during the current year period for previously accrued capital expenditures. These investments were partially offset by the disposition of certain equipment for approximately \$0.5 million during the current year.

The Company's net cash flows used in financing activities for the six months ended June 30, 2025 and 2024 totaled \$43.8 million and \$2.2 million, respectively. The increase in net cash flows used in financing activities is primarily due to the net repayments under the Company's revolving debt facility during the six months ended June 30, 2025 of \$30.0 million, compared to net repayments of \$90.0 million on the Company's revolving debt facility, largely offset by \$88.7 million borrowing from the Company's Second Lien Credit Agreement during six months ended June 30, 2024. Additionally, on March 14, 2025, the Company announced that its board of directors approved a share repurchase program, authorizing, but not obligating, the repurchase of up to an aggregate amount of \$50.0 million of its common stock from time to time through March 14, 2026. Of the approved amount under the share repurchase program, the Company repurchased 1,312,493 shares of common stock for approximately \$11.6 million in the aggregate during the six months ended June 30, 2025.

The Company expects to spend between approximately \$140 million and \$160 million, inclusive of capitalized interest, on capital expenditures in 2025 which is comprised of vessels in our new build program and maintenance capital expenditures. The Company anticipates that remaining new build program payments will be made with cash on hand, future cash flows generated from operations, revolver availability and potential new sources of financing.

Commitments, contingencies and liquidity matters

Refer to Note 5, Long-term debt, in the Notes to Condensed Consolidated Financial Statements for discussion of the Company's ABL Credit Agreement, Second Lien Credit Agreement and 2029 Notes. Additionally, refer to Note 9, Commitments and contingencies, in the Notes to Condensed Consolidated Financial Statements for discussion of the Company's surety agreements.

The availability of additional financing will depend on a variety of factors such as market conditions, the general availability of credit, the volume of trading activities, our credit ratings and credit capacity, as well as the possibility that customers or lenders could develop a negative perception of our long- or short-term financial prospects if the level of our business activity decreased due to a market downturn. If internal sources of liquidity prove to be insufficient, we may not be able to successfully obtain additional financing on favorable terms, or at all.

The Company believes its cash and cash equivalents, its anticipated cash flows from operations and availability under its revolving credit facility will be sufficient to fund the Company's operations, capital expenditures and the scheduled debt service requirements for the next twelve months. Beyond the next twelve months, the Company's ability to fund its working capital needs, planned capital expenditures, scheduled debt payments, potential share repurchases and dividends, if any, and to comply with all the financial terms and covenants required under the ABL Credit Agreement, Second Lien Credit Agreement and bonding agreements, depends on its future operating performance and cash flows, which in turn, are subject to prevailing economic conditions and to financial, business and other factors, some of which are beyond the Company's control.

Critical accounting policies and estimates

In preparing its consolidated financial statements, the Company follows GAAP, which is described in Note 1, Basis of presentation, to the Company's Consolidated Financial Statements included in the Company's Annual Report on Form 10-K for the year ended December 31, 2024. The application of these principles requires significant judgments or an estimation process that can affect the results of operations, financial position and cash flows of the Company, as well as the related footnote disclosures. The Company continually reviews its accounting policies and financial information disclosures. Except as noted in Note 1, Basis of presentation, of the Company's financial statements, there have been no material changes in the Company's critical accounting policies or estimates since December 31, 2024.

"Quantitative and Qualitative Disclosures about Market Risk" of the Company's Annual Report on Form 10-K for the year ended December 31, 2024.

Our disclosure controls and procedures are designed to ensure that information required to be disclosed in the reports that we file or submit under the Exchange Act (a) is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding disclosure and (b) is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms.

b) Changes in internal control over financial reporting.

Each Credit Party hereby reaffirms its obligations, liabilities, grants of security interests, pledges and the validity of all covenants by it contained in the First Restatement Credit Agreement and in any and all Other Documents, as amended, supplemented or otherwise modified by this Agreement and by the Other Documents delivered on the Closing Date. Any and all references in any Other Documents to the First Restatement Credit Agreement shall be deemed to be amended to refer to this Agreement.

In consideration of Agent and Lenders entering into this Agreement and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, as of the date hereof, each Credit Party, on behalf of itself and its successors, assigns, and its present and former members, managers, shareholders, affiliates, subsidiaries, divisions, predecessors, directors, officers, attorneys, employees, agents, legal representatives and other representatives, hereby absolutely, unconditionally and irrevocably releases, remises and forever discharges Agent, Issuer and Lenders, and their successors and assigns, and their respective present and former shareholders, members, managers, affiliates, subsidiaries, divisions, predecessors, directors, officers, attorneys, employees, agents, legal representatives and other representatives (Agent, Issuer, each Lender and all such other Persons being hereinafter referred to collectively as the "Releasees" and individually as a "Releasee"), of and from all demands, actions, causes of action, suits, covenants, contracts, controversies and any and all other claims, counterclaims, defenses, rights of set off, demands and liabilities whatsoever of every name and nature, known or unknown, suspected or unsuspected, both at law and in equity, which any Credit Party or any of its successors, assigns, or other legal representatives may now or hereafter own, hold, have or claim to have against the Releasees by reason of any circumstance, action, cause or thing whatsoever which occurred on or prior to the date of this Agreement, including, without limitation, for or on account of, or in relation to, or in any way in connection with the First Restatement Credit Agreement, the Other Documents or transactions directly related thereto between any Credit Party and the Releasees.

ADVANCES, PAYMENTS.

Revolving Advances.

Amount of Revolving Advances. Subject to the terms and conditions set forth in this Agreement specifically including Section 2.1(b), each Lender with a Revolving Commitment, severally and not jointly, will make Revolving Advances (including Green Loan Advances) to Borrowers in aggregate amounts outstanding at any time equal to such Lender's Revolving Commitment Percentage of the amount by which Availability exceeds the sum of the aggregate Dollar Equivalent of the Maximum Undrawn Amount of all outstanding Letters of Credit and the outstanding amount of Swing Loans; provided, that, with respect to Green Loan Advances, (1) the aggregate amount of Green Loan Advances from such Lender shall not exceed such Lender's Revolving Commitment Percentage of the Green Loan Sublimit, and (2) the aggregate amount of Green Loan Advances from all Lenders shall not exceed the Green Loan Sublimit.

For purposes hereof, the "Gross Amount" shall mean as of any date of determination the lesser of (y) the Maximum Revolving Advance Amount, and (z) an amount equal to the sum of:

the sum of up to eighty-five percent (85%) (the "Receivables Advance Rate") of Eligible Receivables, plus

up to (A) the Fleet Assets Advance Rate (Domestic) in effect as of such date multiplied by the Net Orderly Liquidation Value (as evidenced by the most recent Acceptable Appraisal) of Eligible Fleet Assets flagged and operating in the United States, and (B) the Fleet Assets Advance Rate (Foreign) in effect as of such date multiplied by the Net Orderly Liquidation Value (as evidenced by the most recent Acceptable Appraisal) of Eligible Fleet Assets flagged and/or operating outside of the United States, plus

up to eighty-five percent (85%) of the invoice cost (net of freight, taxes, delivery, installation and other "soft costs") of Eligible New Fleet Assets (the "New Fleet Assets Advance Rate"; the New Fleet Assets Advance Rate, together with the Receivables Advance Rate, the Fleet Assets Advance Rate (Domestic), and the Fleet Assets Advance Rate (Foreign), collectively, the "Advance Rates");

provided, that (A) availability attributable to Eligible Fleet Assets and Eligible New Fleet Assets flagged under and/or located in foreign jurisdictions shall not at any time exceed the Foreign Fleet Assets Maximum Amount, and (B) Agent may establish reserves (including without limitation reserves related to Cash Management Liabilities and Hedge Liabilities) against the Formula Amount as Agent may reasonably deem proper and necessary in its Permitted Discretion from time to time but such reserves shall not be duplicative of any reserves established against the Gross Amount.

The amount derived in Section 2.1(a)(z) at any time and from time to time shall be referred to as the "Formula Amount". The Revolving Advances shall be evidenced by one or more secured promissory notes (collectively, the "Revolving Credit Note") substantially in the form attached hereto as Exhibit 2.1(a). Notwithstanding anything to the contrary contained in the foregoing or otherwise in this Agreement, the sum of the aggregate Dollar Equivalent of the Maximum Undrawn Amount of all outstanding Letters of Credit, the outstanding aggregate principal amount of Swing Loans and the Revolving Advances at any one time outstanding shall not exceed an amount equal to the Availability at such time.

Discretionary Rights. The Advance Rates may be adjusted by Agent at any time and from time to time in the exercise of its Permitted Discretion; provided, that at no time may any Advance Rate be increased by Agent to an amount in excess of such Advance Rate as of the Closing Date. Each Borrower consents to any such adjustments and acknowledges that adjusting the Advance Rates or increasing or imposing reserves may limit or restrict Advances requested by Borrowing Agent.

Procedures for Requesting Revolving Advances.

Borrowing Agent on behalf of any Borrower may notify Agent prior to 1:00 p.m. on a Business Day of a Borrower's request to incur, on that day, a Revolving Advance hereunder. Each such borrowing request shall specify if such Revolving Advance constitutes a Green Loan Advance. Should any amount required to be paid as interest hereunder, or as fees or other charges under this Agreement or any other agreement with Agent or Lenders, or with respect to any other

Obligation under this Agreement, become due, same shall be deemed a request for a Revolving Advance maintained as a Domestic Rate Loan as of the date such payment is due, in the amount required to pay in full such interest, fee, charge or Obligation, and such request shall be irrevocable.

Notwithstanding the provisions of subsection (a) above, in the event any Borrower desires to obtain a Term SOFR Rate Loan for any Advance (other than a Swing Loan), Borrowing Agent shall give Agent written notice by no later than 1:00 p.m. on the day which is three (3) Business Days prior to the date such Term SOFR Rate Loan is to be borrowed, specifying (i) the date of the proposed borrowing (which shall be a Business Day), (ii) the type of borrowing and the amount of such Advance to be borrowed, which amount shall be in a minimum amount of \$1,000,000 and in integral multiples of \$500,000 thereafter, (iii) the duration of the first Interest Period therefor, and (iv) whether such Advance shall constitute a Green Loan Advance. Interest Periods for Term SOFR Rate Loans shall be for one, three or six months; provided that, if an Interest Period would end on a day that is not a Business Day, it shall end on the next succeeding Business Day unless such day falls in the next succeeding calendar month in which case the Interest Period shall end on the next preceding Business Day. At the election of Required Lenders, no Term SOFR Rate Loan shall be made available to any Borrower during the continuance of a Default or an Event of Default. After giving effect to each requested Term SOFR Rate Loan, including those which are converted from a Domestic Rate Loan under Section 2.2(e), there shall not be outstanding more than ten (10) Term SOFR Rate Loans, in the aggregate.

Each Interest Period of a Term SOFR Rate Loan shall commence on the date such Term SOFR Rate Loan is made and shall end on such date as Borrowing Agent may elect as set forth in subsection (b)(iii) above, provided that no Interest Period shall end after the last day of the Term.

Borrowing Agent shall elect the initial Interest Period applicable to a Term SOFR Rate Loan by its notice of borrowing given to Agent pursuant to Section 2.2(b) or by its notice of conversion given to Agent pursuant to Section 2.2(e), as the case may be. Borrowing Agent shall elect the duration of each succeeding Interest Period by giving irrevocable written notice to Agent of such duration not later than 1:00 p.m. on the day which is three (3) Business Days prior to the last day of the then current Interest Period applicable to such Term SOFR Rate Loan. If Agent does not receive timely notice of the Interest Period elected by Borrowing Agent, Borrowing Agent shall be deemed to have elected to convert such Term SOFR Rate Loan to a Domestic Rate Loan subject to Section 2.2(e) below.

Subject to Section 2.2(b) and the other provisions hereof, Borrowing Agent may, on the last Business Day of the then current Interest Period applicable to any outstanding Term SOFR Rate Loan, or on any Business Day with respect to Domestic Rate Loans, convert any such loan into a loan of another type in the same aggregate principal amount provided that any conversion of a Term SOFR Rate Loan shall be made only on the last Business Day of the then current Interest Period applicable to such Term SOFR Rate Loan. If Borrowing Agent desires to convert a loan, Borrowing Agent shall give Agent written notice by no later than 1:00 p.m. (i) on the day which is three (3) Business Days prior to the date on which such conversion is to occur with respect to a conversion from a Domestic Rate Loan to a Term SOFR Rate Loan, or (ii) on the day which is one (1) Business Day prior to the date on which such conversion is to occur (which date shall be the last Business Day of the Interest Period for the applicable Term SOFR Rate Loan)

with respect to a conversion from a Term SOFR Rate Loan to a Domestic Rate Loan, specifying, in each case, the date of such conversion, the loans to be converted and if the conversion is to a Term SOFR Rate Loan, the duration of the first Interest Period therefor.

At its option and upon written notice given prior to 1:00 p.m. at least three (3) Business Days prior to the date of such prepayment, any Borrower may, subject to Section 2.2(g) hereof, prepay the Term SOFR Rate Loans in whole at any time or in part from time to time with accrued interest on the principal being prepaid to the date of such repayment. Such Borrower shall specify the date of prepayment of Advances which are Term SOFR Rate Loans and the amount of such prepayment. In the event that any prepayment of a Term SOFR Rate Loan is required or permitted on a date other than the last Business Day of the then current Interest Period with respect thereto, such Borrower shall indemnify Agent and Lenders therefor in accordance with Section 2.2(g) hereof.

Each Borrower shall indemnify Agent and Lenders and hold Agent and Lenders harmless from and against any and all losses or expenses that Agent and Lenders may sustain or incur as a consequence of any prepayment, conversion of or any default by any Borrower in the payment of the principal of or interest on any Term SOFR Rate Loan or failure by any Borrower to complete a borrowing of, a prepayment of or conversion of or to a Term SOFR Rate Loan after notice thereof has been given, including, but not limited to, any interest payable by Agent or Lenders to lenders of funds obtained by it in order to make or maintain its Term SOFR Rate Loans hereunder. A certificate as to any additional amounts payable pursuant to the foregoing sentence submitted by Agent or any Lender to Borrowing Agent shall be conclusive absent manifest error.

Notwithstanding any other provision hereof, if any Applicable Law, treaty, regulation or directive, or any change therein or in the interpretation or application thereof, including without limitation any Change in Law, shall make it unlawful for Lenders or any Lender (for purposes of this subsection (h), the term "Lender" shall include any Lender and the office or branch where any Lender or any Person controlling such Lender makes or maintains any Term SOFR Rate Loans) to make or maintain its Term SOFR Rate Loans, the obligation of Lenders (or such affected Lender) to make Term SOFR Rate Loans hereunder shall forthwith be cancelled and Borrowers shall, if any affected Term SOFR Rate Loans are then outstanding, promptly upon request from Agent, either pay all such affected Term SOFR Rate Loans or convert such affected Term SOFR Rate Loans into loans of another type. If any such payment or conversion of any Term SOFR Rate Loan is made on a day that is not the last day of the Interest Period applicable to such Term SOFR Rate Loan, Borrowers shall pay Agent, upon Agent's request, such amount or amounts set forth in clause (g) above. A certificate as to any additional amounts payable pursuant to the foregoing sentence submitted by Lenders to Borrowing Agent shall be conclusive absent manifest error.

In addition, with respect to any borrowing request for a Green Loan Advance, such borrowing request shall include a certification by Borrowing Agent certifying as to the use of proceeds of such Green Loan Advance (including a description of the use thereof by type of Specified Green Investment Project) and certifying such use is consistent with the GLP.

[Intentionally Omitted].

Swing Loans.

Subject to the terms and conditions set forth in this Agreement, and in order to minimize the transfer of funds between Lenders and Agent for administrative convenience, Agent, Lenders holding Revolving Commitments and Swing Loan Lender agree that in order to facilitate the administration of this Agreement, Swing Loan Lender may, at its election and option made in its sole discretion cancelable at any time for any reason whatsoever, make swing loan advances ("Swing Loans") available to Borrowers as provided for in this Section 2.4 at any time or from time to time after the date hereof to, but not including, the expiration of the Term, in an aggregate principal amount up to but not in excess of the Maximum Swing Loan Advance Amount, provided that the sum of the aggregate Dollar Equivalent of the Maximum Undrawn Amount of all outstanding Letters of Credit, the outstanding aggregate principal amount of Swing Loans and the Revolving Advances at any one time outstanding shall not exceed an amount equal to the Availability at such time. All Swing Loans shall be Domestic Rate Loans only. Borrowers may borrow (at the option and election of Swing Loan Lender), repay and reborrow (at the option and election of Swing Loan Lender) Swing Loans and Swing Loan Lender may make Swing Loans as provided in this Section 2.4 during the period between Settlement Dates. All Swing Loans shall be evidenced by a secured promissory note (the "Swing Loan Note") substantially in the form attached hereto as Exhibit 2.4(a). Swing Loan Lender's agreement to make Swing Loans under this Agreement is cancelable at any time for any reason whatsoever and the making of Swing Loans by Swing Loan Lender from time to time shall not create any duty or obligation, or establish any course of conduct, pursuant to which Swing Loan Lender shall thereafter be obligated to make Swing Loans in the future.

Upon either (i) any request by Borrowing Agent for a Revolving Advance made pursuant to Section 2.2(a) hereof or (ii) the occurrence of any deemed request by Borrowers for a Revolving Advance pursuant to the provisions of the last sentence of Section 2.2(a) hereof, Swing Loan Lender may elect, in its sole discretion, to have such request or deemed request treated as a request for a Swing Loan, and may advance same day funds to Borrowers as a Swing Loan; provided that notwithstanding anything to the contrary provided for herein, Swing Loan Lender may not make Swing Loan Advances if (x) Borrowing Agent has requested a Term SOFR Rate Loan or (y) Swing Loan Lender has been notified by Agent or by Required Lenders that one or more of the applicable conditions set forth in Section 8.2 of this Agreement have not been satisfied or the Revolving Commitments have been terminated for any reason.

Upon the making of a Swing Loan (whether before or after the occurrence of a Default or an Event of Default and regardless of whether a Settlement has been requested with respect to such Swing Loan), each Lender holding a Revolving Commitment shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably purchased from Swing Loan Lender, without recourse or warranty, an undivided interest and participation in such Swing Loan in proportion to its Revolving Commitment Percentage. Swing Loan Lender or Agent may, at any time, require the Lenders holding Revolving Commitments to fund such participations by means of a Settlement as provided for in Section 2.6(d) below. From and after the date, if any, on which any Lender holding a Revolving Commitment is required to fund, and funds, its participation in any Swing Loans purchased hereunder, Agent shall promptly distribute to such Lender its Revolving Commitment Percentage of all payments of principal and interest and all proceeds of Collateral received by Agent in respect of such Swing Loan; provided that no Lender

holding a Revolving Commitment shall be obligated in any event to make Revolving Advances in an amount in excess of its Revolving Commitment Amount minus its Participation Commitment (taking into account any reallocations under Section 2.22) of the Dollar Equivalent of the Maximum Undrawn Amount of all outstanding Letters of Credit.

Disbursement of Advance Proceeds. All Advances shall be disbursed from whichever office or other place Agent may designate from time to time and, together with any and all other Obligations of Borrowers to Agent or Lenders, shall be charged to Borrowers' Account on Agent's books. The proceeds of each Revolving Advance or Swing Loan requested by Borrowing Agent on behalf of any Borrower or deemed to have been requested by any Borrower under Sections 2.2(a), 2.6(b) or 2.14 hereof shall, (i) with respect to requested Revolving Advances, to the extent Lenders make such Revolving Advances in accordance with Section 2.2(a), 2.6(b) or 2.14 hereof, and with respect to Swing Loans made upon any request by Borrowing Agent for a Revolving Advance to the extent Swing Loan Lender makes such Swing Loan in accordance with Section 2.4(b) hereof, be made available to the applicable Borrower on the day so requested by way of credit to such Borrower's operating account at PNC, or such other bank as Borrowing Agent may designate following notification to Agent so long as Agent has agreed to such other account, in immediately available federal funds or other immediately available funds or, (ii) with respect to Revolving Advances deemed to have been requested by any Borrower or Swing Loans made upon any deemed request for a Revolving Advance by any Borrower, be disbursed to Agent to be applied to the outstanding Obligations giving rise to such deemed request. During the Term, Borrowers may use the Revolving Advances and Swing Loans by borrowing, prepaying and reborrowing, all in accordance with the terms and conditions hereof.

Making and Settlement of Advances.

Each borrowing of Revolving Advances shall be in Dollars and advanced according to the applicable Revolving Commitment Percentages of Lenders holding the Revolving Commitments (subject to any contrary terms of Section 2.22). Each borrowing of Swing Loans shall be in Dollars and advanced by Swing Loan Lender alone.

Promptly after receipt by Agent of a request or a deemed request for a Revolving Advance pursuant to Section 2.2(a) and, with respect to Revolving Advances, to the extent Agent elects not to provide a Swing Loan or the making of a Swing Loan would result in the aggregate amount of all outstanding Swing Loans exceeding the maximum amount permitted in Section 2.4(a), Agent shall notify Lenders holding the Revolving Commitments of its receipt of such request specifying the information provided by Borrowing Agent and the apportionment among Lenders of the requested Revolving Advance as determined by Agent in accordance with the terms hereof. Each Lender shall remit the principal amount of each Revolving Advance to Agent (such that Agent is able to, and Agent shall, to the extent the applicable Lenders have made funds available to it for such purpose and subject to Section 8.2, fund such Revolving Advance to Borrowers in Dollars and immediately available funds) at the Payment Office prior to the close of business, on the applicable borrowing date; provided that if any applicable Lender fails to remit such funds to Agent in a timely manner, Agent may elect in its sole discretion to fund with its own funds the Revolving Advance of such Lender on such borrowing date, and such Lender shall be subject to the repayment obligation in Section 2.6(c) hereof.

Unless Agent shall have been notified by telephone, confirmed in writing, by any Lender holding a Revolving Commitment that such Lender will not make the amount which would constitute its applicable Revolving Commitment Percentage of the requested Revolving Advance available to Agent, Agent may (but shall not be obligated to) assume that such Lender has made such amount available to Agent on such date in accordance with Section 2.6(b) and may, in reliance upon such assumption, make available to Borrowers a corresponding amount. In such event, if a Lender has not in fact made its applicable Revolving Commitment Percentage of the requested Revolving Advance available to Agent, then the applicable Lender and Borrowers severally agree to pay to Agent on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to Borrowers through but excluding the date of payment to Agent, at (i) in the case of a payment to be made by such Lender, the greater of (A) (x) the daily average Federal Funds Effective Rate (computed on the basis of a year of three hundred sixty (360) days) during such period as quoted by Agent, times (y) such amount or (B) a rate determined by Agent in accordance with banking industry rules on interbank compensation, and (ii) in the case of a payment to be made by Borrower, the Revolving Interest Rate for Revolving Advances that are Domestic Rate Loans. If such Lender pays its share of the applicable Revolving Advance to Agent, then the amount so paid shall constitute such Lender's Revolving Advance. Any payment by Borrowers shall be without prejudice to any claim Borrowers may have against a Lender holding a Revolving Commitment that shall have failed to make such payment to Agent. A certificate of Agent submitted to any Lender or Borrower with respect to any amounts owing under this paragraph (c) shall be conclusive, in the absence of manifest error.

Agent, on behalf of Swing Loan Lender, shall demand settlement (a "Settlement") of all or any Swing Loans with Lenders holding the Revolving Commitments on at least a weekly basis, or on any more frequent date that Agent elects or that Swing Loan Lender at its option exercisable for any reason whatsoever may request, by notifying Lenders holding the Revolving Commitments of such requested Settlement by facsimile, telephonic or electronic transmission no later than 3:00 p.m. on the date of such requested Settlement (the "Settlement Date"). Subject to any contrary provisions of Section 2.22, each Lender holding a Revolving Commitment shall transfer the amount of such Lender's Revolving Commitment Percentage of the outstanding principal amount (plus interest accrued thereon to the extent requested by Agent) of the applicable Swing Loan with respect to which Settlement is requested by Agent, to such account of Agent as Agent may designate not later than 5:00 p.m. on such Settlement Date if requested by Agent by 3:00 p.m., otherwise not later than 5:00 p.m. on the next Business Day. Settlements may occur at any time notwithstanding that the conditions precedent to making Revolving Advances set forth in Section 8.2 have not been satisfied or the Revolving Commitments shall have otherwise been terminated at such time. All amounts so transferred to Agent shall be applied against the amount of outstanding Swing Loans and, when so applied shall constitute Revolving Advances of such Lenders accruing interest as Domestic Rate Loans. If any such amount is not transferred to Agent by any Lender holding a Revolving Commitment on such Settlement Date, Agent shall be entitled to recover such amount on demand from such Lender together with interest thereon as specified in Section 2.6(c).

If any Lender or Participant (a "Benefited Lender") shall at any time receive any payment of all or part of its Advances, or interest thereon, or receive any Collateral in respect thereof (whether voluntarily or involuntarily or by set-off) in a greater proportion than any such payment to and Collateral received by any other Lender, if any, in respect of such other Lender's

Advances, or interest thereon, and such greater proportionate payment or receipt of Collateral is not expressly permitted hereunder, such Benefited Lender shall purchase for cash from the other Lenders a participation in such portion of each such other Lender's Advances, or shall provide such other Lender with the benefits of any such Collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such Collateral or proceeds ratably with each of the other Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest. Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under Applicable Law, that each Lender so purchasing a portion of another Lender's Advances may exercise all rights of payment (including rights of set-off) with respect to such portion as fully as if such Lender were the direct holder of such portion, and the obligations owing to each such purchasing Lender in respect of such participation and such purchased portion of any other Lender's Advances shall be part of the Obligations secured by the Collateral, and the obligations owing to each such purchasing Lender in respect of such participation and such purchased portion of any other Lender's Advances shall be part of the Obligations secured by the Collateral.

Maximum Advances. The aggregate balance of the sum of the aggregate Dollar Equivalent of the Maximum Undrawn Amount of all outstanding Letters of Credit, the Revolving Advances, and the Swing Loans outstanding at any time shall not exceed the Availability at such time.

Manner and Repayment of Advances.

The Revolving Advances and Swing Loans shall be due and payable in full on the last day of the Term subject to earlier prepayment as herein provided. Notwithstanding the foregoing, all Advances shall be subject to earlier repayment upon (x) acceleration upon the occurrence of an Event of Default under this Agreement or (y) termination of this Agreement. Each payment (including each prepayment) by any Borrower on account of the principal of and interest on the Advances shall be applied, first to the outstanding Swing Loans and next, pro rata according to the applicable Revolving Commitment Percentages of Lenders, to the outstanding Revolving Advances (subject to any contrary provisions of Section 2.22).

Each Borrower recognizes that the amounts evidenced by checks, notes, drafts or any other items of payment relating to and/or proceeds of Collateral may not be collectible by Agent on the date received by Agent. Agent shall conditionally credit Borrowers' Account for each item of payment on the next Business Day after the Business Day on which such item of payment is received by Agent (and the Business Day on which each such item of payment is so credited shall be referred to, with respect to such item, as the "Application Date") Agent is not, however, required to credit Borrowers' Account for the amount of any item of payment which is unsatisfactory to Agent and Agent may charge Borrowers' Account for the amount of any item of payment which is returned, for any reason whatsoever, to Agent unpaid. Subject to the foregoing, Borrowers agree that for purposes of computing the interest charges under this Agreement, each item of payment received by Agent shall be deemed applied by Agent on account of the Obligations on its respective Application Date. Borrowers further agree that there is a monthly float charge payable to Agent for Agent's sole benefit, in an amount equal to (y) the face amount

of all items of payment received during the prior month (including items of payment received by Agent as a wire transfer or electronic depository check) multiplied by (z) the Revolving Interest Rate with respect to Domestic Rate Loans for one (1) Business Day. All proceeds received by Agent shall be applied to the Obligations in accordance with Section 4.8(h).

All payments of principal, interest and other amounts payable hereunder, or under any of the Other Documents shall be made to Agent at the Payment Office not later than 1:00 p.m. on the due date therefor in Dollars in federal funds or other funds immediately available to Agent. Agent shall have the right to effectuate payment of any and all Obligations due and owing hereunder by charging Borrowers' Account or by making Advances as provided in Section 2.2 hereof.

Except as expressly provided herein, all payments (including prepayments) to be made by any Borrower on account of principal, interest, fees and other amounts payable hereunder shall be made without deduction, setoff or counterclaim and shall be made to Agent on behalf of Lenders to the Payment Office, in each case on or prior to 1:00 p.m., in Dollars and in immediately available funds.

Repayment of Excess Advances. If at any time the aggregate balance of outstanding Revolving Advances, Swing Loans and/or Advances taken as a whole exceeds the maximum amount of such type of Advances and/or Advances taken as a whole (as applicable) permitted hereunder, such excess Advances shall be immediately due and payable without the necessity of any demand, at the Payment Office, whether or not a Default or an Event of Default has occurred.

Statement of Account. Agent shall maintain, in accordance with its customary procedures, a loan account ("**Borrowers' Account**") in the name of Borrowers in which shall be recorded the date and amount of each Advance made by Agent or Lenders and the date and amount of each payment in respect thereof; **provided, however,** the failure by Agent to record the date and amount of any Advance shall not adversely affect Agent or any Lender. Each month, Agent shall send to Borrowing Agent a statement showing the accounting for the Advances made, payments made or credited in respect thereof, and other transactions between Agent, Lenders and Borrowers during such month. The monthly statements shall be deemed correct and binding upon Borrowers in the absence of manifest error and shall constitute an account stated between Lenders and Borrowers unless Agent receives a written statement of Borrowers' specific exceptions thereto within thirty (30) days after such statement is received by Borrowing Agent. The records of Agent with respect to Borrowers' Account shall be conclusive evidence absent manifest error of the amounts of Advances and other charges thereto and of payments applicable thereto.

Letters of Credit.

Subject to the terms and conditions hereof, Issuer shall issue or cause the issuance of standby letters of credit denominated in either Dollars or an Optional Currency ("**Letters of Credit**") for the account of any Borrower except to the extent that the issuance thereof would then cause the sum of (i) the outstanding Revolving Advances plus (ii) the outstanding Swing Loans, plus (iii) the Dollar Equivalent of the Maximum Undrawn Amount of all outstanding Letters of Credit, plus (iv) the Dollar Equivalent of the Maximum Undrawn Amount of the Letter of Credit

to be issued to exceed the Availability at such time. The Dollar Equivalent of the Maximum Undrawn Amount of all outstanding Letters of Credit shall not exceed in the aggregate at any time the Letter of Credit Sublimit. All disbursements or payments related to Letters of Credit shall be deemed to be Domestic Rate Loans consisting of Revolving Advances and shall bear interest at the Revolving Interest Rate for Domestic Rate Loans (and if such disbursement or payment was made in an Optional Currency, the amount of such Revolving Advance shall be the Dollar Equivalent of such disbursement or payment). Letters of Credit that have not been drawn upon shall not bear interest (but fees shall accrue in respect of outstanding Letters of Credit as provided in Section 3.2 hereof).

Notwithstanding any provision of this Agreement, Issuer shall not be under any obligation to issue any Letter of Credit if (i) any order, judgment or decree of any Governmental Body or arbitrator shall by its terms purport to enjoin or restrain Issuer from issuing any Letter of Credit, or any Law applicable to Issuer or any request or directive (whether or not having the force of law) from any Governmental Body with jurisdiction over Issuer shall prohibit, or request that Issuer refrain from, the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon Issuer with respect to the Letter of Credit any restriction, reserve or capital requirement (for which Issuer is not otherwise compensated hereunder) not in effect on the date of this Agreement, or shall impose upon Issuer any unreimbursed loss, cost or expense which was not applicable on the date of this Agreement, and which Issuer in good faith deems material to it, or (ii) the issuance of the Letter of Credit would violate one or more policies of Issuer applicable to letters of credit generally. Borrowers and the Lenders hereby acknowledge and agree that all Existing Letters of Credit shall constitute Letters of Credit under this Agreement on and after the Closing Date with the same effect as if such Existing Letters of Credit were issued by Issuer at the request of Borrowers on the Closing Date.

Issuance of Letters of Credit.

Borrowing Agent, on behalf of any Borrower, may request Issuer to issue or cause the issuance of a Letter of Credit by delivering to Issuer, with a copy to Agent at the Payment Office, prior to 1:00 p.m., at least five (5) Business Days prior to the proposed date of issuance, such Issuer's form of Letter of Credit Application (the "Letter of Credit Application") completed to the satisfaction of Agent and Issuer; and, such other certificates, documents and other papers and information as Agent or Issuer may reasonably request. Issuer shall not issue any requested Letter of Credit if such Issuer has received notice from Agent that one or more of the applicable conditions set forth in Section 8.2 of this Agreement have not been satisfied or the commitments of Lenders to make Revolving Advances hereunder have been terminated for any reason.

Each Letter of Credit shall, among other things, (i) provide for the payment of sight drafts or other written demands for payment, and (ii) have an expiry date not later than the last day of the Term unless prior to the last day of such Term, Borrowers provide Cash Collateralization for such Letter of Credit. Any Letter of Credit may provide for renewal thereof for additional one-year periods. Each standby Letter of Credit shall be subject to the International Standby Practices (International Chamber of Commerce Publication Number 590) (the "ISP98 Rules"), or any subsequent revision thereof at the time a standby Letter of Credit is issued, as determined by Issuer.

Agent shall use its reasonable efforts to notify Lenders of the request by Borrowing Agent for a Letter of Credit hereunder.

Requirements For Issuance of Letters of Credit. Borrowing Agent shall authorize and direct any Issuer to name the applicable Borrower as the "Applicant" or "Account Party" of each Letter of Credit. If PNC is not the Issuer of any Letter of Credit, Borrowing Agent shall authorize and direct Issuer to deliver to Agent all instruments, documents, and other writings and property received by Issuer pursuant to the Letter of Credit and to accept and rely upon Agent's instructions and agreements with respect to all matters arising in connection with the Letter of Credit, the application therefor.

Disbursements, Reimbursement.

Immediately upon the issuance of each Letter of Credit, each Lender holding a Revolving Commitment shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from Issuer a participation in each Letter of Credit and each drawing thereunder in an amount equal to such Lender's Revolving Commitment Percentage of the Maximum Undrawn Amount of such Letter of Credit (as in effect from time to time) and the amount of such drawing, respectively.

In the event of any request for a drawing under a Letter of Credit by the beneficiary or transferee thereof, Issuer will promptly notify Agent and Borrowing Agent. Borrowers shall reimburse (such obligation to reimburse Issuer shall sometimes be referred to as a "Reimbursement Obligation") Issuer prior to 12:00 Noon, on or before the first Business Day after an amount is paid by Issuer under any Letter of Credit (each such date, a "Drawing Date") in an amount equal to the amount so paid by Issuer and in the currency in which such Letter of Credit is denominated (it being understood that any amount not paid by Borrowers prior to 12:00 Noon on the date payment is made by Issuer shall bear interest at the rate applicable to Domestic Rate Loans). In the event Borrowers fail to reimburse Issuer for the full amount of any drawing under any Letter of Credit by 12:00 Noon, on the Drawing Date, Issuer will promptly notify Agent and each Lender holding a Revolving Commitment thereof, and Borrowers shall be automatically deemed to have requested that a Revolving Advance maintained as a Domestic Rate Loan (and, if the Letter of Credit was denominated in an Optional Currency, in the Dollar Equivalent amount paid by the Issuer in such other currency on the Drawing Date thereof) be made by Lenders to be disbursed on the Drawing Date under such Letter of Credit, and Lenders holding the Revolving Commitments shall be unconditionally obligated to fund such Revolving Advance (all whether or not the conditions specified in Section 8.2 are then satisfied or the commitments of Lenders to make Revolving Advances hereunder have been terminated for any reason) as provided for in Section 2.14(c) immediately below. Any notice given by Issuer pursuant to this Section 2.14(b) may be oral if promptly confirmed in writing; provided that the lack of such a confirmation shall not affect the conclusiveness or binding effect of such notice.

Each Lender holding a Revolving Commitment shall upon any notice pursuant to Section 2.14(b) make available to Issuer through Agent at the Payment Office an amount in immediately available funds equal to its Revolving Commitment Percentage (subject to any contrary provisions of Section 2.22) of the amount of the drawing (and, if the Letter of Credit was denominated in an Optional Currency, in the Dollar Equivalent amount paid by the Issuer in such

other currency on the Drawing Date thereof), whereupon the participating Lenders shall (subject to Section 2.14(d)) each be deemed to have made a Revolving Advance maintained as a Domestic Rate Loan to Borrowers in that amount. If any Lender holding a Revolving Commitment so notified fails to make available to Agent, for the benefit of Issuer, the amount of such Lender's Revolving Commitment Percentage of such amount by 2:00 p.m. on the Drawing Date, then interest shall accrue on such Lender's obligation to make such payment, from the Drawing Date to the date on which such Lender makes such payment (i) at a rate per annum equal to the Federal Funds Effective Rate during the first three (3) days following the Drawing Date and (ii) at a rate per annum equal to the rate applicable to Revolving Advances maintained as a Domestic Rate Loan on and after the fourth day following the Drawing Date. Agent and Issuer will promptly give notice of the occurrence of the Drawing Date, but failure of Agent or Issuer to give any such notice on the Drawing Date or in sufficient time to enable any Lender holding a Revolving Commitment to effect such payment on such date shall not relieve such Lender from its obligations under this Section 2.14(c), provided that such Lender shall not be obligated to pay interest as provided in Section 2.14(c)(i) and (ii) until and commencing from the date of receipt of notice from Agent or Issuer of a drawing.

With respect to any unreimbursed drawing that is not converted into a Revolving Advance maintained as a Domestic Rate Loan to Borrowers in whole or in part as contemplated by Section 2.14(b), because of Borrowers' failure to satisfy the conditions set forth in Section 8.2 hereof (other than any notice requirements) or for any other reason, Borrowers shall be deemed to have incurred from Agent a borrowing (each a "Letter of Credit Borrowing") in the amount of such drawing (and, if the Letter of Credit was denominated in an Optional Currency, in the Dollar Equivalent amount paid by the Issuer in such other currency on the Drawing Date thereof). Such Letter of Credit Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the rate per annum applicable to a Revolving Advance maintained as a Domestic Rate Loan. Each applicable Lender's payment to Agent pursuant to Section 2.14(c) shall be deemed to be a payment in respect of its participation in such Letter of Credit Borrowing and shall constitute a "Participation Advance" from such Lender in satisfaction of its Participation Commitment in respect of the applicable Letter of Credit under this Section 2.14.

Each applicable Lender's Participation Commitment in respect of the Letters of Credit shall continue until the last to occur of any of the following events: (x) Issuer ceases to be obligated to issue or cause to be issued Letters of Credit hereunder; (y) no Letter of Credit issued or created hereunder remains outstanding and uncanceled; and (z) all Persons (other than Borrowers) have been fully reimbursed for all payments made under or relating to Letters of Credit.

Notwithstanding anything contained herein to the contrary, any Revolving Advance made to fund a payment or disbursement with respect to any Letter of Credit denominated in an Optional Currency will be in Dollars. Borrowers hereby indemnify Issuer for any losses, costs, expenses and damages (the "Currency Losses") that Issuer suffers as a result of the failure of Borrowers to reimburse Issuer in the applicable Optional Currency as required pursuant to Section 2.14(b) for any payment or disbursement made by Issuer in such Optional Currency. Without limiting the foregoing, all Currency Losses shall include interest on any unreimbursed payment or distribution by Issuer in an Optional Currency at a rate reasonably determined by Issuer as a rate comparable to the current rate on Domestic Rate Loans.

Repayment of Participation Advances.

Upon (and only upon) receipt by Agent for the account of Issuer of immediately available funds in Dollars from Borrowers (i) in reimbursement of any payment made by Issuer or Agent under the Letter of Credit with respect to which any Lender has made a Participation Advance to Agent, or (ii) in payment of interest on such a payment made by Issuer or Agent under such a Letter of Credit, Agent will pay to each Lender holding a Revolving Commitment, in the same funds as those received by Agent, the amount of such Lender's Revolving Commitment Percentage of such funds, except Agent shall retain the amount of the Revolving Commitment Percentage of such funds of any Lender holding a Revolving Commitment that did not make a Participation Advance in respect of such payment by Agent (and, to the extent that any of the other Lender(s) holding the Revolving Commitment have funded any portion such Defaulting Lender's Participation Advance in accordance with the provisions of Section 2.22, Agent will pay over to such Non-Defaulting Lenders a pro rata portion of the funds so withheld from such Defaulting Lender).

If Issuer or Agent is required at any time to return to any Borrower, or to a trustee, receiver, liquidator, custodian, or any official in any insolvency proceeding, any portion of the payments made by Borrowers to Issuer or Agent pursuant to Section 2.15(a) in reimbursement of a payment made under the Letter of Credit or interest or fee thereon, each applicable Lender shall, on demand of Agent, forthwith return to Issuer or Agent the amount of its Revolving Commitment Percentage of the Dollar Equivalent of any amounts so returned by Issuer or Agent plus interest at the Federal Funds Effective Rate.

Documentation. Each Borrower agrees to be bound by the terms of the Letter of Credit Application and by Issuer's interpretations of any Letter of Credit issued on behalf of such Borrower and by Issuer's written regulations and customary practices relating to letters of credit, though Issuer's interpretations may be different from such Borrower's own. In the event of a conflict between the Letter of Credit Application and this Agreement, this Agreement shall govern. It is understood and agreed that, except in the case of gross negligence, bad faith or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable judgment), Issuer shall not be liable for any error, negligence and/or mistakes, whether of omission or commission, in following Borrowing Agent's or any Borrower's instructions or those contained in the Letters of Credit or any modifications, amendments or supplements thereto.

Determination to Honor Drawing Request. In determining whether to honor any request for drawing under any Letter of Credit by the beneficiary thereof, Issuer shall be responsible only to determine that the documents and certificates required to be delivered under such Letter of Credit have been delivered and that they comply on their face with the requirements of such Letter of Credit and that any other drawing condition appearing on the face of such Letter of Credit has been satisfied in the manner so set forth.

Nature of Participation and Reimbursement Obligations. The obligation of each Lender holding a Revolving Commitment in accordance with this Agreement to make the Revolving Advances or Participation Advances as a result of a drawing under a Letter of Credit, and the obligations of Borrowers to reimburse Issuer upon a draw under a Letter of Credit, shall

be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Section 2.18 under all circumstances, including the following circumstances:

any set-off, counterclaim, recoupment, defense or other right which such Lender or any Borrower, as the case may be, may have against Issuer, Agent, any Borrower or Lender, as the case may be, or any other Person for any reason whatsoever;

the failure of any Borrower or any other Person to comply, in connection with a Letter of Credit Borrowing, with the conditions set forth in this Agreement for the making of a Revolving Advance, it being acknowledged that such conditions are not required for the making of a Letter of Credit Borrowing and the obligation of Lenders to make Participation Advances under Section 2.14;

any lack of validity or enforceability of any Letter of Credit;

any claim of breach of warranty that might be made by any Borrower, Agent, Issuer or any Lender against the beneficiary of a Letter of Credit, or the existence of any claim, set-off, recoupment, counterclaim, cross-claim, defense or other right which any Borrower, Agent, Issuer or any Lender may have at any time against a beneficiary, any successor beneficiary or any transferee of any Letter of Credit or assignee of the proceeds thereof (or any Persons for whom any such transferee or assignee may be acting), Issuer, Agent or any Lender or any other Person, whether in connection with this Agreement, the transactions contemplated herein or any unrelated transaction (including any underlying transaction between any Borrower or any Subsidiaries of such Borrower and the beneficiary for which any Letter of Credit was procured);

the lack of power or authority of any signer of (or any defect in or forgery of any signature or endorsement on) or the form of or lack of validity, sufficiency, accuracy, enforceability or genuineness of any draft, demand, instrument, certificate or other document presented under or in connection with any Letter of Credit, or any fraud or alleged fraud in connection with any Letter of Credit, or the transport of any property or provision of services relating to a Letter of Credit, in each case even if Issuer or any of Issuer's Affiliates has been notified thereof;

payment by Issuer under any Letter of Credit against presentation of a demand, draft or certificate or other document which is forged or does not fully comply with the terms of such Letter of Credit (provided that the foregoing shall not excuse Issuer from any obligation under the terms of any applicable Letter of Credit to require the presentation of documents that on their face appear to satisfy any applicable requirements for drawing under such Letter of Credit prior to honoring or paying any such draw);

the solvency of, or any acts or omissions by, any beneficiary of any Letter of Credit, or any other Person having a role in any transaction or obligation relating to a Letter of Credit, or the existence, nature, quality, quantity, condition, value or other characteristic of any property or services relating to a Letter of Credit;

any failure by Issuer or any of Issuer's Affiliates to issue any Letter of Credit in the form requested by Borrowing Agent, unless Agent and Issuer have each received written notice from Borrowing Agent of such failure within three (3) Business Days after Issuer shall have

furnished Agent and Borrowing Agent a copy of such Letter of Credit and such error is material and no drawing has been made thereon prior to receipt of such notice;

the occurrence of any Material Adverse Effect;

any breach of this Agreement or any Other Document by any party thereto;

the occurrence or continuance of an insolvency proceeding with respect to any Borrower or any Guarantor;

the fact that a Default or an Event of Default shall have occurred and be continuing;

the fact that the Term shall have expired or this Agreement or the obligations of Lenders to make Advances have been terminated; and

any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

Liability for Acts and Omissions.

As between Borrowers and Issuer, Swing Loan Lender, Agent and Lenders, each Borrower assumes all risks of the acts and omissions of, or misuse of the Letters of Credit by, the respective beneficiaries of such Letters of Credit. In furtherance and not in limitation of the foregoing, Issuer shall not be responsible for: (i) the form, validity, sufficiency, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for an issuance of any such Letter of Credit, even if it should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged (even if Issuer or any of its Affiliates shall have been notified thereof); (ii) the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign any such Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason; (iii) the failure of the beneficiary of any such Letter of Credit, or any other party to which such Letter of Credit may be transferred, to comply fully with any conditions required in order to draw upon such Letter of Credit or any other claim of any Borrower against any beneficiary of such Letter of Credit, or any such transferee, or any dispute between or among any Borrower and any beneficiary of any Letter of Credit or any such transferee; (iv) errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, facsimile, telex or otherwise, whether or not they be in cipher; (v) errors in interpretation of technical terms; (vi) any loss or delay in the transmission or otherwise of any document required in order to make a drawing under any such Letter of Credit or of the proceeds thereof; (vii) the misapplication by the beneficiary of any such Letter of Credit of the proceeds of any drawing under such Letter of Credit; or (viii) any consequences arising from causes beyond the control of Issuer, including any Governmental Acts, and none of the above shall affect or impair, or prevent the vesting of, any of Issuer's rights or powers hereunder. Nothing in the preceding sentence shall relieve Issuer from liability for Issuer's gross negligence, bad faith or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable judgment) in connection with actions or omissions described in such clauses (i) through (viii) of such sentence. In no event shall Issuer or Issuer's Affiliates be liable to any Borrower for any indirect, consequential, incidental, punitive, exemplary or special damages or expenses (including without limitation

attorneys' fees), or for any damages resulting from any change in the value of any property relating to a Letter of Credit.

Without limiting the generality of the foregoing, Issuer and each of its Affiliates: (i) may rely on any oral or other communication believed in good faith by Issuer or such Affiliate to have been authorized or given by or on behalf of the applicant for a Letter of Credit; (ii) may honor any presentation if the documents presented appear on their face substantially to comply with the terms and conditions of the relevant Letter of Credit; (iii) may honor a previously dishonored presentation under a Letter of Credit, whether such dishonor was pursuant to a court order, to settle or compromise any claim of wrongful dishonor, or otherwise, and shall be entitled to reimbursement to the same extent as if such presentation had initially been honored, together with any interest paid by Issuer or its Affiliates; (iv) may honor any drawing that is payable upon presentation of a statement advising negotiation or payment, upon receipt of such statement (even if such statement indicates that a draft or other document is being delivered separately), and shall not be liable for any failure of any such draft or other document to arrive, or to conform in any way with the relevant Letter of Credit; (v) may pay any paying or negotiating bank claiming that it rightfully honored under the laws or practices of the place where such bank is located; and (vi) may settle or adjust any claim or demand made on Issuer or its Affiliate in any way related to any order issued at the applicant's request to an air carrier, a letter of guarantee or of indemnity issued to a steamship agent or carrier or any document or instrument of like import (each an "Order") and honor any drawing in connection with any Letter of Credit that is the subject of such Order, notwithstanding that any drafts or other documents presented in connection with such Letter of Credit fail to conform in any way with such Letter of Credit.

In furtherance and extension and not in limitation of the specific provisions set forth above, any action taken or omitted by Issuer under or in connection with the Letters of Credit issued by it or any documents and certificates delivered thereunder, if taken or omitted in good faith and without gross negligence (as determined by a court of competent jurisdiction in a final non-appealable judgment), shall not put Issuer under any resulting liability to any Borrower, Agent or any Lender.

Voluntary and Mandatory Prepayments.

Borrowers may prepay the Revolving Loans at any time in whole or in part. Borrowers may permanently reduce the Revolving Commitments (with a corresponding reduction in the Maximum Revolving Advance Amount) at any time; provided, that (i) Borrowing Agent shall provide at least three (3) Business Days prior written notice of such reduction, (ii) such reduction shall be in increments of \$10,000,000, (iii) such reduction shall be permanent and pro rata among the Lenders, and (iv) in no event shall the Revolving Commitments be reduced below \$150,000,000.

Mandatory Prepayment.

If on any Computation Date, the aggregate balance of Revolving Advances plus Swing Loans plus the Dollar Equivalent of the Maximum Undrawn Amount of all outstanding Letters of Credit exceeds Availability, then Agent shall notify Borrower of the same. The Borrowers shall pay or prepay one (1) Business Day after receiving such notice such that the

aggregate balance of Revolving Advances plus Swing Loans plus the Dollar Equivalent of the Maximum Undrawn Amount of all outstanding Letters of Credit does not exceed Availability after giving effect to such payments or prepayments.

Promptly upon any voluntary or involuntary disposition (including as a result of a casualty or condemnation but excluding dispositions under clauses (a) through (g), (i), (l) and (n) of the definition of Permitted Dispositions) by GLDD or any other Credit Party, Borrowers shall prepay the outstanding principal amount of the Obligations in accordance with clause (c) below in an amount equal to one hundred percent (100%) of the Net Cash Proceeds received by such Person in connection with such disposition. Nothing contained in this Section 2.20(b) shall permit GLDD or any of its Subsidiaries to make a disposition of any property other than in accordance with Section 7.1.

Promptly upon the issuance or incurrence by GLDD or any other Credit Party of any Indebtedness (other than Permitted Indebtedness), or upon an issuance of Equity Interests by GLDD or any other Credit Party (other than any Excluded Equity Issuance), Borrowers shall prepay the outstanding principal amount of the Obligations in accordance with clause (c) below in an amount equal to one hundred percent (100%) of the Net Cash Proceeds received by such Person in connection therewith. The provisions of this Section 2.20(b) shall not be deemed to be implied consent to any such issuance, incurrence or sale otherwise prohibited by the terms and conditions of this Agreement.

Promptly upon the receipt by GLDD or any other Credit Party of any Extraordinary Receipts, Borrowers shall prepay the outstanding principal of the Obligations in accordance with clause (c) below in an amount equal to one hundred percent (100%) of the Net Cash Proceeds received by such Person in connection therewith.

Notwithstanding the foregoing, with respect to Net Cash Proceeds received by GLDD or any other Credit Party in connection with a disposition (including as a result of a casualty or condemnation) that are otherwise required to be used to prepay the Obligations pursuant to Section 2.20(b)(ii), up to \$30,000,000 in the aggregate in any fiscal year of the Net Cash Proceeds from all such dispositions shall not be required to be so used to prepay the Obligations to the extent that such Net Cash Proceeds are used to replace, repair or restore properties or assets that were the subject of such disposition with like assets, provided that, (A) no Default or Event of Default has occurred and is continuing on the date such Person receives such Net Cash Proceeds, (B) Borrowing Agent delivers a certificate to Agent within ten (10) days after such disposition stating that such Net Cash Proceeds shall be used to so replace, repair or restore properties or assets as provided above within a period not to exceed three hundred sixty five (365) days after the date of receipt of such Net Cash Proceeds (which certificate shall set forth estimates of the Net Cash Proceeds to be so expended), (C) if a Cash Dominion Period is in effect, such Net Cash Proceeds are deposited and maintained in a Controlled Account and (D) upon the earlier of (1) the expiration of the three hundred sixty five (365) day period pursuant to clause (B) above or (2) the occurrence and during the continuance of a Default or an Event of Default, such Net Cash Proceeds, if not theretofore so used, shall be used to prepay the Obligations in accordance with Section 2.20(b)(ii).

Each prepayment pursuant to Section 2.20(b)(ii), (iii) and (iv) shall be applied, first, to the Swing Loans and Revolving Advances, until paid in full (with, if an Event of Default exists

and the Required Lenders so elect, a corresponding permanent reduction in the Revolving Commitments (and corresponding reduction in the Maximum Revolving Advance Amount)), until paid in full, and second, to Cash Collateralize the Letters of Credit (with, if an Event of Default exists and the Required Lenders so elect, a corresponding permanent reduction in the Revolving Commitments (and corresponding reduction in the Maximum Revolving Advance Amount)); provided, that if an Application Event has occurred and is continuing and funds are to be applied pursuant to Section 11.5, such payments shall be applied in respect of the Obligations in accordance with Section 11.5. Notwithstanding the foregoing, Net Cash Proceeds of events described in Sections 2.20(b)(ii), (iii) and (iv) may be applied to the Second Lien Loan to the extent that such Net Cash Proceeds are applied, first, to the Obligations under this Section 2.20 in accordance with Section 2.13(j) of the Second Lien Credit Agreement (as in effect on the Amendment No. 1 Closing Date).

Use of Proceeds.

(i) Borrowers shall apply the proceeds of Advances to (i) pay fees and expenses relating to this transaction, (ii) finance Permitted Acquisitions, (iii) provide for its working capital needs, general corporate purposes and reimburse drawings under Letters of Credit, and (iv) with respect to Green Loan Advances, only to fund capital investments related to present and future capital investments related to renewable energy and clean transportation projects, for example SRI vessels to support the installation of offshore wind and Environmentally Sustainable Management of Living Natural Resources and Land Use (the "Specified Green Investment Projects"), in each case, that are consistent with the "Green Loan Principles" set forth by the Loan Syndications and Trading Association (the "GLP").

Without limiting the generality of Section 2.21(a) above, neither Borrowers, Guarantors nor any other Person which may in the future become party to this Agreement or the Other Documents as a Borrower or Guarantor, intends to use nor shall they use any portion of the proceeds of the Advances, directly or indirectly, for any purpose in violation of Applicable Law.

Defaulting Lender.

Notwithstanding anything to the contrary contained herein, in the event any Lender is a Defaulting Lender, all rights and obligations hereunder of such Defaulting Lender and of the other parties hereto shall be modified to the extent of the express provisions of this Section 2.22 so long as such Lender is a Defaulting Lender.

(ii) Except as otherwise expressly provided for in this Section 2.22, Revolving Advances shall be made pro rata from Lenders holding Revolving Commitments which are not Defaulting Lenders based on their respective Revolving Commitment Percentages, and no Revolving Commitment Percentage of any Lender or any pro rata share of any Revolving Advances required to be advanced by any Lender shall be increased as a result of any Lender being a Defaulting Lender. Amounts received in respect of principal of any type of Revolving Advances shall be applied to reduce such type of Revolving Advances of each Lender (other than any Defaulting Lender) holding a Revolving Commitment in accordance with their Revolving Commitment Percentages; provided, that, Agent shall not be obligated to transfer to a Defaulting Lender any payments received by Agent for Defaulting Lender's benefit, nor shall a Defaulting

Lender be entitled to the sharing of any payments hereunder (including any principal, interest or fees). Amounts payable to a Defaulting Lender shall instead be paid to or retained by Agent. Agent may hold and, in its discretion, re-lend to a Borrower the amount of such payments received or retained by it for the account of such Defaulting Lender.

Fees pursuant to Section 3.3 hereof shall cease to accrue in favor of such Defaulting Lender.

If any Swing Loans are outstanding or any Letters of Credit (or drawings under any Letter of Credit for which Issuer has not been reimbursed) are outstanding or exist at the time any such Lender holding a Revolving Commitment becomes a Defaulting Lender, then:

(A) Defaulting Lender's Participation Commitment in the outstanding Swing Loans and of the Maximum Undrawn Amount of all outstanding Letters of Credit shall be reallocated among Non-Defaulting Lenders holding Revolving Commitments in proportion to the respective Revolving Commitment Percentages of such Non-Defaulting Lenders to the extent (but only to the extent) that (x) such reallocation does not cause the aggregate sum of outstanding Revolving Advances made by any such Non-Defaulting Lender holding a Revolving Commitment plus such Lender's reallocated Participation Commitment in the outstanding Swing Loans plus such Lender's reallocated Participation Commitment in the aggregate Maximum Undrawn Amount of all outstanding Letters of Credit to exceed the Revolving Commitment Amount of any such Non-Defaulting Lender, and (y) no Default or Event of Default has occurred and is continuing at such time;

(B) if the reallocation described in clause (A) above cannot, or can only partially, be effected, Borrowers shall within one (1) Business Day following notice by Agent (x) first, prepay any outstanding Swing Loans that cannot be reallocated, and (y) second, Cash Collateralize for the benefit of Issuer, Borrowers' obligations corresponding to such Defaulting Lender's Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit (after giving effect to any partial reallocation pursuant to clause (A) above) in accordance with Section 3.2(b) for so long as such Obligations are outstanding;

(C) if Borrowers Cash Collateralize any portion of such Defaulting Lender's Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit pursuant to clause (B) above, Borrowers shall not be required to pay any fees to such Defaulting Lender pursuant to Section 3.2(a) with respect to such Defaulting Lender's Revolving Commitment Percentage of Maximum Undrawn Amount of all Letters of Credit during the period such Defaulting Lender's Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit are Cash Collateralized;

(D) if Defaulting Lender's Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit is reallocated pursuant to clause (A) above, then the fees payable to Lenders holding Revolving Commitments pursuant to Section 3.2(a) shall be adjusted and reallocated to Non-Defaulting Lenders holding Revolving Commitments in accordance with such reallocation; and

(E) if all or any portion of such Defaulting Lender's Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit is neither reallocated nor Cash Collateralized pursuant to clauses (A) or (B) above, then, without prejudice to any rights or remedies of Issuer or any other Lender hereunder, all Letter of Credit Fees payable under Section 3.2(a) with respect to such Defaulting Lender's Revolving Commitment Percentage of the Maximum Undrawn Amount of all Letters of Credit shall be payable to the Issuer (and not to such Defaulting Lender) until (and then only to the extent that) such Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit is reallocated and/or Cash Collateralized; and

so long as any Lender holding a Revolving Commitment is a Defaulting Lender, Swing Loan Lender shall not be required to fund any Swing Loans and Issuer shall not be required to issue, amend or increase any Letter of Credit, unless such Issuer is satisfied that the related exposure and Defaulting Lender's Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit and all Swing Loans (after giving effect to any such issuance, amendment, increase or funding) will be fully allocated to Non-Defaulting Lenders holding Revolving Commitments and/or such Letters of Credit will be Cash Collateralized by Borrowers in accordance with clause (A) and (B) above, and participating interests in any newly made Swing Loan or any newly issued or increased Letter of Credit shall be allocated among Non-Defaulting Lenders in a manner consistent with Section 2.22(b)(iii)(A) above (and such Defaulting Lender shall not participate therein).

Except in respect of the matters set forth in Sections 16.2(b)(i), (ii), (iii) or (v), a Defaulting Lender shall not be entitled to give instructions to Agent or to approve, disapprove, consent to or vote on any matters relating to this Agreement and the Other Documents, and all amendments, waivers and other modifications of this Agreement and the Other Documents may be made without regard to a Defaulting Lender and, for purposes of the definition of "Required Lenders", a Defaulting Lender shall not be deemed to be a Lender, to have any outstanding Advances or a Revolving Commitment Percentage.

Other than as expressly set forth in this Section 2.22, the rights and obligations of a Defaulting Lender (including the obligation to indemnify Agent) and the other parties hereto shall remain unchanged. Nothing in this Section 2.22 shall be deemed to release any Defaulting Lender from its obligations under this Agreement and the Other Documents, shall alter such obligations, shall operate as a waiver of any default by such Defaulting Lender hereunder, or shall prejudice any rights which any Borrower, Agent or any Lender may have against any Defaulting Lender as a result of any default by such Defaulting Lender hereunder.

In the event that Agent, Borrowers, Swing Loan Lender and Issuer agree in writing that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then Agent will so notify the parties hereto, and, if such cured Defaulting Lender is a Lender holding a Revolving Commitment, then Participation Commitments of Lenders holding Revolving Commitments (including such cured Defaulting Lender) of the Swing Loans and Maximum Undrawn Amount of all outstanding Letters of Credit shall be reallocated to reflect the inclusion of such Lender's Revolving Commitment, and on such date such Lender shall purchase at par such of the Revolving Advances of the other Lenders as Agent shall determine may be necessary in order for such Lender to hold such Revolving Advances in accordance with

its Revolving Commitment Percentage; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

If Swing Loan Lender or Issuer has a good faith belief that any Lender holding a Revolving Commitment has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, Swing Loan Lender shall not be required to fund any Swing Loans and Issuer shall not be required to issue, amend or increase any Letter of Credit, unless Swing Loan Lender or Issuer, as the case may be, shall have entered into arrangements with Borrowers or such Lender, satisfactory to Swing Loan Lender or Issuer, as the case may be, to defease any risk to it in respect of such Lender hereunder.

Payment of Obligations. Agent may charge to Borrowers' Account as a Revolving Advance or, at the discretion of Swing Loan Lender, as a Swing Loan (i) all payments with respect to any of the Obligations required hereunder (including without limitation principal payments, payments of interest, payments of Letter of Credit Fees and all other fees provided for hereunder and payments under Sections 16.5 and 16.9) as and when each such payment shall become due and payable (whether as regularly scheduled, upon or after acceleration, upon maturity or otherwise), (ii) without limiting the generality of the foregoing clause (i), (a) all amounts expended by Agent or any Lender pursuant to Sections 4.2 or 4.3 hereof and (b) all expenses which Agent incurs in connection with the forwarding of Advance proceeds and the establishment and maintenance of any Controlled Accounts as provided for in Section 4.8(h), and (iii) any sums expended by Agent or any Lender due to any Credit Party's failure to perform or comply with its obligations under this Agreement or any Other Document including any Credit Party's obligations under Sections 3.3, 3.4, 4.4, 4.7, 6.4, 6.6 and 6.7 hereof, and all amounts so charged shall be added to the Obligations and shall be secured by the Collateral. To the extent Revolving Advances are not actually funded by the other Lenders in respect of any such amounts so charged, all such amounts so charged shall be deemed to be Revolving Advances made by and owing to Agent and Agent shall be entitled to all rights (including accrual of interest) and remedies of a Lender under this Agreement and the Other Documents with respect to such Revolving Advances.

Accordion.

At any time Borrowing Agent may by written notice to Agent elect to request the establishment of one or more increases in the Revolving Commitment (with a corresponding increase in the Maximum Revolving Advance Amount) (each such increase, an "Incremental Commitment Increase" and, all such increases, collectively, the "Incremental Commitment Increases") to make incremental Revolving Advances (any such incremental Revolving Advance, an "Incremental Loan"); provided that (1) the total aggregate amount for all such Incremental Commitment Increases shall not (as of any date of incurrence thereof) exceed the amount of \$0 and (2) the total aggregate amount for each Incremental Commitment Increase (and the Incremental Loans made thereunder) shall not be less than the amount of \$10,000,000 or, if less, the remaining amount permitted pursuant to the foregoing clause (1). Each such notice shall specify the date (each, an "Increased Amount Date") on which Borrowers propose that any

Incremental Commitment Increase shall be effective, which shall be a date not less than ten (10) Business Days after the date on which such notice is delivered to Agent. Borrowers shall invite each Lender and may invite any other Person reasonably satisfactory to Agent, to provide an Incremental Commitment Increase (any such Person, an "Incremental Lender"). Any Lender offered or approached to provide all or a portion of any Incremental Commitment Increase may elect or decline, in its sole discretion, to provide such Incremental Commitment Increase. In the event the Incremental Commitment Increases agreed to be provided by Lenders and such other Persons exceed the Incremental Commitment Increase request, Agent shall allocate such Incremental Commitment Increase as determined by Agent. Any Incremental Commitment Increase shall become effective as of such Increased Amount Date; provided that:

no Default or Event of Default shall exist on such Increased Amount Date before or after giving effect to any Incremental Commitment Increase;

each Incremental Commitment Increase (and the Incremental Loans made thereunder) shall constitute Obligations of Borrowers and be on the same terms (including, without limitation, interest rate, fees, voting rights and maturity date) as the existing Revolving Commitments and shall be permitted under the Note Indenture;

to the extent that such Incremental Commitment Increase is being provided by an Incremental Lender that is not a Lender hereunder at the time of such increase, such Incremental Commitment Increase shall be effected pursuant to one or more agreements joining such Lender to this Agreement executed and delivered by Borrowers, Agent and the applicable Incremental Lenders (which Lender joinder agreement may, without the consent of any other Lenders, effect such amendments to this Agreement and the Other Documents as may be necessary or appropriate, in the opinion of Agent, to effect the provisions of this Section 2.24);

Credit Parties shall execute and deliver additional Other Documents (including, without limitation, such opinions, resolutions, certificates and other instruments related thereto) as may be reasonably requested by Agent to effectuate the foregoing;

GLDD shall deliver or cause to be delivered any customary legal opinions or other documents reasonably requested by Agent in connection with any such transaction; and

such Increased Amount Date shall have occurred on or before the Amendment No. 1 Closing Date.

The Incremental Lenders shall be included in any determination of the Required Lenders, and the Incremental Lenders will not constitute a separate voting class for any purposes under this Agreement.

On any Increased Amount Date on which any Incremental Commitment Increase becomes effective, subject to the foregoing terms and conditions, each Incremental Lender providing an Incremental Commitment Increase shall become a Lender hereunder with respect to such Incremental Commitment Increase.

Utilization of Commitments in Optional Currencies. For purposes of determining utilization of the Revolving Commitments, Agent will determine the Dollar Equivalent amount of

(i) the outstanding and proposed Letters of Credit to be denominated in an Optional Currency as of the requested date of issuance, and (ii) the Maximum Undrawn Amount of the outstanding Letters of Credit denominated in an Optional Currency as of the last Business Day of each month (each such date under clauses (i) through (ii), and any other date on which Agent determines it is necessary or advisable to make such computation, in its sole discretion, is referred to as a "Computation Date"). Unless otherwise provided in this Agreement or agreed to by Agent, each Reimbursement Obligation shall be repaid or prepaid in the same currency in which the Reimbursement Obligation was made.

INTEREST AND FEES.

Interest. Interest on Advances shall be payable in arrears on the first (1st) day of each month with respect to Domestic Rate Loans and, with respect to Term SOFR Rate Loans, at (a) the end of each Interest Period, and (b) for Term SOFR Rate Loans with an Interest Period in excess of three months, at the end of each three month period during such Interest Period, provided further that all accrued and unpaid interest shall be due and payable at the end of the Term. Interest charges shall be computed on the actual principal amount of Advances outstanding during the month at a rate per annum equal to (i) with respect to Revolving Advances, the applicable Revolving Interest Rate plus the SOFR Adjustment with respect to Term SOFR Rate Loans and (ii) with respect to Swing Loans, the Revolving Interest Rate for Domestic Rate Loans (as applicable, the "Contract Rate"). Except as expressly provided otherwise in this Agreement, any Obligations other than the Advances that are not paid when due shall accrue interest at the Revolving Interest Rate for Domestic Rate Loans, subject to the provision of the final sentence of this Section 3.1 regarding the Default Rate. Whenever, subsequent to the date of this Agreement, the Alternate Base Rate is increased or decreased, the applicable Contract Rate shall be similarly changed without notice or demand of any kind by an amount equal to the amount of such change in the Alternate Base Rate during the time such change or changes remain in effect. The Term SOFR Rate shall be adjusted with respect to Term SOFR Rate Loans without notice or demand of any kind on the effective date of any change in the SOFR Reserve Percentage as of such effective date. Upon and after the occurrence of an Event of Default, and during the continuation thereof, at the direction of Required Lenders (or, in the case of any Event of Default under Section 10.7, immediately and automatically upon the occurrence of any such Event of Default without the requirement of any affirmative action by any party), the Obligations shall bear interest at the applicable Contract Rate plus two percent (2%) per annum (the "Default Rate").

Letter of Credit Fees.

Borrowers shall pay (x) to Agent, for the ratable benefit of Lenders holding Revolving Commitments, fees for each Letter of Credit for the period from and excluding the date of issuance of same to and including the date of expiration or termination, equal to the average daily face amount of each outstanding Letter of Credit multiplied by the Applicable Margin plus the SOFR Adjustment for Revolving Advances consisting of Term SOFR Rate Loans, such fees to be calculated on the basis of a 360-day year for the actual number of days elapsed and to be payable quarterly in arrears on the first (1st) day of each calendar quarter and on the last day of the Term, and (y) to Issuer, a fronting fee of one-eighth of one percent (0.125%) (or such other amount as is agreed to by Issuer and Borrower and approved by Agent) per annum times the average daily face amount of each outstanding Letter of Credit for the period from and excluding

the date of issuance of same to and including the date of expiration or termination, to be payable quarterly in arrears on the first (1st) day of each calendar quarter and on the last day of the Term (all of the foregoing fees, the "Letter of Credit Fees"). In addition, Borrowers shall pay to Agent, for the benefit of Issuer, any and all administrative, issuance, amendment, payment and negotiation charges with respect to Letters of Credit and all fees and expenses as agreed upon by Issuer and the Borrowing Agent in connection with any Letter of Credit, including in connection with the opening, amendment or renewal of any such Letter of Credit and any acceptances created thereunder, all such charges, fees and expenses, if any, to be payable on demand. All such charges shall be deemed earned in full on the date when the same are due and payable hereunder and shall not be subject to rebate or pro-ration upon the termination of this Agreement for any reason. Any such charge in effect at the time of a particular transaction shall be the charge for that transaction, notwithstanding any subsequent change in Issuer's prevailing charges for that type of transaction. Upon and after the occurrence of an Event of Default, and during the continuation thereof, at the direction of Required Lenders (or, in the case of any Event of Default under Section 10.7, immediately and automatically upon the occurrence of any such Event of Default without the requirement of any affirmative action by any party), the Letter of Credit Fees described in clause (x) of this Section 3.2(a) shall be increased by an additional two percent (2.00%) per annum.

At any time following the occurrence and during the continuation of an Event of Default, at the direction of Required Lenders (or, in the case of any Event of Default under Section 10.7, immediately and automatically upon the occurrence of such Event of Default, without the requirement of any affirmative action by any party), or upon the expiration of the Term or any other termination of this Agreement (and also, if applicable, in connection with any mandatory prepayment under Section 2.20), Borrowers shall Cash Collateralize all outstanding Letters of Credit, and each Borrower hereby irrevocably authorizes Agent, in its discretion, on such Borrower's behalf and in such Borrower's name, to open such an account and to make and maintain deposits therein, or in an account opened by such Borrower, in the amounts required to be made by such Borrower, out of the proceeds of Receivables or other Collateral or out of any other funds of such Borrower coming into any Lender's possession at any time. Agent may, in its discretion, invest such Cash Collateral (less applicable reserves) in such short-term money-market items as to which Agent and such Borrower mutually agree (or, in the absence of such agreement, as Agent may reasonably select) and the net return on such investments shall be credited to such account and constitute additional Cash Collateral, or Agent may (notwithstanding the foregoing) establish the account provided for under this Section 3.2(b) as a non-interest bearing account and in such case Agent shall have no obligation (and Borrowers hereby waive any claim) under Article 9 of the Uniform Commercial Code or under any other Applicable Law to pay interest on such Cash Collateral being held by Agent. No Borrower may withdraw amounts credited to any such account except upon the occurrence of (1) the cure or waiver of all Events of Default which resulted in the requirement to Cash Collateralize, or (2) all of the following: (x) payment and performance in full of all Obligations; (y) expiration of all Letters of Credit; and (z) termination of this Agreement. Borrowers hereby assign, pledge and grant to Agent, for its benefit and the ratable benefit of Issuer, Lenders and each other Secured Party, a continuing security interest in and to and Lien on any such Cash Collateral and any right, title and interest of Borrowers in any deposit account, securities account or investment account into which such Cash Collateral may be deposited from time to time to secure the Obligations, specifically including all Obligations with respect to any Letters of Credit. Borrowers agree that upon the coming due of any Reimbursement Obligations (or any

other Obligations, including Obligations for Letter of Credit Fees) with respect to the Letters of Credit, Agent may use such Cash Collateral to pay and satisfy such Obligations.

Facility Fee. If, for any month during the Term, the daily unpaid balance of the sum of Revolving Advances plus Swing Loans plus the Dollar Equivalent of the Maximum Undrawn Amount of all outstanding Letters of Credit (the "Usage Amount") does not equal the Maximum Revolving Advance Amount, then Borrowers shall pay to Agent, for the ratable benefit of Lenders holding the Revolving Commitments based on their Revolving Commitment Percentages, a fee at a rate equal to the Unused Line Fee for each such day the amount by which the Maximum Revolving Advance Amount on such day exceeds such Usage Amount (the "Facility Fee"). Such Facility Fee shall be payable to Agent in arrears on the first (1st) day of each month with respect to the previous month.

Collateral Evaluation Fee and Fee Letter.

Borrowers shall pay to Agent (solely for its account and not the account of any Lenders) promptly at the conclusion of any collateral evaluation performed by or for the benefit of Agent – namely any field examination, collateral analysis or other business analysis, the need for which is to be determined by Agent and which evaluation is undertaken by Agent or for Agent's benefit - a collateral evaluation fee in an amount equal to \$1,250 (or such other amount customarily charged by Agent to its customers) per day for each person employed to perform such evaluation, plus a per examination manager review fee (whether such examination is performed by Agent's employees or by a third party retained by agent) in the amount of \$1,500 (or such other amount customarily charged by Agent to its customers), plus all costs and disbursements incurred by Agent in the performance of such examination or analysis, and further provided that if third parties are retained to perform such collateral evaluations by Agent, then such fees charged by such third parties plus all costs and disbursements incurred by such third party, shall be the responsibility of Borrowers and shall not be subject to the foregoing limits; provided, that so long as no Event of Default shall have occurred during a calendar year, Borrowers shall not be obligated to reimburse Agent for more than one (1) field examination in such calendar year (increasing to two (2) field examinations in a calendar year if at any time during such calendar year Undrawn Availability is less than fifteen percent (15.0%) of the Maximum Loan Amount for five (5) consecutive Business Days, except for field examinations conducted in connection with a proposed Permitted Acquisition (whether or not consummated).

Borrowers shall pay the amounts required to be paid in the Fee Letter in the manner and at the times required by the Fee Letter.

All of the reasonable and documented fees and out-of-pocket costs and expenses of any appraisals conducted pursuant to Section 4.7 hereof shall be paid for when due, in full and without deduction, off-set or counterclaim by Borrowers.

Computation of Interest and Fees. Interest and fees hereunder shall be computed on the basis of a year of three hundred sixty (360) days and for the actual number of days elapsed. If any payment to be made hereunder becomes due and payable on a day other than a Business Day, the due date thereof shall be extended to the next succeeding Business Day and interest thereon shall be payable at the applicable Contract Rate during such extension.

Maximum Charges. In no event whatsoever shall interest and other charges charged hereunder exceed the highest rate permissible under Applicable Law. In the event interest and other charges as computed hereunder would otherwise exceed the highest rate permitted under Applicable Law: (i) the interest rates hereunder will be reduced to the maximum rate permitted under Applicable Law; (ii) such excess amount shall be first applied to any unpaid principal balance owed by Borrowers; and (iii) if the then remaining excess amount is greater than the previously unpaid principal balance, Lenders shall promptly refund such excess amount to Borrowers and the provisions hereof shall be deemed amended to provide for such permissible rate.

Increased Costs. In the event that any Applicable Law or any Change in Law or compliance by any Lender (for purposes of this Section 3.7, the term "Lender" shall include Agent, Swing Loan Lender, any Issuer or Lender and any corporation or bank controlling Agent, Swing Loan Lender, any Lender or Issuer and the office or branch where Agent, Swing Loan Lender, any Lender or Issuer (as so defined) makes or maintains any Term SOFR Rate Loans) with any request or directive (whether or not having the force of law) from any central bank or other financial, monetary or other authority, shall:

subject Agent, Swing Loan Lender, any Lender or Issuer to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any participation in a Letter of Credit or any Term SOFR Rate Loan, or change the basis of taxation of payments to Agent, Swing Loan Lender, such Lender or Issuer in respect thereof (except for Connection Income Taxes or Indemnified Taxes or Other Taxes covered by Section 3.10 and the imposition of, or any change in the rate of, any Excluded Taxes payable by Agent, Swing Loan Lender, such Lender or the Issuer);

impose, modify or deem applicable any reserve, special deposit, assessment, special deposit, compulsory loan, insurance charge or similar requirement against assets held by, or deposits in or for the account of, advances or loans by, or other credit extended by, any office of Agent, Swing Loan Lender, Issuer or any Lender, including pursuant to Regulation D of the Board of Governors of the Federal Reserve System; or

impose on Agent, Swing Loan Lender, any Lender or Issuer any other condition, loss or expense (other than Taxes) affecting this Agreement or any Other Document or any Advance made by any Lender, or any Letter of Credit or participation therein;

and the result of any of the foregoing is to increase the cost to Agent, Swing Loan Lender, any Lender or Issuer of making, converting to, continuing, renewing or maintaining its Advances hereunder by an amount that Agent, Swing Loan Lender, such Lender or Issuer deems to be material or to reduce the amount of any payment (whether of principal, interest or otherwise) in respect of any of the Advances by an amount that Agent, Swing Loan Lender or such Lender or Issuer deems to be material, then, in any case Borrowers shall pay Agent, Swing Loan Lender, such Lender or Issuer, within ten (10) days after receipt of a certificate from Agent, Swing Loan Lender, such Lender or Issuer, such additional amount as will compensate Agent, Swing Loan Lender or such Lender or Issuer for such additional cost or such reduction, as the case may be, provided that the foregoing shall not apply to increased costs which are reflected in the Term SOFR Rate, as the case may be. Agent, Swing Loan Lender, such Lender or Issuer

shall certify the amount of such additional cost or reduced amount to Borrowing Agent, and such certification shall be conclusive absent manifest error.

Failure or delay on the part of Agent, Swing Loan Lender, such Lender or Issuer to demand compensation pursuant to this Section shall not constitute a waiver of Agent's, Swing Loan Lender's, such Lender's or Issuer's right to demand such compensation; provided that the Borrowers shall not be required to compensate Agent, Swing Loan Lender, such Lender or Issuer pursuant to this Section for any increased costs incurred or reductions suffered more than one hundred eighty (180) days prior to the date that Agent, Swing Loan Lender, such Lender or Issuer, as the case may be, notifies the Borrowers of the event or Change in Law giving rise to such increased costs or reductions, and of such Agent's, Swing Loan Lender's, such Lender's or Issuer's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the one hundred eighty (180) day period referred to above shall be extended to include the period of retroactive effect thereof).

Alternate Rate of Interest.

3.8.1. **Interest Rate Inadequate or Unfair.** In the event that Agent or any Lender shall have determined that:

reasonable means do not exist for ascertaining the Term SOFR Rate applicable pursuant to Section 2.2 hereof for any Interest Period; or

Dollar deposits in the relevant amount and for the relevant maturity are not available in the London interbank Term SOFR market, with respect to an outstanding Term SOFR Rate Loan, a proposed Term SOFR Rate Loan, or a proposed conversion of a Domestic Rate Loan into a Term SOFR Rate Loan; or

the making, maintenance or funding of any Term SOFR Rate Loan has been made impracticable or unlawful by compliance by Agent or such Lender in good faith with any Applicable Law or any interpretation or application thereof by any Governmental Body or with any request or directive of any such Governmental Body (whether or not having the force of law), or

the Term SOFR Rate will not adequately and fairly reflect the cost to such Lender of the establishment or maintenance of any Term SOFR Rate Loan,

then Agent shall give Borrowing Agent prompt written or telephonic notice of such determination. If such notice is given, (i) any such requested Term SOFR Rate Loan shall be made as a Domestic Rate Loan, unless Borrowing Agent shall notify Agent no later than 1:00 p.m. two (2) Business Days prior to the date of such proposed borrowing, that its request for such borrowing shall be cancelled or made as an unaffected type of Term SOFR Rate Loan, (ii) any Domestic Rate Loan or Term SOFR Rate Loan which was to have been converted to an affected type of Term SOFR Rate Loan shall be continued as or converted into a Domestic Rate Loan, or, if Borrowing Agent shall notify Agent, no later than 1:00 p.m. two (2) Business

Days prior to the proposed conversion, shall be maintained as an unaffected type of Term SOFR Rate Loan, and (iii) any outstanding affected Term SOFR Rate Loans shall be converted into a Domestic Rate Loan, or, if Borrowing Agent shall notify Agent, no later than 1:00 p.m. two (2) Business Days prior to the last Business Day of the then current Interest Period applicable to such affected Term SOFR Rate Loan, shall be converted into an unaffected type of Term SOFR Rate Loan, on the last Business Day of the then current Interest Period for such affected Term SOFR Rate Loans (or sooner, if any Lender cannot continue to lawfully maintain such affected Term SOFR Rate Loan). Until such notice has been withdrawn, Lenders shall have no obligation to make an affected type of Term SOFR Rate Loan or maintain outstanding affected Term SOFR Rate Loans and no Borrower shall have the right to convert a Domestic Rate Loan or an unaffected type of Term SOFR Rate Loan into an affected type of Term SOFR Rate Loan.

3.8.2. Benchmark Replacement Setting.

Benchmark Replacement. Notwithstanding anything to the contrary herein or in any Other Document (and any agreement executed in connection with an Interest Rate Hedge shall be deemed not to be an "Other Document" for purposes of this Section titled "Benchmark Replacement Setting"), if a Benchmark Transition Event and related Benchmark Replacement Date have occurred prior to any setting of the then-current Benchmark, then (A) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Other Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any Other Document and (B) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Other Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any Other Document so long as the Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Agent may make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in the Other Documents, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any Other Document.

Notices; Standards for Decisions and Determinations. The Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement, and (ii) the effectiveness of any Conforming Changes in connection with the use,

administration, adoption or implementation of a Benchmark Replacement. The Agent will notify the Borrower of, (x) the removal or reinstatement of any tenor of a Benchmark pursuant to paragraph (d) below and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any Other Document except, in each case, as expressly required pursuant to this Section.

Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any of the Other Documents, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor of such Benchmark is not or will not be representative, then the Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

Benchmark Unavailability Period. Upon the Borrowers' receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrowers may revoke any pending request for an Advance bearing interest based on the Term SOFR Rate, conversion to or continuation of Advances bearing interest based on the Term SOFR Rate to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrowers will be deemed to have converted any such request into a request for a Domestic Rate Loan. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate.

(a) Certain Defined Terms. As used in this Section 3.8.2:

"Available Tenor" means, as of any date of determination and with respect to the then-current Benchmark, as applicable (x) if such Benchmark is a term rate or is based on a term rate, any tenor for such Benchmark (or component thereof)

that is or may be used for determining the length of an interest period pursuant to this Agreement or (y) otherwise, any payment period for interest calculated with reference to such Benchmark (or a component thereof) that is or may be used for determining any frequency of making payments of interest calculated with reference to such Benchmark pursuant to this Agreement, in each case, as of such date and not including, for the avoidance of doubt, any tenor of such Benchmark that is then-removed from the definition of "Interest Period" pursuant to paragraph (d) of this Section .

"Benchmark" means, initially, the Term SOFR Rate; provided that if a Benchmark Transition Event has occurred with respect to the Term SOFR Rate or the then-current Benchmark, then "Benchmark" means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate pursuant to this Section.

"Benchmark Replacement" means, with respect to any Benchmark Transition Event, the first alternative set forth in the order below that can be determined by the Agent for the applicable Benchmark Replacement Date:

(1) the sum of (A) Daily Simple SOFR and (B) the SOFR Adjustment for a 1-month Interest Period; or

(2) the sum of: (a) the alternate benchmark rate that has been selected by the Agent and the Borrowers, giving due consideration to (x) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (y) any evolving or then-prevailing market convention, for determining a benchmark rate as a replacement to the then-current benchmark for U.S. dollar-denominated syndicated credit facilities at such time and (B) the related Benchmark Replacement Adjustment;

provided that, if the Benchmark Replacement as determined pursuant to clause (2) above would be less than the Floor, the Benchmark Replacement will be deemed to be the Floor for the purposes of this Agreement and the Other Documents; provided further that any Benchmark Replacement shall be administratively feasible as determined by the Agent in its sole discretion.

"Benchmark Replacement Adjustment" means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement, the spread adjustment, or method for calculating or determining such spread adjustments, (which may be a positive or negative value or zero) that has been selected by the Agent and the Borrowers giving due consideration to (A) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body or (B) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread

adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar-denominated syndicated credit facilities at such time.

"Benchmark Replacement Date" means a date and time determined by the Agent, which date shall be no later than the earliest to occur of the following events with respect to the then-current Benchmark:

(1) in the case of clause (1) or (2) of the definition of "Benchmark Transition Event," the later of (A) the date of the public statement or publication of information referenced therein and (B) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof); or

(2) in the case of clause (3) of the definition of "Benchmark Transition Event," the date determined by the Agent, which date shall promptly follow the date of the public statement or publication of information referenced therein.

For the avoidance of doubt, the "Benchmark Replacement Date" will be deemed to have occurred in the case of clause (1) or (2) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

"Benchmark Transition Event" means the occurrence of one or more of the following events with respect to the then-current Benchmark:

(1) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof);

(2) a public statement or publication of information by a Governmental Body having jurisdiction over the Agent, the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the Federal Reserve Board, the Federal Reserve Bank of New York, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a resolution authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component), which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide all Available

Tenors of such Benchmark (or such component thereof) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof); or

(3) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) or a Governmental Body having jurisdiction over the Agent announcing that all Available Tenors of such Benchmark (or such component thereof) are not, or as of a specified future date will not be, representative.

For avoidance of doubt, a "Benchmark Transition Event" will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

"Benchmark Unavailability Period" means the period (if any) (x) beginning at the time that a Benchmark Replacement Date has occurred if, at such time, no Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Other Document in accordance with this Section titled "Benchmark Replacement Setting" and (y) ending at the time that a Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Other Document in accordance with this Section titled "Benchmark Replacement Setting".

"Floor" means the benchmark rate floor, if any, provided in this Agreement initially (as of the execution of this Agreement, the modification, amendment or renewal of this Agreement or otherwise) with respect to the Term SOFR Rate or, if no floor is specified, zero.

"Relevant Governmental Body" means the Board of Governors of the Federal Reserve System or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Board of Governors of the Federal Reserve System or the Federal Reserve Bank of New York, or any successor thereto.

"Unadjusted Benchmark Replacement" means the applicable Benchmark Replacement excluding the related Benchmark Replacement Adjustment.

Capital Adequacy.

In the event that Agent, Swing Loan Lender or any Lender shall have determined that any Applicable Law or guideline regarding liquidity or capital adequacy, or any Change in Law or any change in the interpretation or administration thereof by any Governmental Body, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by Agent, Swing Loan Lender, Issuer or any Lender (for purposes of this Section 3.9, the term "Lender" shall include Agent, Swing Loan Lender, Issuer or any Lender and any

corporation or bank controlling Agent, Swing Loan Lender or any Lender and the office or branch where Agent, Swing Loan Lender or any Lender (as so defined) makes or maintains any Term SOFR Rate Loans) with any request or directive regarding liquidity or capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on Agent, Swing Loan Lender or any Lender's capital as a consequence of its obligations hereunder (including the making of any Swing Loans) to a level below that which Agent, Swing Loan Lender or such Lender could have achieved but for such adoption, change or compliance (taking into consideration Agent's, Swing Loan Lender's and each Lender's policies with respect to liquidity or capital adequacy) by an amount deemed by Agent, Swing Loan Lender or any Lender to be material, then, from time to time, Borrowers shall pay, within ten (10) days after receipt of a certificate pursuant to Section 3.9(b), to Agent, Swing Loan Lender or such Lender such additional amount or amounts as will compensate Agent, Swing Loan Lender or such Lender for such reduction. In determining such amount or amounts, Agent, Swing Loan Lender or such Lender may use any reasonable averaging or attribution methods. The protection of this Section 3.9 shall be available to Agent, Swing Loan Lender and each Lender regardless of any possible contention of invalidity or inapplicability with respect to the Applicable Law, rule, regulation, guideline or condition.

A certificate of Agent, Swing Loan Lender or such Lender setting forth such amount or amounts as shall be necessary to compensate Agent, Swing Loan Lender or such Lender with respect to Section 3.9(a) hereof when delivered to Borrowing Agent shall be conclusive absent manifest error.

Failure or delay on the part of Agent, Swing Loan Lender or such Lender to demand compensation pursuant to this Section shall not constitute a waiver of Agent's, Swing Loan Lender's or such Lender's right to demand such compensation; provided that the Borrowers shall not be required to compensate Agent, Swing Loan Lender or such Lender pursuant to this Section for any increased costs incurred or reductions suffered more than one hundred eighty (180) days prior to the date that Agent, Swing Loan Lender or such Lender, as the case may be, notifies the Borrowers of the event or Change in Law giving rise to such increased costs or reductions, and of such Agent's, Swing Loan Lender's or such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the one hundred eighty (180) day period referred to above shall be extended to include the period of retroactive effect thereof).

Taxes.

Any and all payments by or on account of any Obligations hereunder or under any Other Document shall be made free and clear of and without reduction or withholding for any Indemnified Taxes or Other Taxes; provided that if Credit Parties shall be required by Applicable Law to deduct any Indemnified Taxes (including any Other Taxes) from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) Agent, Swing Loan Lender, Lender, Issuer or Participant, as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Credit Parties shall make such deductions and (iii) the Credit Parties shall timely pay the full amount deducted to the relevant Governmental Body in accordance with Applicable Law.

Without limiting the provisions of Section 3.10(a) above, Borrowers shall timely pay any Other Taxes to the relevant Governmental Body in accordance with Applicable Law.

The Credit Parties shall jointly and severally indemnify Agent, Swing Loan Lender, each Lender, Issuer and any Participant, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by Agent, Swing Loan Lender, such Lender, Issuer, or such Participant, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Body. A certificate as to the amount of such payment or liability delivered to Borrowers by any Lender, Swing Loan Lender, Participant, or Issuer (with a copy to Agent), or by Agent on its own behalf or on behalf of Swing Loan Lender, a Lender or Issuer, shall be conclusive absent manifest error.

As soon as practicable after any payment of Indemnified Taxes or Other Taxes by any Borrower to a Governmental Body, Borrowers shall deliver to Agent the original or a certified copy of a receipt issued by such Governmental Body evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to Agent.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made hereunder or under any Other Document shall deliver to the Borrowing Agent and the Agent, at the time or times reasonably requested by the Borrowing Agent or the Agent, such properly completed and executed documentation reasonably requested by the Borrowing Agent or the Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrowing Agent or the Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrowing Agent or the Agent as will enable the Borrowing Agent or the Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.10(e)(ii)(A), (ii)(B), and (ii)(C) and Section 3.10(f) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender or its Affiliates. Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrowers and Agent in writing of its legal inability to do so.

Without limiting the generality of the foregoing, in the event that any Borrower is a U.S. Person:

any Lender that is a U.S. Person shall deliver to the Borrowing Agent and the Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of any Borrower or the Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrowing Agent and the Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of any Borrower or the Agent), whichever of the following is applicable: (1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under this Agreement and any Other Document, executed copies of IRS Form W-8BEN-E (or IRS Form W-8BEN, as applicable), establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments hereunder or any Other Document, IRS Form W-8BEN-E (or IRS Form W-8BEN, as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty; (2) executed copies of IRS Form W-8ECI; (3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not (A) a "bank" within the meaning of section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of Borrowers within the meaning of section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in section 881(c)(3)(C) of the Code and (y) two duly completed valid originals of IRS Form W-8BEN-E (or W-8BEN, if applicable); or (4) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN-E, (or IRS Form W-8BEN, as applicable), a certificate meeting the requirements of Section 3.10(e)(ii)(3), IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable.

any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrowing Agent and the Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrowers or the Agent to determine the withholding or deduction required to be made.

Notwithstanding the submission of such documentation claiming a reduced rate of or exemption from U.S. withholding Tax, Agent shall be entitled to withhold United States federal income taxes at the full thirty percent (30%) withholding rate if in its reasonable judgment it is required to do so under the due diligence requirements imposed upon a withholding agent under § 1.1441-7(b) of the United States Income Tax Regulations or other Applicable Law. Further, Agent is indemnified under § 1.1461-1(e) of the United States Income Tax Regulations against any claims and demands of any Lender, Issuer or assignee or participant of a Lender or Issuer for the amount of any tax it deducts and withholds in accordance with regulations under § 1441 of the Code.

For the purposes of applying this Section 3.10(e), the term Lender shall include any Lender, Swing Loan Lender, Issuer, and Participant.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrowers and Agent in writing of its legal inability to do so.

If a payment made to a Lender, Swing Loan Lender, Participant, Issuer, or Agent under this Agreement or any Other Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Person fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender, Swing Loan Lender, Participant, Issuer, or Agent shall deliver to Agent (in the case of Swing Loan Lender, a Lender, Participant or Issuer) and Borrowers (A) a certification signed by the chief financial officer, principal accounting officer, treasurer or controller of such Person, and (B) other documentation reasonably requested by Agent or any Borrower sufficient for Agent and Borrowers to comply with their obligations under FATCA and to determine that Swing Loan Lender, such Lender, Participant, Issuer, or Agent has complied with such applicable reporting requirements.

If Agent, Swing Loan Lender, a Lender, a Participant or Issuer determines, in its sole discretion, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by Borrowers or with respect to which Borrowers have paid additional amounts pursuant to this Section, it shall pay to Borrowers an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by Borrowers under this Section with respect to the Indemnified Taxes or Other Taxes giving rise to such refund); net of all out-of-pocket expenses of Agent, Swing Loan Lender, such Lender, Participant, or the Issuer, as the case may be, and without interest (other than any interest paid by the relevant Governmental Body with respect to such refund), provided that Borrowers, upon the request of Agent, Swing Loan Lender, such Lender, Participant, or Issuer, agrees to repay the amount paid over to Borrowers (plus any penalties, interest or other charges imposed by the relevant Governmental Body) to Agent, Swing Loan Lender, such Lender, Participant or the Issuer in the event Agent, Swing Loan Lender, such Lender, Participant or the Issuer is required to repay such refund to such Governmental Body. This Section shall not be construed to require Agent, Swing Loan Lender, any Lender, Participant, or Issuer to (i) make available its tax returns (or any other information relating to its taxes that it deems confidential) to Borrowers or any other Person or (ii) pay any amount under this Section 3.10(g) which would place the it or its Affiliates in a less favorable net after-Tax position than it and its Affiliates would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid.

Mitigation Obligations; Replacement of Lenders.

Designation of a Different Lending Office. If any Lender requests compensation under Section 3.7 or 3.9, or requires the Borrowers to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Body for the account of any Lender pursuant to Section 3.10, then such Lender shall (at the request of the Borrowers) use reasonable efforts to designate a different lending office for funding or booking its Advances to the Borrowers hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.7, 3.9 or 3.10, as the case may be, in the future, and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

Replacement of Lenders. If any Lender (an "Affected Lender") (a) makes demand upon Borrowers for (or if Borrowers are otherwise required to pay) amounts pursuant to Section 3.7, 3.9 or 3.10 hereof, (b) is unable to make or maintain Term SOFR Rate Loans as a result of a condition described in Section 2.2(h) hereof, (c) is a Defaulting Lender, or (d) denies any consent requested by Agent pursuant to Section 16.2(b) hereof agreed to by Required Lenders, Borrowers may, within ninety (90) days of receipt of such demand, notice (or the occurrence of such other event causing Borrowers to be required to pay such compensation or causing Section 2.2(h) hereof to be applicable), or such Lender becoming a Defaulting Lender or denial of a request by Agent pursuant to Section 16.2(b) hereof, as the case may be, by notice in writing to Agent and such Affected Lender (i) request the Affected Lender to cooperate with Borrowers in obtaining a replacement Lender satisfactory to Agent and Borrowers (the "Replacement Lender"); (ii) request the non-Affected Lenders to acquire and assume all of the Affected Lender's Advances and its Revolving Commitment Percentage, as provided herein, but none of such Lenders shall be under any obligation to do so; or (iii) propose a Replacement Lender subject to approval by Agent. If any satisfactory Replacement Lender shall be obtained, and/or if any one or more of the non-Affected Lenders shall agree to acquire and assume all of the Affected Lender's Advances and its Revolving Commitment Percentage, then such Affected Lender shall assign, in accordance with Section 16.3 hereof, all of its Advances and its Revolving Commitment Percentage, and other rights and obligations under this Loan Agreement and the Other Documents to such Replacement Lender or non-Affected Lenders, as the case may be, in exchange for payment of the principal amount so assigned and all interest and fees accrued on the amount so assigned, plus all other Obligations then due and payable to the Affected Lender. Nothing contained in this Section 3.11 shall limit Agent's and Borrowing Agent's right to replace a Lender pursuant to Section 16.2(d).

COLLATERAL: GENERAL TERMS

Security Interest in the Collateral. To secure the prompt payment and performance to Agent, Issuer, Swing Loan Lender, each Lender and each other Secured Party (and each other holder of any Obligations) of the Obligations, each Credit Party hereby assigns, pledges and grants to Agent for its benefit and for the ratable benefit of each Secured Party, a continuing security interest in and to and Lien on all of its Collateral, whether now owned or existing or hereafter created, acquired or arising and wheresoever located. Each Credit Party shall mark its books and records as may be necessary or appropriate to evidence, protect and perfect Agent's security interest. Each Credit Party shall provide Agent with written notice of all commercial tort claims for which the amount of damages sought exceeds \$500,000 promptly upon such claim having been asserted in judicial proceedings, mediation, arbitration or other formal or informal dispute resolution forums, such notice to contain a brief description of the claim(s), the events out of which such claim(s) arose and the parties against which such claims may be asserted and, if applicable in any case where legal proceedings regarding such claim(s) have been commenced, the case title together with the applicable court and docket number.

Perfection of Security Interest. Each Credit Party shall take all action that may be necessary or desirable, or that Agent may request, so as at all times to maintain the validity, perfection, enforceability and priority of Agent's security interest in and Lien on the Collateral or to enable Agent to protect, exercise or enforce its rights hereunder and in the Collateral, including, but not limited to, (i) immediately discharging all Liens other than Permitted Encumbrances, (ii) delivering to Agent, endorsements of, instruments of assignment as Agent may specify with

respect to, and stamping or marking in such manner as Agent may specify, any and all chattel paper, instruments and advices thereof and documents evidencing or forming a part of the Collateral, (iii) executing and delivering pledges of the Equity Interests of each of its Subsidiaries (solely to the extent such Equity Interests do not constitute Excluded Property) (iv) executing and delivering Ship Mortgages with respect to Documented Vessels that are U.S. flag vessels (including without limitation Documented Vessels acquired or constructed after the Closing Date) as well as evidence satisfactory to Agent that such Ship Mortgages have been duly recorded with the NVDC, and (v) executing and delivering financing statements, control agreements, instruments of pledge, notices and assignments, in each case in form and substance reasonably satisfactory to Agent, relating to the creation, validity, perfection, maintenance or continuation of Agent's security interest and Lien under the Uniform Commercial Code or other Applicable Law. By its signature hereto, each Credit Party hereby authorizes Agent to file against such Credit Party, one or more financing, continuation or amendment statements pursuant to the Uniform Commercial Code in form and substance satisfactory to Agent (which statements may have a description of collateral which is broader than that set forth herein, including without limitation a description of Collateral as "all assets" and/or "all personal property" of any Credit Party). All charges, expenses and fees Agent may incur in doing any of the foregoing, and any local taxes relating thereto, shall be charged to Borrowers' Account as a Revolving Advance of a Domestic Rate Loan and added to the Obligations. Notwithstanding the foregoing, unless an Event of Default has occurred and is continuing, the Credit Parties shall not be obligated to perfect a security interest in (a) letter of credit rights (other than those that constitute supporting obligations as to other Collateral) with a value of less than \$2,500,000, or (b) deliver to Agent possession of any items of Collateral with a value of less than \$2,500,000 (it being understood that nothing in this Agreement requires the delivery of local law security agreements and/or perfection steps with respect to Equity Interests issued by Foreign Subsidiaries).

Preservation of Collateral. Following the occurrence and during the continuation of an Event of Default and in addition to the rights and remedies set forth in Section 11.1 hereof, Agent: (a) may at any time take such steps as Agent deems necessary to protect Agent's interest in and to preserve the Collateral, including the hiring of security guards or the placing of other security protection measures as Agent may deem appropriate; (b) may employ and maintain at any of any Credit Party's premises a custodian who shall have full authority to do all acts necessary to protect Agent's interests in the Collateral; (c) may lease warehouse facilities to which Agent may move all or part of the Collateral; and (d) shall have, and is hereby granted, a right of ingress and egress to the places where the Collateral is located, and may proceed over and through any of Credit Parties' owned or leased property. Each Credit Party shall cooperate fully with all of Agent's efforts to preserve the Collateral and will take such actions to preserve the Collateral as Agent may direct. All of Agent's expenses of preserving the Collateral, including any expenses relating to the bonding of a custodian, shall be charged to Borrowers' Account as a Revolving Advance maintained as a Domestic Rate Loan and added to the Obligations.

Ownership and Location of Collateral.

With respect to the Collateral, at the time the Collateral becomes subject to Agent's security interest: (i) each Credit Party shall be the sole owner of or have rights or an interest in, and be fully authorized and able to sell, transfer, pledge and/or grant a first priority security interest in each and every item of its respective Collateral to Agent, subject to Permitted Encumbrances;

and, except for Permitted Encumbrances the Collateral shall be free and clear of all Liens whatsoever; (ii) each document and agreement executed by each Credit Party or delivered to Agent or any Lender in connection with this Agreement shall be true and correct in all material respects; (iii) all signatures and endorsements of each Credit Party that appear on such documents and agreements shall be genuine and each Credit Party shall have full capacity to execute same; and (iv) each Credit Party's Equipment and Inventory shall be located as set forth on Schedule 4.4 (unless such Equipment or Inventory is being utilized for a project and at a customer's location or other location in the Ordinary Course of Business; provided, that in any event no Eligible Fleet Assets shall be located within any Ineligible Location), or at such other locations as a Credit Party may from time to time notify Agent.

Schedule 4.4 hereto sets forth a correct and complete list as of the Amendment No. 2 Closing Date of (A) each place of business of each Credit Party, (B) the chief executive office of each Credit Party; (C) the location of any Inventory or Equipment of a Credit Party (unless such Equipment or Inventory is being utilized for a project and at a customer's location; provided, that in any event no Eligible Fleet Assets shall be located in any Ineligible Location), and (D) the location, by state and street address, of all Real Property owned or leased by each Credit Party, identifying which properties are owned and which are leased.

Defense of Agent's and Lenders' Interests. Until (a) payment and performance in full of all of the Obligations and (b) termination of this Agreement, Agent's interests in the Collateral shall continue in full force and effect. Each Credit Party shall defend Agent's interests in the Collateral against any and all Persons whatsoever. At any time following demand by Agent for payment of all Obligations after the occurrence and during the continuance of an Event of Default, Agent shall have the right to take possession of the indicia of the Collateral and the Collateral in whatever physical form contained, including: labels, stationery, documents, instruments and advertising materials. If Agent exercises this right to take possession of the Collateral, each Credit Party shall, upon demand, assemble it in a manner reasonably requested by Agent and make it available to Agent at a place reasonably convenient to Agent. In addition, with respect to all Collateral, Agent and Lenders shall be entitled to all of the rights and remedies set forth herein and further provided by the Uniform Commercial Code or other Applicable Law. If an Event of Default has occurred and is continuing, at Agent's request, each Credit Party shall, and Agent may, at its option, instruct all suppliers, carriers, forwarders, warehousemen or others receiving or holding cash, checks, Inventory, documents or instruments in which Agent holds a security interest to deliver same to Agent and/or subject to Agent's order and if they shall come into any Credit Party's possession, they, and each of them, shall be held by such Credit Party in trust as Agent's trustee, and such Credit Party will immediately deliver them to Agent in their original form together with any necessary endorsement.

Inspection of Premises. During normal business hours and upon reasonable prior notice, Agent shall have full access to and the right to audit, check, inspect and make abstracts and copies from each Credit Party's books, records, audits, correspondence and all other papers relating to the Collateral and the operation of each Credit Party's business. Agent and its agents may enter upon any premises of any Credit Party upon reasonable notice at any time during business hours, for the purpose of inspecting the Collateral and any and all records pertaining thereto and the operation of such Credit Party's business. Borrowers' obligation to pay fees to Agent in respect of

collateral evaluations provided for under this Section 4.6 shall be limited to the extent set forth in Section 3.4.

Appraisals. Agent may in its Permitted Discretion (and shall at the written direction of Required Lenders but only to the extent Borrowers are obligated to reimburse Agent pursuant to the terms of this Section 4.7), at any time after the Closing Date and from time to time, engage the services of an Approved Appraiser, for the purpose of appraising Credit Parties' assets; **provided**, that so long as no Event of Default shall have occurred during a calendar year, Agent shall not conduct more than one (1) appraisal of the Equipment (including Fleet Assets) in such calendar year (increasing to two (2) appraisals of Equipment (including Fleet Assets) in a calendar year if at any time during such calendar year Undrawn Availability is less than fifteen percent (15.0%) of the Maximum Loan Amount for five (5) consecutive Business Days, except for appraisals conducted in connection with a proposed Permitted Acquisition (whether or not consummated). Absent the occurrence and continuance of an Event of Default at such time, Agent shall consult with Borrowing Agent as to the identity of any such Approved Appraiser. Borrowers shall reimburse Agent for the costs, expenses and charges incurred by Agent in respect of any appraisal; **provided**, that so long as no Event of Default shall have occurred during a calendar year, Borrowers shall not be obligated to reimburse Agent for more than one (1) appraisal of the Equipment (including Fleet Assets) in such calendar year (increasing to two (2) appraisals of Equipment (including Fleet Assets) in a calendar year if at any time during such calendar year Undrawn Availability is less than fifteen percent (15.0%) of the Maximum Loan Amount for five (5) consecutive Business Days, except for appraisals conducted in connection with a proposed Permitted Acquisition (whether or not consummated).

Receivables; Deposit Accounts and Securities Accounts.

Each of the Receivables shall be a bona fide and valid account representing a bona fide indebtedness incurred by the Customer therein named, for a fixed sum as set forth in the invoice relating thereto (provided immaterial or unintentional invoice errors shall not be deemed to be a breach hereof) with respect to an absolute sale or lease and delivery of goods upon stated terms of a Credit Party, or work, labor or services theretofore rendered by a Credit Party as of the date each Receivable is created. Same shall be due and owing in accordance with the applicable Credit Party's terms of sale with the Customer, without dispute, setoff or counterclaim except as may be stated on the accounts receivable schedules delivered by Credit Parties to Agent.

Each Customer, to the best of each Credit Party's knowledge, as of the date each Receivable is created, is and will be solvent and able to pay all Receivables on which the Customer is obligated in full when due. With respect to such Customers of any Credit Party who are not solvent, such Credit Party has set up on its books and in its financial records bad debt reserves adequate to cover such Receivables.

Each Credit Party's chief executive office is located as set forth on Schedule 4.4. Until written notice is given to Agent by Borrowing Agent of any other office at which any Credit Party keeps its records pertaining to Receivables, all such records shall be kept at such executive office.

Credit Parties shall instruct their Customers to deliver all remittances upon Receivables (whether paid by check or by wire transfer of funds) to such Collection Account(s) (and any associated lockboxes) as contemplated by Section 4.8(h). Notwithstanding the foregoing, to the extent any Credit Party directly receives any remittances upon Receivables, such Credit Party shall promptly deposit such remittances in a Collection Account, and shall as soon as possible and in any event no later than one (1) Business Day after the receipt thereof (i) in the case of remittances paid by check, deposit all such remittances in their original form (after supplying any necessary endorsements) and (ii) in the case of remittances paid by wire transfer of funds, transfer all such remittances, in each case, into such Collection Accounts(s). Each Credit Party shall deposit in the Collection Account or, upon request by Agent after the occurrence and during the continuance of an Event of Default, deliver to Agent, in original form and on the date of receipt thereof, all checks, drafts, notes, money orders, acceptances, cash and other evidences of Indebtedness.

[Intentionally Omitted].

At any time following the occurrence and during the continuation of an Event of Default, Agent shall have the right to receive, endorse, assign and/or deliver in the name of Agent or any Credit Party any and all checks, drafts and other instruments for the payment of money relating to the Receivables, and each Credit Party hereby waives notice of presentment, protest and non-payment of any instrument so endorsed. Each Credit Party hereby constitutes Agent or Agent's designee as such Credit Party's attorney with power at any time: following the occurrence and during the continuation of an Event of Default: (i) to endorse such Credit Party's name upon any notes, acceptances, checks, drafts, money orders or other evidences of payment or Collateral; (ii) to sign such Credit Party's name on all financing statements or any other documents or instruments deemed necessary or appropriate by Agent to preserve, protect, or perfect Agent's interest in the Collateral and to file same; (iii) to receive, open and dispose of all mail addressed to any Credit Party at any post office box/lockbox maintained by Agent for Credit Parties or at any other business premises of Agent; (iv) to sign such Credit Party's name on any invoice or bill of lading relating to any of the Receivables, drafts against Customers, assignments and verifications of Receivables, (v) to demand payment of the Receivables; (vi) to enforce payment of the Receivables by legal proceedings or otherwise; (vii) to exercise all of such Credit Party's rights and remedies with respect to the collection of the Receivables and any other Collateral; (viii) to sue upon or otherwise collect, extend the time of payment of, settle, adjust, compromise, extend or renew the Receivables; (ix) to settle, adjust or compromise any legal proceedings brought to collect Receivables; (x) to prepare, file and sign such Credit Party's name on a proof of claim in bankruptcy or similar document against any Customer; (xi) to prepare, file and sign such Credit Party's name on any notice of Lien, assignment or satisfaction of Lien or similar document in connection with the Receivables; (xii) to accept the return of goods represented by any of the Receivables; (xiii) to change the address for delivery of mail addressed to any Credit Party to such address as Agent may designate; and (xiv) to do all other acts and things necessary to carry out this Agreement. All acts of said attorney or designee are hereby ratified and approved, and said attorney or designee shall not be liable for any acts of omission or commission nor for any error of judgment or mistake of fact or of law, unless done maliciously or with gross (not mere) negligence, bad faith or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable judgment); this power being coupled with an interest is irrevocable while any of the Obligations remain unpaid.

Neither Agent nor any Lender shall, under any circumstances or in any event whatsoever, have any liability for any error or omission or delay of any kind occurring in the settlement, collection or payment of any of the Receivables or any instrument received in payment thereof, or for any damage resulting therefrom.

Credit Parties shall (i) establish and maintain their primary depository and treasury management relationships and all Collection Accounts with the Primary Depository Institution and (ii) deposit or cause to be deposited promptly, and in any event no later than the first (1st) Business Day after the date of receipt thereof, all of their collections and proceeds of Collateral into a Collection Account of a Credit Party (or into a lockbox from which collections received therein are deposited into a Collection Account of a Credit Party). Each Collection Account and each other deposit or securities account of a Credit Party (each such Collection Account, deposit account or securities account, other than an Excluded Deposit Account, a "Controlled Account") shall be subject to a deposit account control agreement with the applicable bank, financial or securities intermediary (each, a "Controlled Account Bank") in form and substance reasonably satisfactory to Agent and shall provide (unless Agent otherwise agrees), among other things, that (A) the applicable Controlled Account Bank will comply with any instructions originated by Agent directing the disposition of the funds in such Controlled Account without further consent by the applicable Credit Party, (B) the applicable Controlled Account Bank waives, subordinates, or agrees not to exercise any rights of setoff or recoupment or any other claim against the applicable Controlled Account other than for payment of its service fees and other charges directly related to the administration of such Controlled Account and for returned checks or other items of payment, and (C) upon the instruction of Agent (an "Activation Instruction"), the applicable Controlled Account Bank will forward by daily sweep all amounts in the applicable Controlled Account as identified by Agent in such Activation Instruction to the appropriate account of Agent. Agent agrees not to issue an Activation Instruction with respect to any Controlled Account unless a Cash Dominion Period has commenced. If a Cash Dominion Trigger Event occurs, Agent may (and at the written direction of Required Lenders shall) issue an Activation Instruction. Agent agrees to use commercially reasonable efforts to rescind an Activation Instruction at such time as the Cash Dominion Period with respect to such Cash Dominion Trigger Event has terminated. Agent shall apply all funds received by it from the Controlled Accounts to the Revolving Advances; provided, that if an Application Event has occurred and is continuing and funds are to be applied pursuant to Section 11.5, such funds are to be applied in respect of the obligations in accordance with Section 11.5 to the satisfaction of the Obligations (including the Cash Collateralization of the Letters of Credit) in the manner provided in this Agreement; provided further that, in the absence of any Event of Default, Agent shall apply all such funds representing collection of Receivables first to the prepayment of the principal amount of the Swing Loans, if any, and then to the Revolving Advances.

If an Event of Default has occurred and is continuing, no Credit Party will, without Agent's consent, compromise or adjust any Receivables (or extend the time for payment thereof) or accept any material returns of merchandise or grant any additional discounts, allowances or credits thereon except for those compromises, adjustments, returns, discounts, credits and allowances as have been heretofore customary in the Ordinary Course of Business of such Credit Party.

All deposit accounts, securities accounts and investment accounts of each Credit Party and its Subsidiaries (other than with respect to any Strategic Joint Venture) as of the Amendment No. 2 Closing Date are set forth on Schedule 4.8(j). No Credit Party shall open any new deposit account, securities account or investment account unless (i) Borrowers shall have given at least ten (10) days prior written notice to PNC and (ii) such bank, depository institution or securities intermediary, each applicable Credit Party and Agent shall first have entered into an account control agreement in form and substance satisfactory to Agent sufficient to give Agent "control" (for purposes of Articles 8 and 9 of the Uniform Commercial Code) over such account. Notwithstanding anything herein to the contrary, this Section 4.8(j) shall not apply to Excluded Deposit Accounts.

Inventory. To the extent Inventory held for sale or lease has been produced by any Credit Party, it has been and will be produced by such Credit Party in accordance with the Federal Fair Labor Standards Act of 1938, as amended, and all rules, regulations and orders thereunder.

Maintenance of Equipment. The Equipment shall be maintained in good operating condition and repair (reasonable wear and tear excepted) and all necessary replacements of and repairs thereto shall be made so that the value and operating efficiency of the Equipment shall be maintained and preserved, except where the failure to do so would not have a Material Adverse Effect. No Credit Party shall use or operate the Equipment in violation of any law, statute, ordinance, code, rule or regulation except to the extent such violations would not have a Material Adverse Effect.

Exculpation of Liability. Nothing herein contained shall be construed to constitute Agent or any Lender as any Credit Party's agent for any purpose whatsoever, nor shall Agent or any Lender be responsible or liable for any shortage, discrepancy, damage, loss or destruction of any part of the Collateral wherever the same may be located and regardless of the cause thereof unless caused maliciously or with gross (not mere) negligence, bad faith or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable judgment). Neither Agent nor any Lender, whether by anything herein or in any assignment or otherwise, assume any of any Credit Party's obligations under any contract or agreement assigned to Agent or such Lender, and neither Agent nor any Lender shall be responsible in any way for the performance by any Credit Party of any of the terms and conditions thereof.

Maritime Representations and Covenants. Each Credit Party:

represents and warrants that as of the Amendment No. 2 Closing Date all Fleet Assets flagged or located in the United States are listed on Schedule 1.3;

will not transfer or change the flag of (other than reflagging to an Approved Flag Jurisdiction in accordance with the requirements of this Section 4.12), or change the name or vessel number of, any of the Documented Vessels that are U.S. flag vessels (or Documented Vessels that have been reflagged to an Approved Flag Jurisdiction in accordance with the requirements of this Section 4.12) without the prior written consent of Required Lenders; provided, further, that any such consent, once obtained shall not be construed to be a waiver of this provision with respect to any subsequent proposed transfer or change of flag, or change in the name or vessel number of such vessel, or any other Documented Vessels that are U.S. flag vessels (or Documented Vessels

that have been reflagged to an Approved Flag Jurisdiction in accordance with the requirements of this Section 4.12);

will not permit any Documented Vessel that is an Eligible Fleet Asset to be flagged in any jurisdiction other than the United States or another Approved Flag Jurisdiction;

Material Occurrences. Each Credit Party hereby authorizes all Governmental Bodies to furnish to Agent and each Lender copies of reports or examinations relating to such Credit Party, whether made by such Credit Party or otherwise; however, Agent and each Lender will attempt to obtain such information or materials directly from such Credit Party prior to obtaining such information or materials from such accountants or Governmental Bodies.

GLDD or any of its Subsidiaries defaults in the payment when due of any amount due under any Bonding Agreement or breaches or defaults with respect to any other term of any Bonding Agreement, if the effect of such failure to pay, default or breach is to cause the related Surety to take possession of the work under any of the bonded contracts of GLDD or any of its Subsidiaries and such possession could reasonably be expected to result in a Material Adverse Effect; or

Any Credit Party breaches or defaults with respect to any term under any of the bonded contracts of such Credit Party, if the effect of such default or breach is to cause the related Surety to take possession of the work under such bonded contract and such possession could reasonably be expected to result in a Material Adverse Effect.

Cross Default. Either (x) any specified "event of default" under any Indebtedness (other than the Obligations) of any Borrower with a then-outstanding principal balance (or, in the case of any Indebtedness not so denominated, with a then-outstanding total obligation amount) of \$17,500,000 or more, or any other event or circumstance which would permit the holder of any such Indebtedness of any Borrower to accelerate such Indebtedness (and/or the obligations of Borrower thereunder) prior to the scheduled maturity or termination thereof, shall occur (regardless of whether the holder of such Indebtedness shall actually accelerate, terminate or otherwise exercise any rights or remedies with respect to such Indebtedness) or (y) a default of the obligations of any Borrower under any other agreement to which it is a party shall occur which has or is reasonably likely to have a Material Adverse Effect;

Seizures. (a) Collateral with an aggregate value in excess of \$2,500,000 shall be condemned or otherwise subject to judicial sale, or requisitioned for title, seized or forfeited to a Governmental Body; provided, that for the avoidance of doubt, (i) the arrest of a Fleet Asset shall not constitute an Event of Default hereunder if the arrest is in connection with a Permitted Encumbrance that is being Properly Contested and (ii) any seizure or forfeiture of a Fleet Asset by or to a Governmental Body shall not constitute an Event of Default hereunder if such seizure or forfeiture does not cause a Material Adverse Effect, or (b) the title, rights and interests in any material portion of the Collateral of any Borrower, any Guarantor or any shareholder of a Credit Party shall have become the subject matter of a claim, litigation, suit, garnishment or other proceeding which is likely in the Permitted Discretion of Agent, upon final determination, to result

in impairment or loss of the security provided by this Agreement or the Other Documents; provided, that for the avoidance of doubt, the imposition of a Permitted Encumbrance on the Collateral shall not constitute an Event of Default hereunder;

Second Lien Loan Default. An event of default (including any "Event of Default" as defined in the Second Lien Loan Agreement) has occurred under the Second Lien Loan Documents, which default shall not have been cured or waived within any applicable grace period, or if any Person party to the Intercreditor Agreement (Second Lien) breaches or violates, or attempts to terminate or challenge the validity of, such agreement; or

LENDERS' RIGHTS AND REMEDIES AFTER DEFAULT.

Rights and Remedies.

Upon the occurrence and during the continuance of: (i) an Event of Default pursuant to Section 10.7 (other than Section 10.7(vii)), all Obligations shall be immediately due and payable and this Agreement and the obligation of Lenders to make Advances shall be deemed terminated, (ii) any of the other Events of Default and at any time thereafter during the continuance of such Event of Default, at the option of Agent or at the direction of Required Lenders all Obligations shall be immediately due and payable and Agent or Required Lenders shall have the right to terminate this Agreement and to terminate the obligation of Lenders to make Advances; and (iii) without limiting Section 8.2 hereof, any Default under Section 10.7(vii) hereof, the obligation of Lenders to make Advances hereunder shall be suspended until such time as such involuntary petition shall be dismissed. Upon the occurrence and during the continuance of any Event of Default, Agent shall have the right to exercise any and all rights and remedies provided for herein, under the Other Documents, under the Uniform Commercial Code and at law or equity generally, including the right to foreclose the security interests granted herein and to realize upon any Collateral by any available judicial procedure and/or to take possession of and sell any or all of the Collateral with or without judicial process. At any time following the occurrence and during the continuance of an Event of Default, Agent shall have the right to send notice of the assignment of, and Agent's security interest in and Lien on, the Receivables to any and all Customers or any third party holding or otherwise concerned with any of the Collateral. At any time after the occurrence and during the continuance of an Event of Default, Agent shall have the sole right to collect the Receivables, take possession of the Collateral, or both. Agent's actual out-of-pocket collection expenses may be charged to Borrowers' Account and added to the Obligations. To the extent allowed by Applicable Law, Agent may enter any of any Borrower's premises or other premises without legal process and without incurring liability to any Borrower therefor, and Agent may thereupon, or at any time thereafter, in its discretion without notice or demand, take the Collateral and remove the same to such place as Agent may deem advisable and Agent may require Borrowers to make the Collateral available to Agent at a convenient place. With or without having the Collateral at the time or place of sale, Agent may sell the Collateral, or any part thereof, at public or private sale, at any time or place, in one or more sales, at such price or prices, and upon such terms, either for cash, credit or future delivery, as Agent may elect. Except as to that part of the Collateral which is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Agent shall give Borrowers reasonable notification of

such sale or sales, it being agreed that in all events written notice mailed to Borrowing Agent at least ten (10) days prior to such sale or sales is reasonable notification. At any public sale Agent or any Lender may bid (including credit bid) for and become the purchaser, and Agent, any Lender or any other purchaser at any such sale thereafter shall hold the Collateral sold absolutely free from any claim or right of whatsoever kind, including any equity of redemption and all such claims, rights and equities are hereby expressly waived and released by each Borrower. In connection with the exercise of the foregoing remedies, including the sale of Inventory or Equipment (including without limitation, Fleet Assets), Agent is granted a perpetual nonrevocable, royalty free, nonexclusive license and Agent (including its designees in connection with such exercise) is granted permission to use all of each Borrower's (a) Intellectual Property which is used or useful in connection with Inventory or Equipment (including, without limitation, any Fleet Assets) for the purpose of marketing, advertising for sale and selling or otherwise disposing of such Inventory or Equipment (including, without limitation, any Fleet Assets) and (b) Equipment for the purpose of completing the manufacture of unfinished goods. The cash proceeds realized from the sale of any Collateral shall be applied to the Obligations in the order set forth in Section 11.5 hereof. Noncash proceeds will only be applied to the Obligations as they are converted into cash. If any deficiency shall arise, Borrowers shall remain liable to Agent and Lenders therefor.

To the extent that Applicable Law imposes duties on Agent to exercise remedies in a commercially reasonable manner, each Borrower acknowledges and agrees that it is not commercially unreasonable for Agent: (i) to fail to incur expenses reasonably deemed significant by Agent to prepare Collateral for disposition or otherwise to complete raw material or work in process into finished goods or other finished products for disposition; (ii) to fail to obtain third party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or disposition of Collateral to be collected or disposed of; (iii) to fail to exercise collection remedies against Customers or other Persons obligated on Collateral or to remove Liens on or any adverse claims against Collateral; (iv) to exercise collection remedies against Customers and other Persons obligated on Collateral directly or through the use of collection agencies and other collection specialists; (v) to advertise dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature; (vi) to contact other Persons, whether or not in the same business as any Borrower, for expressions of interest in acquiring all or any portion of such Collateral; (vii) to hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the Collateral is of a specialized nature; (viii) to dispose of Collateral by utilizing internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capacity of doing so, or that match buyers and sellers of assets; (ix) to dispose of assets in wholesale rather than retail markets; (x) to disclaim disposition warranties, such as title, possession or quiet enjoyment, (xi) to purchase insurance or credit enhancements to insure Agent against risks of loss, collection or disposition of Collateral or to provide to Agent a guaranteed return from the collection or disposition of Collateral; or (xii) to the extent deemed appropriate by Agent, to obtain the services of other brokers, investment bankers, consultants and other professionals to assist Agent in the collection or disposition of any of the Collateral. Each Borrower acknowledges that the purpose of this Section 11.1(b) is to provide non-exhaustive indications of what actions or omissions by Agent would not be commercially unreasonable in Agent's exercise of remedies against the Collateral and that other actions or omissions by Agent shall not be deemed commercially unreasonable solely on account of not being indicated in this Section 11.1(b). Without limitation upon the foregoing, nothing contained in this

Section 11.1(b) shall be construed to grant any rights to any Borrower or to impose any duties on Agent that would not have been granted or imposed by this Agreement or by Applicable Law in the absence of this Section 11.1(b).

Agent's Discretion. Agent shall have the right in its sole discretion to determine which rights, Liens, security interests or remedies Agent may at any time pursue, relinquish, subordinate, or modify, which procedures, timing and methodologies to employ, and what any other action to take with respect to any or all of the Collateral and in what order, thereto and such determination will not in any way modify or affect any of Agent's or Lenders' rights hereunder as against Borrowers or each other.

Setoff. Subject to Section 14.13, in addition to any other rights which Agent or any Lender may have under Applicable Law, upon the occurrence and during the continuation of an Event of Default hereunder, Agent and such Lender shall have a right, immediately and without notice of any kind, to apply any Borrower's property held by Agent and such Lender or any of their Affiliates to reduce the Obligations and to exercise any and all rights of setoff which may be available to Agent and such Lender with respect to any deposits held by Agent or such Lender. Each Lender and Issuer agrees to notify the Borrowers and Agent promptly after any such setoff and application; provided, that the failure to give such notice shall not affect the validity of such setoff and application.

Rights and Remedies not Exclusive. The enumeration of the foregoing rights and remedies is not intended to be exhaustive and the exercise of any rights or remedy shall not preclude the exercise of any other right or remedies provided for herein or otherwise provided by law, all of which shall be cumulative and not alternative.

Allocation of Payments After Event of Default. Notwithstanding any other provisions of this Agreement to the contrary, after the occurrence and during the continuance of an Application Event, all amounts collected or received by Agent on account of the Obligations, or in respect of the Collateral may, at Agent's discretion, or shall at Required Lenders' direction, be paid over or delivered as follows:

FIRST, to the payment of all reasonable out-of-pocket costs and expenses (including reasonable and documented attorneys' fees) of Agent in connection with enforcing its rights and the rights of Lenders under this Agreement and the Other Documents, and any Intentional Overadvances and Protective Advances funded by Agent with respect to the Collateral under or pursuant to the terms of this Agreement;

SECOND, to payment of any fees owed to Agent and to the payment of Currency Losses of Issuer;

THIRD, to the payment of all reasonable out-of-pocket costs and expenses (including reasonable and documented attorneys' fees) of each of the Lenders to the extent owing to such Lender pursuant to the terms of this Agreement;

FOURTH, to the payment of all of the Obligations consisting of accrued interest on account of the Swing Loans;

FIFTH, to the payment of the outstanding principal amount of the Obligations consisting of Swing Loans;

SIXTH, to the payment of all Obligations arising under this Agreement and the Other Documents consisting of accrued fees and interest (other than interest in respect of Swing Loans paid pursuant to clause FOURTH above);

SEVENTH, to the payment of the outstanding principal amount of the Obligations (other than principal in respect of Swing Loans paid pursuant to clause FIFTH above) arising under this Agreement (including the payment or cash collateralization of Cash Management Liabilities (but only to the extent a reserve has been established against the Gross Amount or the Formula Amount for such Cash Management Liabilities), Hedge Liabilities (but only to the extent a reserve has been established against the Gross Amount or the Formula Amount for such Hedge Liabilities) and outstanding Letters of Credit).

EIGHTH, to all other Obligations arising under this Agreement which shall have become due and payable (hereunder, under the Other Documents or otherwise) and not repaid pursuant to clauses "FIRST" through "SEVENTH" above and Cash Management Liabilities and Hedge Liabilities with respect to which a reserve has not been established against the Gross Amount or the Formula Amount (whether or not due and payable);

NINTH, to all other Obligations which shall have become due and payable and not repaid pursuant to clauses "FIRST" through "EIGHTH"; and

TENTH, to the payment of the surplus, if any, to whoever may be lawfully entitled to receive such surplus.

In carrying out the foregoing, (i) amounts received shall be applied in the numerical order provided until exhausted prior to application to the next succeeding category; (ii) each of the Lenders shall receive (so long as it is not a Defaulting Lender) an amount equal to its pro rata share (based on the proportion that the then outstanding Advances, Cash Management Liabilities (to the extent a reserve has been established against the Gross Amount or the Formula Amount) and Hedge Liabilities (to the extent a reserve has been established against the Gross Amount or the Formula Amount) held by such Lender bears to the aggregate then outstanding Advances, Cash Management Liabilities (to the extent a reserve has been established against the Gross Amount or the Formula Amount) and Hedge Liabilities (to the extent a reserve has been established against the Gross Amount or the Formula Amount)) of amounts available to be applied pursuant to clauses "SIXTH", "SEVENTH", "EIGHTH" and "NINTH" above; (iii) notwithstanding anything to the contrary in this Section 11.5, no Swap Obligations of any Non-Qualifying Party shall be paid with amounts received from such Non-Qualifying Party under its Guaranty (including sums received as a result of the exercise of remedies with respect to such Guaranty) or from the proceeds of such Non-Qualifying Party's Collateral if such Swap Obligations would constitute Excluded Hedge Liabilities, provided, however, that to the extent possible appropriate adjustments shall be made with respect to

payments and/or the proceeds of Collateral from other Borrowers and/or Guarantors that are Eligible Contract Participants with respect to such Swap Obligations to preserve the allocation to Obligations otherwise set forth above in this Section 11.5; and (iv) to the extent that any amounts available for distribution pursuant to clause "SEVENTH" above are attributable to the issued but undrawn amount of outstanding Letters of Credit or Cash Management Liabilities or Hedge Liabilities not then due and payable, such amounts shall be held by Agent as cash collateral for such Obligations, until due and payable.

WAIVERS AND JUDICIAL PROCEEDINGS.

Waiver of Notice. Each Borrower hereby waives notice of non-payment of any of the Receivables, demand, presentment, protest and notice thereof with respect to any and all instruments, notice of acceptance hereof, notice of loans or advances made, credit extended, Collateral received or delivered, or any other action taken in reliance hereon, and all other demands and notices of any description, except such as are expressly provided for herein.

Delay. No delay or omission on Agent's or any Lender's part in exercising any right, remedy or option shall operate as a waiver of such or any other right, remedy or option or of any Default or Event of Default.

Jury Waiver. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, COUNTERCLAIM, DEMAND, ACTION OR CAUSE OF ACTION (A) ARISING UNDER THIS AGREEMENT, ANY OTHER DOCUMENT OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HERewith, OR (B) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT, ANY OTHER DOCUMENT OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HERewith, OR THE TRANSACTIONS RELATED HERETO OR THERETO IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT OR TORT OR OTHERWISE AND EACH PARTY HEREBY CONSENTS THAT ANY SUCH CLAIM, COUNTERCLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENTS OF THE PARTIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

EFFECTIVE DATE AND TERMINATION.

Term. This Agreement, which shall inure to the benefit of and shall be binding upon the respective successors and permitted assigns of each Borrower, Agent and each Lender, shall become effective on the date hereof and shall continue in full force and effect until the Maturity Date unless sooner terminated as herein provided. Borrowers may terminate this Agreement at any time upon ten (10) days prior written notice to Agent upon payment in full of the Obligations; provided that a notice of termination of this Agreement delivered by the Borrowers may state that such notice is conditioned upon the effectiveness of other financings or

of asset dispositions (the proceeds of which, in either case, shall be used to repay the outstanding Obligations in full), in which case such notice may be revoked by the Borrowers (by written notice to the Agent from the Borrowing Agent on or prior to the specified effective date) if such condition is not satisfied.

Termination. The termination of the Agreement shall not affect Agent's or any Lender's rights, or any of the Obligations having their inception prior to the effective date of such termination or any Obligations which pursuant to the terms hereof continue to accrue after such date, and the provisions hereof shall continue to be fully operative until all transactions entered into, rights or interests created and Obligations have been fully and indefeasibly paid, disposed of, concluded or liquidated. The security interests, Liens and rights granted to Agent and Lenders hereunder and the financing statements filed hereunder shall continue in full force and effect, notwithstanding the termination of this Agreement or the fact that Borrowers' Account may from time to time be temporarily in a zero or credit position, until all of the Obligations of each Borrower have been indefeasibly paid and performed in full after the termination of this Agreement or each Borrower has furnished Agent and Lenders with an indemnification satisfactory to Agent and Lenders with respect thereto. Accordingly, each Borrower waives any rights which it may have under the Uniform Commercial Code to demand the filing of termination statements with respect to the Collateral, and Agent shall not be required to send such termination statements to each Borrower, or to file them with any filing office, unless and until this Agreement shall have been terminated in accordance with its terms and all Obligations have been indefeasibly paid in full in immediately available funds. All representations, warranties, covenants, waivers and agreements contained herein shall survive termination hereof until all Obligations are indefeasibly paid and performed in full.

REGARDING AGENT .

Appointment. Each Lender hereby designates PNC to act as Agent for such Lender under this Agreement and the Other Documents. Each Lender hereby irrevocably authorizes Agent to take such action on its behalf under the provisions of this Agreement and the Other Documents and to exercise such powers and to perform such duties hereunder and thereunder as are specifically delegated to or required of Agent by the terms hereof and thereof and such other powers as are reasonably incidental thereto and Agent shall hold all Collateral, payments of principal and interest, fees (except the fees set forth in Sections 2.8(b) and 3.4 and the Fee Letter), charges and collections received pursuant to this Agreement, for the ratable benefit of Lenders. Agent may perform any of its duties hereunder by or through its agents or employees. As to any matters not expressly provided for by this Agreement (including collection of the Note) Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of Required Lenders, and such instructions shall be binding; provided, however, that Agent shall not be required to take any action which, in Agent's discretion, exposes Agent to liability or which is contrary to this Agreement or the Other Documents or Applicable Law unless Agent is furnished with an indemnification reasonably satisfactory to Agent with respect thereto.

Nature of Duties. Neither Agent nor Green Loan Coordinator shall have any duties or responsibilities except those expressly set forth in this Agreement and the Other Documents. Neither Agent, Green Loan Coordinator nor any of their officers, directors, employees or agents

shall be (i) liable for any action taken or omitted by them as such hereunder or in connection herewith, unless caused by their gross (not mere) negligence, bad faith or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable judgment), or (ii) responsible in any manner for any recitals, statements, representations or warranties made by any Borrower or any officer thereof contained in this Agreement, or in any of the Other Documents or in any certificate, report, statement or other document referred to or provided for in, or received by Agent or Green Loan Coordinator under or in connection with, this Agreement or any of the Other Documents or for the value, validity, effectiveness, genuineness, due execution, enforceability or sufficiency of this Agreement, or any of the Other Documents or for any failure of any Borrower to perform its obligations hereunder. Neither Agent nor Green Loan Coordinator shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any of the Other Documents, or to inspect the properties, books or records of any Borrower. The duties of Agent and Green Loan Coordinator as respects the Advances to Borrowers shall be mechanical and administrative in nature; neither Agent nor Green Loan Coordinator shall have by reason of this Agreement a fiduciary relationship in respect of any Lender; and nothing in this Agreement, expressed or implied, is intended to or shall be so construed as to impose upon Agent or Green Loan Coordinator any obligations in respect of this Agreement or the transactions described herein except as expressly set forth herein. No lead arranger, bookrunner, syndication agent or documentation agent shall have any duties or obligations under this Agreement.

Lack of Reliance on Agent and Green Loan Coordinator. Independently and without reliance upon Agent, Green Loan Coordinator or any other Lender, each Lender has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of each Borrower and each Guarantor in connection with the making and the continuance of the Advances hereunder and the taking or not taking of any action in connection herewith, and (ii) its own appraisal of the creditworthiness of each Borrower and each Guarantor. Neither Agent nor Green Loan Coordinator shall have no duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before making of the Advances or at any time or times thereafter except as shall be provided by any Borrower pursuant to the terms hereof. Neither Agent nor Green Loan Coordinator shall be responsible to any Lender for any recitals, statements, information, representations or warranties herein or in any agreement, document, certificate or a statement delivered in connection with or for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency of this Agreement or any Other Document, or of the financial condition of any Borrower or any Guarantor, or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement, the Note, the Other Documents or the financial condition or prospects of any Borrower, or the existence of any Event of Default or any Default. PNC has adopted internal policies and procedures that address requirements placed on federally regulated lenders under the National Flood Insurance Reform Act of 1994 and related legislation (the "Flood Laws"). PNC, as administrative agent or collateral agent on a syndicated facility, will post on the applicable electronic platform (or otherwise distribute to each Lender in the syndicate) documents that it receives in connection with the Flood Laws. However, PNC reminds each Lender and Participant in the facility that, pursuant to the Flood Laws, each federally regulated Lender (whether acting as a Lender or Participant in the facility) is responsible for assuring its own compliance with the flood insurance requirements.

Resignation of Agent; Successor Agent. Agent may resign on sixty (60) days written notice to each Lender (or such shorter notice as Required Lenders may agree to) and Borrowing Agent (provided, no notice shall be required to be given to Borrowing Agent if an Event of Default exists) and upon such resignation, Required Lenders will promptly designate a successor Agent reasonably satisfactory to Borrowers (provided that no such approval by Borrowers shall be required (i) in any case where the successor Agent is one of the Lenders or (ii) after the occurrence and during the continuance of any Event of Default). Any such successor Agent shall succeed to the rights, powers and duties of Agent, and shall in particular succeed to all of Agent's right, title and interest in and to all of the Liens in the Collateral securing the Obligations created hereunder or any Other Document, Pledge Agreement, Maritime Security Documents and all account control agreements), and the term "Agent" shall mean such successor agent effective upon its appointment, and the former Agent's rights, powers and duties as Agent shall be terminated, without any other or further act or deed on the part of such former Agent. However, notwithstanding the foregoing, if at the time of the effectiveness of the new Agent's appointment, any further actions need to be taken in order to provide for the legally binding and valid transfer of any Liens in the Collateral from former Agent to new Agent and/or for the perfection of any Liens in the Collateral as held by new Agent or it is otherwise not then possible for new Agent to become the holder of a fully valid, enforceable and perfected Lien as to any of the Collateral, former Agent shall continue to hold such Liens solely as agent for perfection of such Liens on behalf of new Agent until such time as new Agent can obtain a fully valid, enforceable and perfected Lien on all Collateral, provided that Agent shall not be required to or have any liability or responsibility to take any further actions after such date as such agent for perfection to continue the perfection of any such Liens (other than to forego from taking any affirmative action to release any such Liens). After any Agent's resignation as Agent, the provisions of this Article XIV, and any indemnification rights under this Agreement, including without limitation, rights arising under Section 16.5 hereof, shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement (and in the event resigning Agent continues to hold any Liens pursuant to the provisions of the immediately preceding sentence, the provisions of this Article XIV and any indemnification rights under this Agreement, including without limitation, rights arising under Section 16.5 hereof, shall inure to its benefit as to any actions taken or omitted to be taken by it in connection with such Liens).

Certain Rights of Agent. If Agent shall request instructions from Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any Other Document, Agent shall be entitled to refrain from such act or taking such action unless and until Agent shall have received instructions from Required Lenders; and Agent shall not incur liability to any Person by reason of so refraining. Without limiting the foregoing, Lenders shall not have any right of action whatsoever against Agent as a result of its acting or refraining from acting hereunder in accordance with the instructions of Required Lenders.

Reliance. Agent and Green Loan Coordinator shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, statement, certificate, email, facsimile, telex, teletype or telecopier message, cablegram, order or other document or telephone message believed by it to be genuine and correct and to have been signed, sent or made by the proper person or entity, and, with respect to all legal matters pertaining to this Agreement and the Other Documents and its duties hereunder, upon advice of counsel selected by it. Without limiting the foregoing, each party hereto hereby agrees that neither the Green Loan Coordinator nor Agent

shall have any responsibility for (or liability in respect of) reviewing, auditing or otherwise evaluating any certification provided by any Borrower in connection with a Green Loan Advance (or any of the information that is part of or related to any such certification). Agent and Green Loan Coordinator may rely conclusively on any such certification provided by Borrowing Agent or any other Borrower for any Green Loan Advance without any responsibility to verify the accuracy thereof. Agent may employ agents and attorneys-in-fact and shall not be liable for the default or misconduct of any such agents or attorneys-in-fact selected by Agent with reasonable care.

Notice of Default. Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder or under the Other Documents, unless Agent has received notice from a Lender or Borrowing Agent referring to this Agreement or the Other Documents, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that Agent receives such a notice, Agent shall give notice thereof to Lenders. Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by Required Lenders; provided, that, unless and until Agent shall have received such directions, Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of Lenders.

Indemnification. To the extent Agent is not reimbursed and indemnified by Borrowers, each Lender will reimburse and indemnify Agent in proportion to its respective portion of the outstanding Advances and its respective Participation Commitments in the outstanding Letters of Credit and outstanding Swing Loans (or, if no Advances are outstanding, pro rata according to the percentage that its Revolving Commitment Amount constitutes of the total aggregate Revolving Commitment Amounts), from and against any and all liabilities, obligations, losses (including any foreign exchange losses), damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against Agent in performing its duties hereunder (including, without limitation, providing Letters of Credit in any Optional Currency), or in any way relating to or arising out of this Agreement or any Other Document; provided that Lenders shall not be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from Agent's gross (not mere) negligence, bad faith or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable judgment).

Agent in its Individual Capacity. With respect to the obligation of Agent to lend under this Agreement, the Advances made by it shall have the same rights and powers hereunder as any other Lender and as if it were not performing the duties as Agent specified herein; and the term "Lender" or any similar term shall, unless the context clearly otherwise indicates, include Agent in its individual capacity as a Lender. Agent may engage in business with any Borrower as if it were not performing the duties specified herein, and may accept fees and other consideration from any Borrower for services in connection with this Agreement or otherwise without having to account for the same to Lenders.

Delivery of Documents. To the extent Agent receives financial statements required under Sections 9.7, 9.8, 9.9, 9.12 and 9.13 or Borrowing Base Certificates from any Borrower

pursuant to the terms of this Agreement which any Borrower is not obligated to deliver to each Lender, Agent will promptly furnish such documents and information to Lenders.

Borrowers' Undertaking to Agent. Without prejudice to their respective obligations to Lenders under the other provisions of this Agreement, each Borrower hereby undertakes with Agent to pay to Agent from time to time on demand all amounts from time to time due and payable by it for the account of Agent or Lenders or any of them pursuant to this Agreement to the extent not already paid. Any payment made pursuant to any such demand shall pro tanto satisfy the relevant Borrower's obligations to make payments for the account of Lenders or the relevant one or more of them pursuant to this Agreement.

No Reliance on Agent's Customer Identification Program. To the extent the Advances or this Agreement is, or becomes, syndicated in cooperation with other Lenders, each Lender acknowledges and agrees that neither such Lender, nor any of its Affiliates, participants or assignees, may rely on Agent to carry out such Lender's, Affiliate's, participant's or assignee's customer identification program, or other obligations required or imposed under or pursuant to the USA PATRIOT Act or the regulations thereunder, including the regulations contained in 31 CFR 103.121 (as hereafter amended or replaced, the "CIP Regulations"), or any other Anti-Terrorism Law, including any programs involving any of the following items relating to or in connection with any of Borrowers, their Affiliates or their agents, the Other Documents or the transactions hereunder or contemplated hereby: (i) any identity verification procedures, (ii) any recordkeeping, (iii) comparisons with government lists, (iv) customer notices or (v) other procedures required under the CIP Regulations or such Anti-Terrorism Laws.

Other Agreements. Each of the Lenders agrees that it shall not, without the express consent of Agent, set off against the Obligations, any amounts owing by such Lender to any Borrower or any deposit accounts of any Borrower now or hereafter maintained with such Lender. Anything in this Agreement to the contrary notwithstanding, each of the Lenders further agrees that it shall not, unless specifically requested to do so by Agent, take any action to protect or enforce its rights arising out of this Agreement or the Other Documents, it being the intent of Lenders that any such action to protect or enforce rights under this Agreement and the Other Documents shall be taken in concert and at the direction or with the consent of Agent or Required Lenders.

Collateral Matters.

The Lenders hereby irrevocably authorize Agent to release any Credit Party from its obligations as a Borrower or Guarantor hereunder and to release any Lien on any Collateral (i) upon the termination of the Revolving Commitments and payment and satisfaction in full of all of the Obligations, (ii) constituting property being sold or disposed of if a release is required or desirable in connection therewith and if Borrowers certify to Agent that the sale or disposition is permitted hereunder (and Agent may rely conclusively on any such certificate, without further inquiry), and any Guaranty of any Credit Party all of whose Equity Interests are disposed of shall be released simultaneously therewith to the extent such disposition is permitted hereunder, (iii) constituting property released pursuant to Sections 4.13, 4.15 or 4.16, and any Guaranty of any Credit Party all of whose Equity Interests are disposed of shall be released simultaneously therewith to the extent such disposition is permitted hereunder, (iv) constituting property in which

no Credit Party or any of its Subsidiaries owned any interest at the time Agent's Lien was granted nor at any time thereafter, (v) constituting property leased or licensed to a Credit Party or its Subsidiaries under a lease or license that has expired or is terminated in a transaction permitted under this Agreement, (vi) constituting property that becomes Excluded Property after the Closing Date, or (vii) in connection with a credit bid or purchase authorized under this Section 14.14. The Credit Parties and the Lenders hereby irrevocably authorize Agent, based upon the instruction of the Required Lenders, to (A) consent to the sale of, credit bid, or purchase (either directly or indirectly through one or more entities) all or any portion of the Collateral at any sale thereof conducted under the provisions of the Bankruptcy Code, including Section 363 of the Bankruptcy Code, (B) credit bid or purchase (either directly or indirectly through one or more entities) all or any portion of the Collateral at any sale or other disposition thereof conducted under the provisions of the Uniform Commercial Code, including pursuant to Sections 9-610 or 9-620 of the Uniform Commercial Code, or (C) credit bid or purchase (either directly or indirectly through one or more entities) all or any portion of the Collateral at any other sale or foreclosure conducted or consented to by Agent in accordance with applicable law in any judicial action or proceeding or by the exercise of any legal or equitable remedy. In connection with any such credit bid or purchase, (i) the Obligations owed to the Lenders shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims being estimated for such purpose if the fixing or liquidation thereof would not impair or unduly delay the ability of Agent to credit bid or purchase at such sale or other disposition of the Collateral and, if such contingent or unliquidated claims cannot be estimated without impairing or unduly delaying the ability of Agent to credit bid at such sale or other disposition, then such claims shall be disregarded, not credit bid, and not entitled to any interest in the Collateral that is the subject of such credit bid or purchase) and the Lenders whose Obligations are credit bid shall be entitled to receive interests (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) in the Collateral that is the subject of such credit bid or purchase (or in the Equity Interests of the any entities that are used to consummate such credit bid or purchase), and (ii) Agent, based upon the instruction of the Required Lenders, may accept non-cash consideration, including debt and equity securities issued by any entities used to consummate such credit bid or purchase and in connection therewith Agent may reduce the Obligations owed to the Lenders (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) based upon the value of such non-cash consideration. Except as provided above, Agent will not execute and deliver a release of any Lien on any Collateral without the prior written authorization of (y) if the release is of all or substantially all of the Collateral (other than pursuant to a disposition of such Collateral consented to by Required Lenders), all of the Lenders or (z) otherwise, the Required Lenders. Upon request by Agent or Borrowers at any time, the Lenders will confirm in writing Agent's authority to release any such Liens on particular types or items of Collateral pursuant to this Section 14.14; provided, that (1) anything to the contrary contained in this Agreement or any of the Other Documents notwithstanding, Agent shall not be required to execute any document or take any action necessary to evidence such release on terms that, in Agent's opinion, could expose Agent to liability or create any obligation or entail any consequence other than the release of such Lien without recourse, representation, or warranty, and (2) such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly released) upon (or obligations of Borrowers in respect of) any and all interests retained by any Borrower, including, the proceeds of any sale, all of which shall continue to constitute part of the Collateral.

Agent shall have no obligation whatsoever to any of the Lenders (i) to verify or assure that the Collateral exists or is owned by a Credit Party or any of its Subsidiaries or is cared for, protected, or insured or has been encumbered, (ii) to verify or assure that Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, or enforced or are entitled to any particular priority, (iii) to verify or assure that any particular items of Collateral meet the eligibility criteria applicable in respect thereof, (iv) to impose, maintain, increase, reduce, implement, or eliminate any particular reserve hereunder or to determine whether the amount of any reserve is appropriate or not, or (v) to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to Agent pursuant to this Agreement or any Other Documents, it being understood and agreed that in respect of the Collateral, or any act, omission, or event related thereto, subject to the terms and conditions contained herein, Agent may act in any manner it may deem appropriate, in its sole discretion given Agent's own interest in the Collateral in its capacity as one of the Lenders and that Agent shall have no other duty or liability whatsoever to any Lender as to any of the foregoing, except as otherwise expressly provided herein.

Field Examination Reports; Confidentiality; Disclaimers by Lenders; Other Reports and Information.

By becoming a party to this Agreement, each Lender:

is deemed to have requested that Agent furnish such Lender, promptly after it becomes available, a copy of each field examination report respecting any Credit Party or its Subsidiaries (each, a "Report") prepared by or at the request of Agent, and Agent shall so furnish each Lender with such Reports,

expressly agrees and acknowledges that Agent does not (i) make any representation or warranty as to the accuracy of any Report, and (ii) shall not be liable for any information contained in any Report,

expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that Agent or any other party performing any field examination will inspect only specific information regarding the Credit Parties and their Subsidiaries and will rely significantly upon Credit Parties' and their Subsidiaries' books and records, as well as on representations of Credit Parties' personnel,

agrees to keep all Reports and other material, non-public information regarding the Credit Parties and their Subsidiaries and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 16.15, and

without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold Agent and any other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to Credit Parties, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of Borrowers, and (ii) to pay and protect, and indemnify, defend and hold Agent, and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including, attorneys' fees and costs) incurred by

Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

In addition to the foregoing, (x) any Lender may from time to time request of Agent in writing that Agent provide to such Lender a copy of any report or document provided by any Credit Party or its Subsidiaries to Agent that has not been contemporaneously provided by such Credit Party or such Subsidiary to such Lender, and, upon receipt of such request, Agent promptly shall provide a copy of same to such Lender, (y) to the extent that Agent is entitled, under any provision of this Agreement or any Other Documents, to request additional reports or information from any Credit Party or its Subsidiaries, any Lender may, from time to time, reasonably request Agent to exercise such right as specified in such Lender's notice to Agent, whereupon Agent promptly shall request of Borrowers the additional reports or information reasonably specified by such Lender, and, upon receipt thereof from such Credit Party or such Subsidiary, Agent promptly shall provide a copy of same to such Lender, and (z) any time that Agent renders to Borrowers a statement regarding the Loan Account, Agent shall send a copy of such statement to each Lender.

Several Obligations; No Liability. Notwithstanding that certain of the Other Documents now or hereafter may have been or will be executed only by or in favor of Agent in its capacity as such, and not by or in favor of the Lenders, any and all obligations on the part of Agent (if any) to make any credit available hereunder shall constitute the several (and not joint) obligations of the respective Lenders on a ratable basis, according to their respective Revolving Commitments, to make an amount of such credit not to exceed, in principal amount, at any one time outstanding, the amount of their respective Revolving Commitments. Nothing contained herein shall confer upon any Lender any interest in, or subject any Lender to any liability for, or in respect of, the business, assets, profits, losses, or liabilities of any other Lender. Each Lender shall be solely responsible for notifying its participants of any matters relating to this Agreement and the Other Documents to the extent any such notice may be required, and no Lender shall have any obligation, duty, or liability to any participant of any other Lender.

Bank Product Providers. Each Secured Party that provides Cash Management Products and Services, Lender-Provided Interest Rate Hedges or Lender-Provided Foreign Currency/Commodity Hedges (each a "**Bank Product Provider**") in its capacity as such shall be deemed a third party beneficiary hereof and of the provisions of the Other Documents for purposes of any reference in this Agreement or any Other Document to the parties for whom Agent is acting. Agent hereby agrees to act as agent for such Bank Product Provider and, by virtue of entering into an agreement or arrangement to provide Cash Management Products and Services, Lender-Provided Interest Rate Hedges or Lender-Provided Foreign Currency/Commodity Hedges, the applicable Bank Product Provider shall be automatically deemed to have appointed Agent as its agent and to have accepted the benefits of the Other Documents. It is understood and agreed that the rights and benefits of each Bank Product Provider under the Other Documents consist exclusively of such Bank Product Provider's being a beneficiary of the Liens and security interests (and, if applicable, guarantees) granted to Agent and the right to share in payments and collections out of the Collateral as more fully set forth herein. In addition, each Bank Product Provider, by virtue of entering into an agreement or arrangement to provide Cash Management Products and Services, Lender-Provided Interest Rate Hedges or Lender-Provided Foreign

Currency/Commodity Hedges, shall be automatically deemed to have agreed that Agent shall have the right, but shall have no obligation, to establish, maintain, relax, or release reserves in respect of the Cash Management Liabilities, Interest Rate Hedge Liabilities and Foreign Currency/Commodity Hedge Liabilities and that if reserves are established there is no obligation on the part of Agent to determine or insure whether the amount of any such reserve is appropriate or not. Notwithstanding anything to the contrary in this Agreement or any Other Document, no provider or holder of any Cash Management Products and Services, Lender-Provided Interest Rate Hedges or Lender-Provided Foreign Currency/Commodity Hedges shall have any voting or approval rights hereunder (or be deemed a Lender) solely by virtue of its status as the provider or holder of such agreements or products or the Obligations owing thereunder, nor shall the consent of any such provider or holder be required (other than in their capacities as Lenders, to the extent applicable) for any matter hereunder or under any of the Other Documents, including as to any matter relating to the Collateral or the release of Collateral or Guarantors. Notwithstanding anything contained herein to the contrary, after the Amendment No. 1 Closing Date, (i) on a periodic basis as reasonably requested by Agent (it being agreed and understood that such request will be made on a quarterly basis), each Bank Product Provider shall provide written notice to Agent (which may be via email) setting forth a reasonably detailed summary of the maximum amount of Hedge Liabilities and Cash Management Liabilities provided to GLDD or any of its Subsidiaries as of such date of determination; provided, that, if no such summary is provided to Agent, the maximum amount of Hedge Liabilities and Cash Management Liabilities provided by such Bank Product Provider to GLDD or any of its Subsidiaries shall be deemed to be the amount most recently provided to Agent; and (ii) any additional Hedge Liabilities or Cash Management Liabilities constituting Obligations shall require the consent of Agent, in each case, to the extent such amounts would cause the aggregate amount of Hedge Liabilities and Cash Management Liabilities, as applicable, to exceed the amount permitted under clause (a)(ii) of the definition of "First Lien Cap" under the Intercreditor Agreement (Second Lien).

Intercreditor Agreements and Equipment Utilization Agreements. Each Lender, by its acceptance of the benefits provided hereunder, (a) consents to the Intercreditor Agreements and the Equipment Utilization Agreements (in each as amended or otherwise modified with the consent of Agent and Required Lenders), (b) agrees that it will be bound by, and will take no actions contrary to, the provisions of the Intercreditor Agreements and the Equipment Utilization Agreements (in each case as amended or otherwise modified with the consent of Agent and Required Lenders), and (c) authorizes and instructs the Agent to enter into the Intercreditor Agreements and the Equipment Utilization Agreements (and, in each case, such amendments or other modifications thereto as may hereafter be consented to by Agent and Required Lenders) as Agent on behalf of each Lender.

BORROWING AGENCY.

Borrowing Agency Provisions; Joint and Several Liability.

Each Borrower hereby irrevocably designates Borrowing Agent to be its attorney and agent and in such capacity to (i) borrow, (ii) request advances, (iii) request the issuance of Letters of Credit, (iv) sign and endorse notes, (v) execute and deliver all instruments, documents, applications, security agreements, reimbursement agreements and letter of credit agreements for Letters of Credit and all other certificates, notice, writings and further assurances now or hereafter

required hereunder, (vi) make elections regarding interest rates, (vii) give instructions regarding Letters of Credit and agree with Issuer upon any amendment, extension or renewal of any Letter of Credit and (viii) otherwise take action under and in connection with this Agreement and the Other Documents, all on behalf of and in the name such Borrower or Borrowers, and hereby authorizes Agent to pay over or credit all loan proceeds hereunder in accordance with the request of Borrowing Agent.

The handling of this credit facility as a co-borrowing facility with a borrowing agent in the manner set forth in this Agreement is solely as an accommodation to Borrowers and at their request. Neither Agent nor any Lender shall incur liability to Borrowers as a result thereof. To induce Agent and Lenders to do so and in consideration thereof, each Borrower hereby indemnifies Agent and each Lender and holds Agent and each Lender harmless from and against any and all liabilities, expenses, losses, damages and claims of damage or injury asserted against Agent or any Lender by any Person arising from or incurred by reason of the handling of the financing arrangements of Borrowers as provided herein, reliance by Agent or any Lender on any request or instruction from Borrowing Agent or any other action taken by Agent or any Lender with respect to this Section 15.1 except due to willful misconduct, bad faith or gross (not mere) negligence by the indemnified party (as determined by a court of competent jurisdiction in a final and non-appealable judgment).

All Borrowers shall be jointly and severally liable for all amounts due to Agent and Lenders under this Agreement and the Other Documents, regardless of which Borrower actually receives the Advances or other financial accommodations hereunder or the amount of such Advances or financial accommodations received or the manner in which Agent and Lenders account for such Advances or financial accommodations on its books and records. The Obligations shall be primary obligations of all Borrowers. The Obligations arising as a result of the joint and several liability of a Borrower shall, to the fullest extent permitted by law, be unconditional irrespective of (i) the validity or enforceability, avoidance or subordination of the Obligations of the other Borrowers or of any promissory note or other document evidencing all or any part of the Obligations of the other Borrowers, (ii) the absence of any attempt to collect the Obligations from the other Borrowers or any other security therefor, or the absence of any other action to enforce the same, (iii) the waiver, consent, extension, forbearance or granting of any indulgence by Agent or Lenders with respect to any provisions of any instrument evidencing the Obligations of the other Borrowers, or any part thereof, or any other agreement now or hereafter executed by the other Borrowers and delivered to Agent, for itself and on behalf of Lenders, except to the extent such waiver, consent, extension, forbearance or granting of any indulgence explicitly is effective with respect to such Borrower, (iv) the failure by Agent or Lenders to take any steps to perfect and maintain its security interest in, or to preserve its rights and maintain its security or collateral for the Obligations of the other Borrowers, (v) the election of Agent or Lenders in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b)(2) of the Bankruptcy Code, (vi) the disallowance of all or any portion of the claim(s) of Agent or Lenders for the repayment of the Obligations of the other Borrowers under Section 502 of the Bankruptcy Code, or (vii) any other circumstances which might constitute a legal or equitable discharge or defense of the other Borrowers other than payment in full of the Obligations. With respect to the Obligations arising as a result of the joint and several liability of a Borrower, each Borrower waives, until payment in full of the Obligations and this Agreement, any right to enforce any right of subrogation or any remedy which Agent or Lenders now has or may hereafter have against

Borrowers, any endorser or any guarantor of all or any part of the Obligations, and any benefit of, and any right to participate in, any security or collateral given to Agent and Lenders. Upon any Event of Default and for so long as the same is continuing, Agent and Lenders may proceed directly and at once, without notice, against any Borrower to collect and recover the full amount, or any portion of the Obligations, without first proceeding against the other Borrowers or any other Person, or against any security or collateral for the Obligations. Each Borrower consents and agrees that Agent and Lenders shall be under no obligation to marshal any assets in favor of Borrower(s) or against or in payment of any or all of the Obligations.

Each Borrower expressly subordinates any and all rights of subrogation, reimbursement, indemnity, exoneration, contribution of any other claim which such Borrower may now or hereafter have against the other Borrowers or other Person directly or contingently liable for the Obligations hereunder, or against or with respect to the other Borrowers' property (including, without limitation, any property which is Collateral for the Obligations), arising from the existence or performance of this Agreement until payment in full of the Obligations.

Each Borrower expressly subordinates all rights that it may have now or in the future under any statute, at common law, in equity or otherwise, to compel Agent or Lenders to marshal assets or to proceed against any Credit Party, other Person or security for the payment or performance of any Obligations before, or as a condition to, proceeding against such Borrower. It is agreed among each Borrower, Agent and Lenders that the provisions of this Section are of the essence of the transaction contemplated by this Agreement and the Other Documents and that, but for such provisions, Agent and Lenders would decline to make Loans and issue Letters of Credit.

Agent and Lenders may, in their discretion, pursue such rights and remedies as they deem appropriate, including realization upon Collateral by judicial foreclosure or nonjudicial sale or enforcement, without affecting any rights and remedies under this Agreement and the Other Documents. If, in the exercise of any rights or remedies, Agent or any Lender shall forfeit any of its rights or remedies, including its right to enter a deficiency judgment against any Credit Party, whether because of any Applicable Laws pertaining to "election of remedies" or otherwise, each Borrower consents to such action by Agent or such Lender and waives (to the extent permitted by Applicable Law) any claim based upon such action, even if the action may result in loss of any rights of subrogation that any Borrower might otherwise have had but for such action. Any election of remedies that results in denial or impairment of the right of Agent or any Lender to seek a deficiency judgment against any Borrower shall not impair any other Borrower's obligation to pay the full amount of the Obligations. Each Borrower waives all rights and defenses arising out of an election of remedies, such as nonjudicial foreclosure with respect to any security for the Obligations, even though that election of remedies destroys such Borrower's rights of subrogation against any other Person. If Agent bids at any foreclosure or trustee's sale or at any private sale, Agent may bid all or a portion (in Agent's discretion) of the Obligations and the amount of such bid need not be paid by Agent but shall be credited against the Obligations. Subject to Applicable Law, the amount of the successful bid at any such sale, whether Agent or any other Person is the successful bidder, shall be conclusively deemed to be commercially reasonable, and the difference between such bid amount and the remaining balance of the Obligations shall be conclusively deemed to be the amount of such Borrower's Obligations to Agent and Lenders, notwithstanding that any present or future law or court decision may have the effect of reducing the amount of any

deficiency claim to which Agent or any Lender might otherwise be entitled but for such bidding at any such sale.

Notwithstanding any other provision of this Section 15, the joint and several liability of each Borrower hereunder shall be limited to a maximum amount as would not, after giving effect to such maximum amount, render its obligations hereunder subject to avoidance under Section 548 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or comparable law. In determining the limitations, if any, on the amount of any Borrower's obligations hereunder pursuant to the preceding sentence, it is the intention of the parties hereto that any rights of subrogation, indemnification or contribution which such Borrower may have under this Section 15, any other agreement or applicable law shall be taken into account. Subject to the restrictions, limitations and other terms of this Agreement, each Borrower hereby agrees that to the extent that a Borrower shall have paid more than its proportionate share of any payment made hereunder, such Borrower shall be entitled to seek and receive contribution from and against any other Borrower hereunder which has not paid its proportionate share of such payment.

Waiver of Subrogation. Each Borrower expressly waives any and all rights of subrogation, reimbursement, indemnity, exoneration, contribution of any other claim which such Borrower may now or hereafter have against the other Borrowers or any other Person directly or contingently liable for the Obligations hereunder, or against or with respect to any other Borrowers' property (including, without limitation, any property which is Collateral for the Obligations), arising from the existence or performance of this Agreement, until termination of this Agreement and repayment in full of the Obligations.

MISCELLANEOUS.

Governing Law. This Agreement and each Other Document (unless and except to the extent expressly provided otherwise in any such Other Document), and all matters relating hereto or thereto or arising herefrom or therefrom (whether arising under contract law, tort law or otherwise) shall, in accordance with Section 5-1401 of the General Obligations Law of the State of New York, be governed by and construed in accordance with the laws of the State of New York. Any judicial proceeding brought by or against any Credit Party with respect to any of the Obligations, this Agreement, the Other Documents or any related agreement may be brought in any court of competent jurisdiction in the State of New York, United States of America, and, by execution and delivery of this Agreement, each Credit Party accepts for itself and in connection with its properties, generally and unconditionally, the non-exclusive jurisdiction of the aforesaid courts, and irrevocably agrees to be bound by any judgment rendered thereby in connection with this Agreement. Each Credit Party hereby waives personal service of any and all process upon it and consents that all such service of process may be made by certified or registered mail (return receipt requested) directed to Borrowing Agent at its address set forth in Section 16.6 and service so made shall be deemed completed five (5) days after the same shall have been so deposited in the mails of the United States of America, or, at Agent's option, by service upon Borrowing Agent which each Credit Party irrevocably appoints as such Credit Party's Agent for the purpose of accepting service within the State of New York. Nothing herein shall affect the right to serve process in any manner permitted by law or shall limit the right of Agent or any Lender to bring proceedings against any Credit Party in the courts of any other jurisdiction. Each Credit Party

waives any objection to jurisdiction and venue of any action instituted hereunder and shall not assert any defense based on lack of jurisdiction or venue or based upon forum non conveniens. Each Credit Party waives the right to remove any judicial proceeding brought against such Credit Party in any state court to any federal court. Any judicial proceeding by any Credit Party against Agent or any Lender involving, directly or indirectly, any matter or claim in any way arising out of, related to or connected with this Agreement or any related agreement, shall be brought only in a federal or state court located in the County of New York, State of New York.

Entire Understanding.

This Agreement and the documents executed concurrently herewith contain the entire understanding between each Credit Party, Agent and each Lender and supersedes all prior agreements and understandings, if any, relating to the subject matter hereof. Any promises, representations, warranties or guarantees not herein contained and hereinafter made shall have no force and effect unless in writing, signed by a Responsible Officer of each Credit Party and Agent's and each Lender's respective officers. Neither this Agreement nor any portion or provisions hereof may be changed, modified, amended, waived, supplemented, discharged, cancelled or terminated orally or by any course of dealing, or in any manner other than by an agreement in writing, signed by the party to be charged. Each Credit Party acknowledges that it has been advised by counsel in connection with the execution of this Agreement and Other Documents and is not relying upon oral representations or statements inconsistent with the terms and provisions of this Agreement.

Required Lenders, Agent with the consent in writing of Required Lenders, and Borrowers may, subject to the provisions of this Section 16.2(b), from time to time enter into written supplemental agreements to this Agreement or the Other Documents executed by Borrowers, for the purpose of adding or deleting any provisions or otherwise changing, amending, varying or waiving in any manner the rights of Lenders, Agent or Borrowers hereunder or thereunder or the conditions, provisions or terms hereof or thereof or waiving any Event of Default thereunder, but only to the extent specified in such written agreements; provided, however, that no such supplemental agreement shall:

increase or extend the Revolving Commitment, the Revolving Commitment Percentage or the Revolving Commitment Amount of any Lender without the consent of such Lender;

waive, extend or postpone the Maturity Date or any date fixed by this Agreement or any Other Document for any scheduled payment of principal or interest of any Advance (excluding the due date of any mandatory prepayment of an Advance), or any fee payable to any Lender, or reduce the principal amount of or the rate of interest borne by any Advances or reduce any fee payable to any Lender, without the consent of each Lender directly affected thereby (except that Required Lenders may elect to waive or rescind any imposition of the Default Rate under Section 3.1 or of default rates of Letter of Credit fees under Section 3.2 (unless imposed by Agent));

except in connection with any increase pursuant to Section 2.24 hereof, increase the Maximum Revolving Advance Amount without the consent of all Lenders;

alter the definition of the term Required Lenders or Supermajority Lenders or alter, amend or modify this Section 16.2(b) or any provision of this Agreement providing for consent or other action by all Lenders, without the consent of all Lenders;

alter, amend or modify the provisions of Section 2.6(e), 2.20, 11.5 or any other provision of this Agreement providing for the pro rata treatment of the Lenders (to the extent such alteration, amendment or modification would affect such pro rata treatment) without the consent of all Lenders;

except as permitted by Section 14.14, release all or substantially all of the Collateral without the consent of all Lenders;

other than in connection with a liquidation, dissolution or disposition of a Credit Party permitted by the terms hereof or otherwise consented to by Required Lenders or the payment in full of the Obligations, release any Credit Party from its liability for the Obligations without the consent of all of the Lenders (other than a release expressly permitted under Section 14.14);

except in connection with the sale or disposition of a Guarantor consented to by Required Lenders, release the Guaranty by a Guarantor without the consent of all of the Lenders (other than a release expressly permitted under Section 14.14);

increase the Advance Rates above the Advance Rates in effect on the Closing Date or otherwise modify the Formula Amount, the Gross Amount or the Foreign Fleet Asset Maximum Amount if the effect is to increase the amount available to be borrowed by Borrowers, in each case without the consent of the Supermajority Lenders;

increase the Green Loan Sublimit without the consent of all Lenders; or

(I) subordinate any of the Obligations to any other Indebtedness or (II) subordinate the Lien securing any of the Obligations on all or substantially all of the Collateral to any other Lien securing any other Indebtedness (except to the holder of any Lien on such property that is permitted by Section 7.2, or if approved, authorized or ratified in writing by Agent and the Required Lenders in connection with a debtor-in-possession financing provided to any Credit Party), in each case, without the consent of each Lender affected thereby.

Notwithstanding the foregoing:

No amendment, waiver, modification, elimination, or consent shall amend, modify, or waive any provision of this Agreement or the Other Documents pertaining to Issuer, or any other rights or duties of Issuer under this Agreement or the Other Documents, without the written consent of Issuer, Agent, Borrowers and the Required Lenders;

No amendment, waiver, modification, elimination, or consent shall amend, modify, or waive any provision of this Agreement or the Other Documents pertaining to Swing Loan Lender, or any other rights or duties of Swing Loan Lender under this Agreement or the Other Documents, without the written consent of Swing Loan Lender, Agent, Borrowers and the Required Lenders;

No amendment, waiver, modification, elimination, or consent shall amend, modify, or waive any provision of this Agreement or the Other Documents pertaining to Agent, or any other rights or duties of Agent under this Agreement or the Other Documents, without the written consent of Agent, Borrowers and the Required Lenders;

Anything in this Section 16.2(b) to the contrary notwithstanding, (i) any amendment, modification, elimination, waiver, consent, termination, or release of, or with respect to, any provision of this Agreement or any Other Document that relates only to the relationship of the Lenders among themselves, and that does not affect the rights or obligations of any Credit Party, shall not require consent by or the agreement of any Credit Party, and (ii) any amendment, waiver, modification, elimination, or consent of or with respect to any provision of this Agreement or any Other Document may be entered into without the consent of, or over the objection of, any Defaulting Lender; and

The Fee Letter may only be amended with the consent of Agent and Borrowers (it being understood that no Lender's consent shall be required).

Any such supplemental agreement shall apply equally to each Lender and shall be binding upon Borrowers, Lenders and Agent and all future holders of the Obligations. In the case of any waiver, Borrowers, Agent and Lenders shall be restored to their former positions and rights, and any Event of Default waived shall be deemed to be cured and not continuing, but no waiver of a specific Event of Default shall extend to any subsequent Event of Default (whether or not the subsequent Event of Default is the same as the Event of Default which was waived), or impair any right consequent thereon.

In the event that Agent or Borrowing Agent requests the consent of a Lender pursuant to this Section 16.2 and such consent is denied, then Agent or Borrowing Agent may, at its option, require such Lender to assign its interest in the Advances to Agent or to another Lender or to any other Person designated by Agent or Borrowing Agent in compliance with Sections 3.11 and 16.3 (the "Designated Lender"), for a price equal to (i) the then outstanding principal amount thereof plus (ii) accrued and unpaid interest and fees due such Lender, which interest and fees shall be paid when collected from Borrowers. In the event Agent elects to require any Lender to assign its interest to Agent or to the Designated Lender, Agent will so notify such Lender in writing within ten (10) days following such Lender's denial, and such Lender will assign its interest to Agent or the Designated Lender no later than five (5) days following receipt of such notice pursuant to a Commitment Transfer Supplement executed by such Lender, Agent or the Designated Lender, as appropriate, and Agent.

Notwithstanding (i) the existence of a Default or an Event of Default, (ii) that any of the other applicable conditions precedent set forth in Section 8.2 hereof have not been satisfied or the commitments of Lenders to make Revolving Advances hereunder have been terminated for any reason, or (iii) any other contrary provision of this Agreement at any time an Out-of-Formula Loan exists or Borrowers make a request for an Advance that would result in an Out-of-Formula Loan, Agent may in its discretion and without the consent of any Lender, knowingly and intentionally, continue to make Revolving Advances (any such intentional Revolving Advance, an "Intentional Overadvance") to Borrowers for a period of sixty (60) days (as such period may be extended by Required Lenders) unless such authorization is revoked by Required Lenders effective

upon receipt by Agent of written notice of such revocation from Required Lenders; provided, that Agent may not make any Intentional Overadvance if, after giving effect to such Intentional Overadvance, the aggregate outstanding Intentional Overadvances would exceed ten percent (10%) of the Maximum Revolving Advance Amount (or such higher amount as Required Lenders may consent to) or would cause the Advances to exceed the Maximum Revolving Advance Amount. If Agent is willing in its sole and absolute discretion to make Intentional Overadvances, Lenders holding the Revolving Commitments shall be obligated to fund such Intentional Overadvances in accordance with their respective Revolving Commitment Percentages, and such Intentional Overadvances shall be payable on demand and shall bear interest at the rate applicable for Revolving Advances consisting of Domestic Rate Loans; provided that, if Agent does make Intentional Overadvances, neither Agent nor Lenders shall be deemed thereby to have changed the limits of Section 2.1(a) nor shall any Lender be obligated to fund Revolving Advances in excess of its Revolving Commitment Amount. For purposes of this paragraph, the discretion granted to Agent hereunder to make Intentional Overadvances shall not be limited by the amount of the Out-of-Formula Loan. To the extent any Intentional Overadvances are not actually funded by the other Lenders as provided for in this Section 16.2(e), Agent may elect in its discretion to fund such Intentional Overadvances and any such Intentional Overadvances so funded by Agent shall be deemed to be Revolving Advances made by and owing to Agent, and Agent shall be entitled to all rights (including accrual of interest) and remedies of a Lender holding a Revolving Commitment under this Agreement and the Other Documents with respect to such Revolving Advances.

(i) In addition to (and not in substitution of) the discretionary Revolving Advances permitted above in this Section 16.2, Agent is hereby authorized by Borrowers and Lenders, at any time in Agent's sole discretion, regardless of (i) the existence of a Default or an Event of Default, (ii) whether any of the other applicable conditions precedent set forth in Section 8.2 hereof have not been satisfied or the commitments of Lenders to make Revolving Advances hereunder have been terminated for any reason, (iii) whether an Out-of-Formula Loan exists, or (iv) any other contrary provision of this Agreement, to make Revolving Advances (the "Protective Advances") to Borrowers on behalf of Lenders (unless such authorization is revoked by Required Lenders effective ten (10) days after receipt by Agent of prior written notice of such revocation from Required Lenders) which Agent, in its Permitted Discretion, deems necessary or desirable (a) to preserve or protect the Collateral, or any portion thereof, (b) to enhance the likelihood of, or maximize the amount of, repayment of the Advances and other Obligations, or (c) to pay any other amount chargeable to Borrowers pursuant to the terms of this Agreement; provided, that the Protective Advances made hereunder shall not exceed ten percent (10%) of the Maximum Revolving Advance Amount (unless Required Lenders agree to a higher amount). Lenders holding the Revolving Commitments shall be obligated to fund such Protective Advances and effect a settlement with Agent therefor upon demand of Agent in accordance with their respective Revolving Commitment Percentages. To the extent any Protective Advances are not actually funded by the other Lenders as provided for in this Section 16.2(f), any such Protective Advances funded by Agent shall be deemed to be Revolving Advances made by and owing to Agent, and Agent shall be entitled to all rights (including accrual of interest) and remedies of a Lender holding a Revolving Commitment under this Agreement and the Other Documents with respect to such Revolving Advances.

Notwithstanding the foregoing Sections 16.2(e) and 16.2(f), at no time shall the aggregate total outstanding Intentional Overadvances and Protective Advances exceed ten percent (10%) of the Maximum Revolving Advance Amount.

Successors and Assigns; Participations; New Lenders.

This Agreement shall be binding upon and inure to the benefit of Borrowers, Agent, each Lender, all future holders of the Obligations and their respective successors and assigns, except that no Borrower may assign or transfer any of its rights or obligations under this Agreement without the prior written consent of Agent and each Lender.

Each Borrower acknowledges that in the regular course of commercial banking business one or more Lenders may at any time and from time to time sell participating interests in the Advances to other Persons (each such transferee or purchaser of a participating interest, a "Participant"); provided that (x) such Lender's obligations under this Agreement and the Other Documents shall remain unchanged, (y) such Lender shall remain solely responsible to the other parties hereto and thereto for the performance of such obligations, and (z) the Borrowers, Agent, Issuer and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the Other Documents. Each Participant may exercise all rights of payment (including rights of set-off) with respect to the portion of such Advances held by it or other Obligations payable hereunder as fully as if such Participant were the direct holder thereof provided that (i) Borrowers shall not be required to pay to any Participant more than the amount which it would have been required to pay to Lender which granted an interest in its Advances or other Obligations payable hereunder to such Participant had such Lender retained such interest in the Advances hereunder or other Obligations payable hereunder unless the sale of the participation to such Participant is made with Borrower's prior written consent, and (ii) in no event shall Borrowers be required to pay any such amount arising from the same circumstances and with respect to the same Advances or other Obligations payable hereunder to both such Lender and such Participant. Notwithstanding the foregoing, for the avoidance of doubt, the Credit Parties agree that each Participant shall be entitled to the benefits of Section 3.10 as if such Participant were a Lender, provided that such Participant complies with Sections 3.10(e), (f), and (g). Each Borrower hereby grants to any Participant a continuing security interest in any deposits, moneys or other property actually or constructively held by such Participant as security for the Participant's interest in the Advances. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the loans and Advances (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under this Agreement or any Other Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. No participation shall be transferrable except as recorded in the Participant Register. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For

the avoidance of doubt, the Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register. It is intended that the Participant Register be maintained in such a manner that the loans and Advances are in "registered form" for the purposes of the Code.

Any Lender, with the consent of Agent and Borrowing Agent (provided, that the consent of Borrowing Agent (A) shall not be unreasonably withheld or delayed (provided further that if such consent is not granted, it shall not be considered unreasonably withheld or delayed if the proposed assignment is to a Person set forth on Schedule 16.3) and (B) shall not be required if an Event of Default exists or such assignment is to a Permitted Assignee), may sell, assign or transfer all or any part of its rights and obligations under or relating to Revolving Advances under this Agreement and the Other Documents to one or more additional Persons and one or more additional Persons may commit to make Advances hereunder (each a "Purchasing Lender"), in minimum amounts of not less than \$5,000,000, pursuant to a Commitment Transfer Supplement, executed by a Purchasing Lender, the transferor Lender, and Agent and delivered to Agent for recording. Upon such execution, delivery, acceptance and recording, from and after the transfer effective date determined pursuant to such Commitment Transfer Supplement, (i) Purchasing Lender thereunder shall be a party hereto and, to the extent provided in such Commitment Transfer Supplement, have the rights and obligations of a Lender thereunder with a Revolving Commitment Percentage as set forth therein, and (ii) the transferor Lender thereunder shall, to the extent provided in such Commitment Transfer Supplement, be released from its obligations under this Agreement, the Commitment Transfer Supplement creating a novation for that purpose. Such Commitment Transfer Supplement shall be deemed to amend this Agreement to the extent, and only to the extent, necessary to reflect the addition of such Purchasing Lender and the resulting adjustment of the Revolving Commitment Percentages arising from the purchase by such Purchasing Lender of all or a portion of the rights and obligations of such transferor Lender under this Agreement and the Other Documents. Each Borrower hereby consents to the addition of such Purchasing Lender and the resulting adjustment of the Revolving Commitment Percentages. Borrowers shall execute and deliver such further documents and do such further acts and things in order to effectuate the foregoing. Borrowers shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to Agent within five (5) Business Days after having received prior notice thereof.

Any Lender, with the consent of Agent which shall not be unreasonably withheld or delayed, may directly or indirectly sell, assign or transfer all or any portion of its rights and obligations under or relating to Revolving Advances under this Agreement and the Other Documents to an entity, whether a corporation, partnership, trust, limited liability company or other entity that (i) is engaged in making, purchasing, holding or otherwise investing in bank loans and similar extensions of credit in the ordinary course of its business and (ii) is administered, serviced or managed by the assigning Lender or an Affiliate of such Lender (a "Purchasing CLO" and together with each Participant and Purchasing Lender, each a "Transferee" and collectively the "Transferees"), pursuant to a Commitment Transfer Supplement modified as appropriate to reflect the interest being assigned ("Modified Commitment Transfer Supplement"), executed by any intermediate purchaser, the Purchasing CLO, the transferor Lender, and Agent as appropriate and delivered to Agent for recording. Upon such execution and delivery, from and after the transfer effective date determined pursuant to such Modified Commitment Transfer Supplement, (i) Purchasing CLO thereunder shall be a party hereto and, to the extent provided in such Modified Commitment Transfer Supplement, have the rights and obligations of a Lender thereunder and (ii)

the transferor Lender thereunder shall, to the extent provided in such Modified Commitment Transfer Supplement, be released from its obligations under this Agreement, the Modified Commitment Transfer Supplement creating a novation for that purpose. Such Modified Commitment Transfer Supplement shall be deemed to amend this Agreement to the extent, and only to the extent, necessary to reflect the addition of such Purchasing CLO. Each Borrower hereby consents to the addition of such Purchasing CLO. Borrowers shall execute and deliver such further documents and do such further acts and things in order to effectuate the foregoing.

Agent shall maintain at its address a copy of each Commitment Transfer Supplement and Modified Commitment Transfer Supplement delivered to it and a register (the "Register") for the recordation of the names and addresses of each Lender and the outstanding principal, accrued and unpaid interest and other fees due hereunder. The entries in the Register shall be conclusive, in the absence of manifest error, and each Borrower, Agent and Lenders may treat each Person whose name is recorded in the Register as the owner of the Advance recorded therein for the purposes of this Agreement. It is intended that the Register be maintained in such a manner that the loans and Advances are in "registered form" for the purposes of the Code. The Register shall be available for inspection by Borrowing Agent or any Lender at any reasonable time and from time to time upon reasonable prior notice. Agent shall receive a fee in the amount of \$3,500 payable by the applicable Purchasing Lender and/or Purchasing CLO upon the effective date of each transfer or assignment (other than to an intermediate purchaser) to such Purchasing Lender and/or Purchasing CLO.

Each Borrower authorizes each Lender to disclose to any Transferee and any prospective Transferee any and all financial information in such Lender's possession concerning such Borrower which has been delivered to such Lender by or on behalf of such Borrower pursuant to this Agreement or in connection with such Lender's credit evaluation of such Borrower.

Notwithstanding anything to the contrary contained in this Agreement, any Lender may at any time and from time to time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

No such assignments by a Lender shall be made to (i) any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute a Defaulting Lender or a Subsidiary thereof, or (ii) a natural Person.

Application of Payments. Agent shall have the continuing and exclusive right to apply or reverse and re-apply any payment and any and all proceeds of Collateral to any portion of the Obligations. To the extent that any Borrower makes a payment or Agent or any Lender receives any payment or proceeds of the Collateral for any Borrower's benefit, which are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver, custodian or any other party under any bankruptcy law, common law or equitable cause, then, to such extent, the Obligations or part thereof intended to be satisfied shall be revived and continue as if such payment or proceeds had not been received by Agent or such Lender.

Indemnity. Each Borrower shall defend, protect, indemnify, pay and save harmless Agent, Green Loan Coordinator, Issuer, each Lender, each of their Affiliates and each of their respective officers, directors, attorneys, employees and agents (each an "**Indemnified Party**") for and from and against any and all claims, demands, liabilities, obligations, losses, damages, penalties, fines, actions, judgments, suits, costs, charges, expenses and disbursements of any kind or nature whatsoever (including reasonable and documented fees and disbursements of counsel (including reasonable allocated costs of internal counsel)) (collectively, "**Claims**") which may be imposed on, incurred by, or asserted by any Person (including, without limitation, any Credit Party) against any Indemnified Party in arising out of or in any way relating to or as a consequence, direct or indirect, of: (i) this Agreement, the Other Documents, the Advances and other Obligations and/or the transactions contemplated hereby including the Transactions, (ii) any action or failure to act or action taken only after delay or the satisfaction of any conditions by any Indemnified Party in connection with and/or relating to the negotiation, execution, delivery or administration of the Agreement and the Other Documents, the credit facilities established hereunder and thereunder and/or the transactions contemplated hereby including the Transactions, (iii) any Borrower's or any Guarantor's failure to observe, perform or discharge any of its covenants, obligations, agreements or duties under or breach of any of the representations or warranties made in this Agreement and the Other Documents, (iv) the enforcement of any of the rights and remedies of Agent, Green Loan Coordinator, Issuer or any Lender under the Agreement and the Other Documents, (v) any threatened or actual imposition of fines or penalties, or disgorgement of benefits, for violation of any Anti-Terrorism Law by any Borrower, any Covered Entity or Subsidiary of any Borrowers, or any Guarantor, and (vi) any claim, litigation, proceeding or investigation instituted or conducted by any Governmental Body or instrumentality or any other Person with respect to any aspect of, or any transaction contemplated by, or referred to in, or any matter related to, this Agreement or the Other Documents, whether or not Agent, Green Loan Coordinator or any Lender is a party thereto. Without limiting the generality of any of the foregoing, each Borrower shall defend, protect, indemnify, pay and save harmless each Indemnified Party from (x) any Claims which may be imposed on, incurred by, or asserted against any Indemnified Party by any Person (including, without limitation, any Credit Party) and arising out of or in any way relating to or as a consequence, direct or indirect, of the issuance of any Letter of Credit hereunder and (y) any Claims which may be imposed on, incurred by, or asserted against any Indemnified Party by any Person (including, without limitation, any Credit Party) under any Environmental Laws with respect to or in connection with the Real Property owned, leased or occupied by any Borrower, any discharge of Hazardous Material, the presence of any Hazardous Materials affecting the Real Property owned, leased or occupied by any Borrower (whether or not the same originates or emerges from such Real Property or any contiguous real estate), including any Claims consisting of or relating to the imposition or assertion of any Lien on any of the Real Property owned, leased or occupied by any Borrower under any Environmental Laws and any loss of value of the Real Property owned, leased or occupied by any Borrower as a result of the foregoing except to the extent such loss, liability, damage and expense is attributable to any discharge of Hazardous Material resulting from actions on the part of Agent, Green Loan Coordinator or any Lender. Borrowers' obligations under this Section 16.5 owned, leased or occupied by any Borrower shall arise upon the discovery of the presence of any Hazardous Materials at the Real Property, whether or not any federal, state, or local environmental agency has taken or threatened any action in connection with the presence of any Hazardous Materials, in each such case except to the extent that any of the foregoing arises out of the gross negligence, bad

faith or willful misconduct of the Indemnified Party (as determined by a court of competent jurisdiction in a final and non-appealable judgment). Without limiting the generality of the foregoing, this indemnity shall extend to any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever (including reasonable and documented fees and disbursements of counsel) asserted against or incurred by any of the Indemnified Parties by any Person (including, without limitation, any Credit Party) under any Environmental Laws or similar laws by reason of any Borrower's or any other Person's failure to comply with laws applicable to solid or hazardous waste materials, including Hazardous Materials or other Toxic Substances. Additionally, if any taxes (excluding taxes imposed upon or measured solely by the net income of Agent and Lenders, but including any intangibles taxes, stamp tax, recording tax or franchise tax) shall be payable by Agent, Lenders or Borrowers on account of the execution or delivery of this Agreement, or the execution, delivery, issuance or recording of any of the Other Documents, or the creation or repayment of any of the Obligations hereunder, by reason of any Applicable Law now or hereafter in effect, Borrowers will pay (or will promptly reimburse Agent and Lenders for payment of) all such taxes, including interest and penalties thereon, and will indemnify and hold the Indemnified Parties harmless from and against all liability in connection therewith. This Section 16.5 shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

Notice. Any notice or request hereunder may be given to Borrowing Agent or any Borrower or to Agent or any Lender at their respective addresses set forth below or at such other address as may hereafter be specified in a notice designated as a notice of change of address under this Section. Any notice, request, demand, direction or other communication (for purposes of this Section 16.6 only, a "Notice") to be given to or made upon any party hereto under any provision of this Agreement shall be given or made by telephone or in writing (which includes by means of electronic transmission (i.e., "e-mail") or facsimile transmission or by setting forth such Notice on a website to which Borrowers are directed (an "Internet Posting") if Notice of such Internet Posting (including the information necessary to access such site) has previously been delivered to the applicable parties hereto by another means set forth in this Section 16.6) in accordance with this Section 16.6. Any such Notice must be delivered to the applicable parties hereto at the addresses and numbers set forth under their respective names on Section 16.6 hereof or in accordance with any subsequent unrevoked Notice from any such party that is given in accordance with this Section 16.6. In the case of an Internet Posting, upon delivery of a Notice of such posting (including the information necessary to access such site) by another means set forth in this Section 16.6; and

Survival. The obligations of Borrowers under Sections 2.2(f), 2.2(g), 2.2(h), 3.7, 3.8, 3.9, 3.10, 16.5 and 16.9 and the obligations of Lenders under Sections 2.2, 2.15(b), 2.16, 2.18, 2.19, 14.8 and 16.5, shall survive termination of this Agreement and the Other Documents and payment in full of the Obligations.

Severability. If any part of this Agreement is contrary to, prohibited by, or deemed invalid under Applicable Laws, such provision shall be inapplicable and deemed omitted to the extent so contrary, prohibited or invalid, but the remainder hereof shall not be invalidated thereby and shall be given effect so far as possible.

Expenses. Borrowers shall pay (i) all out-of-pocket expenses incurred by Agent, Green Loan Coordinator and their Affiliates (including the reasonable and documented fees, charges and disbursements of counsel for Agent), and shall pay all fees and time charges and disbursements for attorneys who may be employees of Agent, in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the Other Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all out-of-pocket expenses incurred by Issuer in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder, (iii) all out-of-pocket expenses incurred by Agent, Green Loan Coordinator, any Lender or Issuer (including the reasonable and documented fees, charges and disbursements of any counsel for Agent, Green Loan Coordinator, any Lender or Issuer), and shall pay all fees and time charges for attorneys who may be employees of Agent, Green Loan Coordinator, any

Lender or Issuer, in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the Other Documents, including its rights under this Section, or (B) in connection with the Advances made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit, and (iv) subject to any limitations set forth in Section 3.4 reasonable out-of-pocket expenses of Agent's regular employees and agents engaged periodically to perform audits of the any Borrower's or any Borrower's Affiliate's or Subsidiary's books, records and business properties.

Injunctive Relief. Each Borrower recognizes that, in the event any Borrower fails to perform, observe or discharge any of its obligations or liabilities under this Agreement, or threatens to fail to perform, observe or discharge such obligations or liabilities, any remedy at law may prove to be inadequate relief to Lenders; therefore, Agent, if Agent so requests, shall be entitled to temporary and permanent injunctive relief in any such case without the necessity of proving that actual damages are not an adequate remedy.

Consequential Damages. Neither Agent nor any Lender, nor any agent or attorney for any of them, shall be liable to any Borrower, or any Guarantor (or any Affiliate of any such Person) for indirect, punitive, exemplary or consequential damages (as opposed to direct or actual damages) arising from any breach of contract, tort or other wrong relating to the establishment, administration or collection of the Obligations or as a result of any transaction contemplated under this Agreement or any Other Document.

Captions. The captions at various places in this Agreement are intended for convenience only and do not constitute and shall not be interpreted as part of this Agreement.

Counterparts; Facsimile Signatures. This Agreement may be executed in any number of and by different parties hereto on separate counterparts, all of which, when so executed, shall be deemed an original, but all such counterparts shall constitute one and the same agreement. Any signature delivered by a party by facsimile or electronic transmission (including email transmission of a PDF image) shall be deemed to be an original signature hereto.

Construction. The parties acknowledge that each party and its counsel have reviewed this Agreement and that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Agreement or any amendments, schedules or exhibits thereto.

Confidentiality; Sharing Information. Agent, Green Loan Coordinator, Issuer, each Lender and each Transferee agrees to maintain the confidentiality of, and shall hold, all Information obtained by Agent, Green Loan Coordinator, Issuer, such Lender or such Transferee pursuant to the requirements of this Agreement in accordance with Agent's, Green Loan Coordinator's, such Lender's and such Transferee's customary procedures for handling confidential information of this nature and exercise the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information; provided, however, Agent, Green Loan Coordinator, Issuer, each Lender and each Transferee may disclose such Information (a) to its examiners, Affiliates, outside auditors, counsel and other professional advisors (it being understood that the Persons to whom such disclosure is made will be informed

of the confidential nature of such Information and instructed to keep such Information confidential in accordance with customary procedures for handling confidential information of this nature), (b) to Agent, Green Loan Coordinator, Issuer, any Lender or to any prospective Transferees (it being understood that such prospective Transferees to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential in accordance with customary procedures for handling confidential information of this nature), (c) as required or requested by any Governmental Body or representative thereof or pursuant to legal process and (d) in connection with, and to the extent reasonably necessary for, the exercise of any secured creditor remedy under this Agreement or under any Other Document; provided, further that (i) unless specifically prohibited by Applicable Law, Agent, Green Loan Coordinator, Issuer, each Lender and each Transferee shall use its reasonable best efforts prior to disclosure thereof, to notify the applicable Borrower of the applicable request for disclosure of such Information (A) by a Governmental Body or representative thereof (other than any such request in connection with an examination of the financial condition of a Lender, Issuer or a Transferee by such Governmental Body) or (B) pursuant to legal process and (ii) in no event shall Agent, Green Loan Coordinator, Issuer, any Lender or any Transferee be obligated to return any materials furnished by any Borrower other than those documents and instruments in possession of Agent or any Lender in order to perfect its Lien on the Collateral once the Obligations have been paid in full and this Agreement has been terminated. Each Borrower acknowledges that from time to time financial advisory, investment banking and other services may be offered or provided to such Borrower or one or more of its Affiliates (in connection with this Agreement or otherwise) by any Lender or by one or more Subsidiaries or Affiliates of such Lender and each Borrower hereby authorizes each Lender to share any Information delivered to such Lender by such Borrower and its Subsidiaries pursuant to this Agreement, or in connection with the decision of such Lender to enter into this Agreement, to any such Subsidiary or Affiliate of such Lender, it being understood that any such Subsidiary or Affiliate of any Lender receiving such Information shall be bound by the provisions of this Section 16.15 as if it were a Lender hereunder. Such authorization shall survive the repayment of the other Obligations and the termination of this Agreement. Notwithstanding any non-disclosure agreement or similar document executed by Agent or Green Loan Coordinator in favor of any Borrower or any of any Borrower's Affiliates, the provisions of this Agreement shall supersede such agreements. "Information" means all information received from any Credit Party or any Subsidiary thereof relating to any Credit Party or any Subsidiary thereof or any of their respective businesses, other than (a) any such information that is publicly available to Agent, Green Loan Coordinator, Issuer, any Lender or any Transferee prior to disclosure by any Credit Party or any Subsidiary thereof other than as a result of a breach of this Section, or (b) information not customarily considered confidential unless identified as confidential in writing by the Credit Parties.

Publicity. Each Borrower and each Lender hereby authorizes Agent and each Lender to make appropriate announcements of the financial arrangement entered into among Borrowers, Agent and Lenders, including announcements which are commonly known as tombstones, in such publications and to such selected parties as Agent or such Lender shall in its sole and absolute discretion deem appropriate.

Certifications From Banks and Participants; USA PATRIOT Act.

Each Lender or assignee or participant of a Lender that is not incorporated under the Laws of the United States of America or a state thereof (and is not excepted from the certification requirement contained in Section 313 of the USA PATRIOT Act and the applicable regulations because it is both (i) an affiliate of a depository institution or foreign bank that maintains a physical presence in the United States or foreign country, and (ii) subject to supervision by a banking authority regulating such affiliated depository institution or foreign bank) shall deliver to Agent the certification, or, if applicable, recertification, certifying that such Lender is not a "shell" and certifying to other matters as required by Section 313 of the USA PATRIOT Act and the applicable regulations: (1) within ten (10) days after the Closing Date, and (2) as such other times as are required under the USA PATRIOT Act.

The USA PATRIOT Act requires all financial institutions to obtain, verify and record certain information that identifies individuals or business entities which open an "account" with such financial institution. Consequently, Lender may from time to time request, and each Borrower shall provide to Lender, such Borrower's name, address, tax identification number and/or such other identifying information as shall be necessary for Lender to comply with the USA PATRIOT Act and any other Anti-Terrorism Law.

Anti-Terrorism Laws; Anti-Corruption Laws.

Each Borrower represents and warrants that (i) no Covered Entity, or to the knowledge of the Credit Parties and their Subsidiaries, any director, officer, employee, agent, affiliate or representative thereof, is a Sanctioned Person and (ii) no Covered Entity, or to the knowledge of the Credit Parties and their Subsidiaries, any director, officer, employee, agent, affiliate or representative thereof, either in its own right or through any third party, (A) has any of its assets in a Sanctioned Jurisdiction or in the possession, custody or control of a Sanctioned Person in violation of any Anti-Terrorism Law; (B) does business in or with, or derives any of its income from investments in or transactions with, any Sanctioned Jurisdiction or Sanctioned Person in violation of any Anti-Terrorism Law; or (C) engages in any dealings or transactions prohibited by any Anti-Terrorism Law.

Each Borrower covenants and agrees that (i) no Covered Entity, or to the knowledge of the Credit Parties and their Subsidiaries, any director, officer, employee, agent, affiliate or representative thereof, will become a Sanctioned Person, (ii) no Covered Entity, or to the knowledge of the Credit Parties and their Subsidiaries, any director, officer, employee, agent, affiliate or representative thereof, either in its own right or through any third party, will (A) have any of its assets in a Sanctioned Jurisdiction or in the possession, custody or control of a Sanctioned Person in violation of any Anti-Terrorism Law; (B) do business in or with, or derive any of its income from investments in or transactions with, any Sanctioned Jurisdiction or Sanctioned Person in violation of any Anti-Terrorism Law; (C) engage in any dealings or transactions prohibited by any Anti-Terrorism Law or (D) use the Advances to fund any operations in, finance any investments or activities in, or, make any payments to, a Sanctioned Jurisdiction or Sanctioned Person in violation of any Anti-Terrorism Law, (iii) the funds used to repay the Obligations will not be derived from any unlawful activity, (iv) each Covered Entity shall comply with all

Anti-Terrorism Laws and (v) Borrowers shall promptly notify Agent in writing upon the occurrence of a Reportable Compliance Event.

Each Borrower covenants and agrees that each Covered Entity shall conduct their business in compliance with all Anti-Corruption Laws and maintain policies and procedures designed to ensure compliance with such Laws.

Each Borrower hereby covenants and agrees that such Credit Party will not, and will not permit any of its Subsidiaries to, directly or indirectly, use the Loans or any proceeds thereof for any purpose which would breach any Anti-Corruption Laws in any jurisdiction in which any Covered Entity conducts business.

Acknowledgment and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in this Agreement or any Other Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under this Agreement or any Other Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

the application of any Write-Down and Conversion Powers by an applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

the effects of any Bail-In Action on any such liability, including, if applicable:

a reduction in full or in part or cancellation of any such liability;

a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any Other Document; or

the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any applicable Resolution Authority.

Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or under any Other Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures Agent could purchase the first currency with such other currency on the Business Day immediately preceding that on which final judgment is given. The obligation of each Borrower in respect of any such sum due from it to Agent or any Lender hereunder or under of the Other Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, Agent or such Lender, as the case may be, may in accordance with

normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to Agent or any Lender from any Borrower in the Agreement Currency, such Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify Agent or such Lender, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to Agent or any Lender in such currency, Agent or such Lender, as the case may be, agrees to return the amount of any excess to such Borrower (or to any other Person that may be entitled thereto under applicable law).

Creditor-Debtor Relationship. The relationship between the Lenders and Agent, on the one hand, and the Credit Parties, on the other hand, is solely that of creditor and debtor. Neither Agent nor any Lender has (or shall be deemed to have) any fiduciary relationship or duty to any Credit Party arising out of or in connection with this Agreement or any Other Document or the transactions contemplated thereby, and there is no agency or joint venture relationship between Agent and Lenders, on the one hand, and the Credit Parties, on the other hand, by virtue of this Agreement or any Other Document or any transaction contemplated therein.

Acknowledgement Regarding Any Supported QFCs. To the extent that the Other Documents provide support, through a guarantee or otherwise, for Lender-Provided Interest Rate Hedge or Lender-Provided Foreign Currency Hedge or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Other Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York or of the United States or any other state of the United States):

(ii) In the event a QFC Covered Entity (as defined below) that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Other Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Other Documents were governed by the laws of the United States or a state of the United States.

(iii) As used in this Section 16.22, the following terms have the following meanings:

"BHC Act Affiliate" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"Default Right" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

"QFC" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

"QFC Covered Entity" means any of the following:

- (i) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);
- (ii) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or
- (iii) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

Intercreditor Agreement (Second Lien). Anything herein to the contrary notwithstanding, the liens and security interests securing the Obligations under this Agreement, the exercise of any right or remedy with respect thereto, and certain of the rights of the Lenders hereunder are subject to the provisions of the Intercreditor Agreement (Second Lien). In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control.
